INSURANCE POLICY

Various provisions in this Policy restrict coverage. Read the entire Policy carefully to determine rights, duties and what is and is not covered.

In consideration of the Insured paying the Premium stated in the Declarations to the Insurer and in reliance upon the statements in the Declarations made a part hereof and subject to all of the terms of this Policy, the Insurer hereby agrees, subject to the Policy Limit of Liability stated in the Declarations, to pay the Covered Amounts to the Insured to the extent and in the manner set forth herein.

I. INSURING AGREEMENT; REINSURANCE & SECURITY

- A. In accordance with the provisions of this Policy, and in the event that, as of any Premium Payment Date during the Policy Period, the then-applicable Class Notional Amount associated with an Insured Tranche has been reduced since the prior Premium Payment Date by a Calculated Tranche Write-down Amount (in each instance, a "Loss") the Insurer will pay or cause to be paid to the Insured an amount equal to the product of (i) such Loss, and (ii) the Insured Percentage (the "Covered Amount"). In no event shall the Insurer's maximum liability under this Policy exceed the Policy Limit of Liability.
- B. The Insurer shall enter into the Quota Share Contract contemporaneously with the issuance of this Policy. To secure claims payment obligations under this Policy and the Quota Share Contract, the Quota Share Contract shall require the Reinsurer to, among other things, deposit Eligible Assets in the Trust Account within thirty (30) days after the Effective Date and maintain such Eligible Assets in an amount as determined under and pursuant to the Quota Share Contract and the Trust Agreement.
- C. The Quota Share Contract shall be reviewed and approved by the Insured, as an express intended third-party beneficiary thereunder. The Trust Agreement shall be in the form mutually agreed between the parties and the Reinsurer as of the Effective Date, and shall be subject only to changes that may be requested by the trustee. The parties agree to act reasonably and in good faith with respect to such requests in order to ensure that the Reinsurer is able to satisfy its obligations under the Quota Share Contract and the Trust Agreement to deposit Eligible Assets in the Trust Account.

II. WARRANTIES AND CERTAIN AGREEMENTS OF THE INSURED

In accepting this Policy, the Insured hereby agrees, represents and warrants the following to the Insurer as of the date hereof:

- A. Information in the statements and information provided to the Insurer in the Insurance Application are true and correct in all Material respects as of the Effective Date.
- B. The Insured has not withheld any information from the Insurer that would reasonably affect the decision of an insurer of risks similar to the risk under this Policy, and as of the Effective Date of this Policy, the Insured has no Knowledge of any circumstance which could give rise to or increase the likelihood of Covered Amount at any time during the Policy Period.
- C. Exhibits A through C inclusive are true and complete copies of the STACR 2014-DN3 Documentation.
- D. The Insured is duly organized, validly existing and in good standing under the laws of the United States.

 - H. The execution and delivery by the Insured of this Policy, and the performance by the Insured under the Policy, do not and will not require the Insured to possess, obtain, make, provide or deliver any consent, waiver, approval, license, permit, order, designation or authorization of, notice to, or registration, filing, qualification or declaration with, any Governmental Entity or other Person (including under any STACR 2014-DN3 Documentation), other than (i) any of which have been unconditionally obtained or effected (as appropriate) and are in full force and effect or (ii) any of which the failure to possess, obtain, make, provide or deliver do not or will not, individually or together with any one or more such other failures, result in the Insurer incurring any liability, or have a material adverse effect on (a) the ability of the Insured to perform and comply with its respective obligations under this Policy, or (b) the consummation of the transactions contemplated under the Policy.
 - I. At all times during the Policy Period, it shall retain no less than 5% of the credit loss exposure to the Insured Tranches.

Such Claim Refund shall be paid within ten (10) Business Days of such Premium Payment Date by immediately available funds transmitted by means of the U.S. Fedwire funds service to the Insurer from the Insured in accordance with wiring instructions provided by the Insurer to the Insured. In no event shall the sum of all Claim Refunds exceed the payment of all Covered Amounts paid by the Insurer under this Policy.
 - K. With regard to any Covered Amount owed to the Insured by the Insurer, in the event that the Insured is paid directly by the Reinsurer, or if the Insured were to draw down any Eligible Assets in the Trust Account, then, only and solely to extent of any such Covered Amount so received by the Insured, the Insurer is relieved of all corresponding responsibilities and liability to the Insured under this Policy for the payment of such Covered Amount.

IV. LIMITATIONS OF LIABILITY

The Insurer's total liability for all Covered Amounts under this Policy shall not exceed the Policy Limit of Liability as specified in the Declarations. Each payment made by or through the Insurer in discharge of its obligations under this Policy shall reduce by the same amount the Policy Limit of Liability.

V. CLAIMS AND REPORTING

- A. The Insurer shall have the right to receive copies of all reports to be provided by the Global Agent under Section 6(c) of the Global Agency Agreement, and may do so by accessing the Global Agent's internet site at "www.usbank.com/abs" or any other website that may be established by the Global Agent. In the event that the Global Agent ceases to make such reports publicly available, including by means of any such website, the Insured shall designate the Insurer as a designee within the meaning of the Global Agency Agreement for the purpose of receiving such reports.
- B. The Insured shall submit to the Insurer a Proof of Loss within thirty (30) calendar days of the publication of the Payment Date Statement. In connection therewith, the Insured shall provide a copy of the Payment Date Statement and such other information required under the Proof of Loss form attached as Exhibit D. The Insured's failure to provide the Payment Date Statement or Proof of Loss within the foregoing period shall not relieve the (i) Insurer of its obligations under this Policy, or (ii) the Reinsurer of any of its obligations under the Quota Share Contract. Within five (5) Business Days of the date of such filing, the Insurer shall verify that the Class Notional Amount, the Calculated Tranche Write-down Amount and the Loss set forth therein are in accordance with the Payment Date Statement and the Insured Percentage calculation set forth in the Proof of Loss.
- C. The determination by the Global Agent of the Class Notional Amount, the Calculated Tranche Write-down Amount or the Calculated Tranche Write-up Amount shall, absent manifest error, be binding on the Insurer and the Insured. The Insurer shall accept the Proof of Loss unless it has formed a reasonable good faith belief that the Insured has made material misrepresentations or committed other wrongful and dishonest acts or omissions directly relating to a calculation by the Insured set forth in a Proof of Loss. In such case, the Insurer shall send a notice of the rejection of the Claim within five (5) Business Days following receipt of such Proof of Loss from the Insured. In the absence of such notice within that period, the Proof of Loss shall be deemed accepted. Any rejection of a Proof of Loss shall be subject to dispute resolution as set forth in Article VII(A) below. Nothing contained herein shall be deemed to be a waiver of or prejudice in any way any claim that the Insurer may have subsequent to acceptance of a Proof of Loss or payment of any amount under this Policy; provided, however, that any such claim shall be pursued by the Insurer within the period set by the applicable statute of limitations.
- D. Within five (5) Business Days following acceptance of a Proof of Loss by the Insurer, it shall (i) provide written notice thereof to the Insured, clearly stating that such Proof of Loss has been accepted in full by the Insurer, (ii) submit such accepted Proof of Loss to the Reinsurer, (iii) secure Claim payment of the Covered Amount from the Reinsurer, and (iv) transmit such Claim payment (or cause such payment to be transmitted) to the Insured by means of the U.S. Fedwire funds service immediately available funds in accordance with wiring instructions provided by the Insured to the Insurer. Any such payments not transmitted to the Insured within five (5) Business Days following acceptance shall be subject to a late payment fee calculated based on the amount due but not wired. For the avoidance of doubt, the amount of such late payment fee shall be calculated as follows: (amount due and owing under the unpaid Proof of Loss) multiplied by (prime rate + 1.000%) divided by 365, multiplied by the number of calendar days for which the payment is due but unpaid. The prime rate shall be determined by reference to the highest quoted prime rate published in the "Money Rates" section or other comparable section of The Wall Street Journal on the first Business Day of the month in which the payment is due.

VI. REFERENCE POOL AND REFERENCE TRANCHES

A. Reference Pool

1. The Reference Pool consists of the Reference Obligations, which are Mortgage Loans acquired by the Insured between October 1, 2013 and December 30, 2013 (and more particularly identified at http://www.freddiemac.com/creditsecurities/security_data.html as of the Effective Date) and which meet the Eligibility Criteria and have no Unconfirmed Underwriting Defects as of July 1, 2014 that were known to Freddie Mac or that were subsequently discovered through the Third-Party Diligence Provider's due diligence review as described under "*The Reference Obligations — Third-Party Due Diligence Review*" in the STACR 2014-DN3 Offering Circular.
2. The "Eligibility Criteria" to be satisfied with respect to each Reference Obligation in the Reference Pool are as follows:
 - a. is a fully amortizing, fixed rate, one- to four-unit, first lien Mortgage Loan, which has an original term of 30 years;
 - b. was originated on or after July 1, 2013;
 - c. was securitized into a participation certificate by March 31, 2014 and remained in such participation certificate as of July 2, 2014;
 - d. has not been prepaid in full as of July 2, 2014;
 - e. has not been repurchased by the applicable seller or servicer as of July 2, 2014;
 - f. has no Underwriting Defects as of July 1, 2014;
 - g. as of May 31, 2014, has never been reported to be 30 days or more delinquent since purchase by the Insured;
 - h. was originated with documentation as described under "*General Mortgage Loan Purchase and Servicing — Underwriting Standards— Documentation*" in the STACR 2014-DN3 Offering Circular;
 - i. is not covered by mortgage or pool insurance;
 - j. does not have an original loan-to-value ratio that (i) is less than or equal to 60%, or (ii) exceeds 80%;
 - k. is not subject to recourse or other credit enhancement;
 - l. was not originated under the Insured's Relief Refinance program (including the Home Affordable Refinance Program which is the Federal Housing Finance Agency's name for Relief Refinance Mortgage Loans with a loan-to-value ratio greater than 80%);
 - m. was not originated under Home Possible® or other affordable mortgage programs of the Insured;
 - n. was not associated with a mortgage revenue bond purchased by the Insured;

- o. had an unpaid principal balance as of the Cut-off Date that is greater than or equal to \$5,000; and
 - p. was not originated under a government program (e.g., FHA, VA or Guaranteed Rural Housing Loans).
3. The characteristics of the Reference Pool will change from time to time to reflect subsequent payments, prepayments and Credit Events with respect to the Reference Obligations. In addition, the characteristics of the Reference Pool may change because Reference Obligations will be removed (any such removal, a "Reference Pool Removal") from the Reference Pool because:
- a. the Reference Obligation becomes a Credit Event Reference Obligation;
 - b. the Reference Obligation is paid in full;
 - c. of the identification and final determination, through the Insured's quality control process, of an Underwriting Defect relating to the Reference Obligation;
 - d. of the discovery of a violation of the Eligibility Criteria for such Reference Obligation; or
 - e. the Reference Obligation is seized pursuant to any special eminent domain proceeding brought by any federal, state or local government instrumentality with the intent to provide relief to financially-distressed borrowers with negative equity in the underlying mortgage loan. For the avoidance of doubt, if a property were seized through any eminent domain proceedings brought by any state, federal, or local government entity, such seizure will not be treated as a Credit Event. Instead, the unpaid principal balance of the loan at the time of seizure will be treated as Unscheduled Principal and the loan will be removed pursuant to Reference Pool Removal.

Reference Obligations will not be removed from the Reference Pool if they undergo a temporary or permanent modification and they do not meet any other criteria above to be removed. In the event that a Reference Obligation that was previously removed from the Reference Pool is discovered to have been removed in error, such Reference Obligation will be reinstated into the Reference Pool.

B. Reference Tranches

1. For purposes of this Policy and for purposes of making the calculations for each Payment Date of any principal write-downs (or write-ups) on the Notes as a result of Credit Events (or reversals thereof) on the Reference Obligations and principal payments required to be made on the Notes, the Insured has established a hypothetical structure of eight (8) Classes of Reference Tranches (the Class A-H, Class M-1, Class M-1H, Class M-2, Class M-2H, Class M-3, Class M-3H and Class B-H) (each, a "Reference Tranche") deemed to be backed by the Reference Pool. Pursuant to the hypothetical structure, the Class A-H Reference Tranche is senior to all the other Reference Tranches and therefore does not provide any credit enhancement to the other Reference Tranches. The Class M-1 and Class M-1H Reference Tranches are pro rata with each other and are subordinate to the Class A-H Reference Tranche and are senior to the Class M-2, Class M-2H, Class M-3, Class M-3H and Class B-H Reference Tranches. The Class M-2 and Class M-2H Reference Tranches are pro rata with each other and are subordinate to the Class A-H, Class M-1 and Class M-1H Reference Tranches and are senior to the Class M-3, Class M-3H and Class B-H Reference Tranches. The Class M-3 and Class M-3H

Reference Tranches are pro rata with each other and are subordinate to the Class A-H, Class M-1, Class M-1H, Class M-2 and Class M-2H Reference Tranches and are senior to the Class B-H Reference Tranche. The Class B-H Reference Tranche is subordinate to all the other Reference Tranches and therefore does not benefit from any credit enhancement. Each Class of Reference Tranche has a Class Notional Amount as of the Cut-off Date (*i.e.*, the "Initial Class Notional Amount") as indicated in its respective definition herein.

2. The "Class Notional Amount" of each Class of Reference Tranche as of any Premium Payment Date is a notional amount equal to:
 - a. the Initial Class Notional Amount of such Class of Reference Tranche, *minus*
 - b. the aggregate amount of Senior Reduction Amounts and/or Subordinate Reduction Amounts allocated to such Class of Reference Tranche on such Premium Payment Date and all prior Premium Payment Dates, *minus*
 - c. the aggregate amount of Calculated Tranche Write-down Amounts allocated to reduce the Class Notional Amount of such Class of Reference Tranche on such Premium Payment Date and on all prior Premium Payment Dates, *plus*
 - d. the aggregate amount of Calculated Tranche Write-up Amounts allocated to increase the Class Notional Amount of such Class of Reference Tranche on such Premium Payment Date and on all prior Premium Payment Dates.
 - e. For the avoidance of doubt, no Calculated Tranche Write-up Amount or Calculated Tranche Write-down Amount will be applied twice on the same Premium Payment Date.
3. Allocation of Calculated Tranche Write-down Amounts to the Reference Tranches

On each Premium Payment Date on or prior to the Termination Date, the amount, if any, of the Calculated Tranche Write-down Amount, if any, for that Premium Payment Date, will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

- a. *first*, to the Class B-H Reference Tranche,
 - b. *second*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata* based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - c. *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata* based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - d. *fourth*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date, and
 - e. *fifth*, to the Class A-H Reference Tranche.
4. Allocation of Calculated Tranche Write-up Amounts to the Reference Tranches

On each Premium Payment Date on or prior to the Termination Date, the Calculated

Tranche Write-up Amount, if any, for such Premium Payment Date will be allocated to increase the Class Notional Amount of each Class of Reference Tranche in the following order of priority until the cumulative Calculated Tranche Write-up Amount allocated to each such Class of Reference Tranche is equal to the cumulative Calculated Tranche Write-down Amount previously allocated to such Class of Reference Tranche on or prior to such Premium Payment Date:

- a. *first*, to the Class A-H Reference Tranche,
 - b. *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata* based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - c. *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - d. *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date, and
 - e. *fifth*, to the Class B-H Reference Tranche.
5. Allocation of Senior Reduction Amount and Subordinate Reduction Amount to the Reference Tranches
- a. On each Premium Payment Date prior to the Maturity Date and the date on which the Insured elects to cancel this Policy pursuant to Article VII(C)(2), after allocation of the Calculated Tranche Write-down Amount or Calculated Tranche Write-up Amount, if any, for such Premium Payment Date as described above, the Senior Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:
 - i. *first*, to the Class A-H Reference Tranche,
 - ii. *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - iii. *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - iv. *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Premium Payment Date, and
 - v. *fifth*, to the Class B-H Reference Tranche.
 - b. On each Premium Payment Date prior to the Maturity Date and the date on which the Insured elects to cancel this Policy pursuant to Article VII(C)(2), after allocation of the Senior Reduction Amount and the Calculated Tranche Write-down Amount or Calculated Tranche Write-up Amount, if any, for such Premium Payment Date as described above, the Subordinate Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Mezzanine

Reference Tranche and the Class B-H Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

- i. first, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - ii. second, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - iii. third, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Premium Payment Date,
 - iv. fourth, to the Class B-H Reference Tranche, and
 - v. fifth, to the Class A-H Reference Tranche.
6. For any Premium Payment Date purposes of making calculations with respect to the hypothetical structure and the Reference Tranches, the reporting periods (each, a "Reporting Period") will be:
- a. in the case of all principal collections, other than full prepayments, on the Reference Obligations, and in the case of determining Credit Events resulting from the related Mortgage Note being sold to a third party during the foreclosure process, a deed in lieu of foreclosure being executed or a REO acquisition, the period from and including the 16th day of the second calendar month preceding the month in which such Premium Payment Date occurs to and including the 15th day of the calendar month immediately preceding the month in which such Premium Payment Date occurs;
 - b. in the case of full principal prepayments on the Reference Obligations, and in the case of determining an Unconfirmed Underwriting Defect or an Underwriting Defect or determining a Credit Event resulting from a short sale being settled, the period from but excluding the 2nd Business Day of the calendar month immediately preceding the month in which such Premium Payment Date occurs to and including the 2nd Business Day of the calendar month in which such Premium Payment Date occurs; and
 - c. in the case of determining delinquency status with respect to each Reference Obligation, the last day of the second calendar month preceding such Premium Payment Date.

VII. GENERAL CONDITIONS

- A. **Dispute Resolution; Venue.** Any dispute arising out of or in connection with this Policy shall be settled in a proceeding brought in the United States District Court for the Eastern District of Virginia. Each of the Insurer and the Insured irrevocably submits to the personal and in rem jurisdiction and venue of that Court for the Eastern District of Virginia for the purposes thereof and expressly waives any claim of lack of personal jurisdiction and improper venue and any claim that any such court is an inconvenient forum. The Insured and the Insurer hereby irrevocably consent to the service of process in such court in any such suit, action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to the address provided to the parties in accordance with the Declarations page of this Policy, such service to become effective ten (10) days after such mailing. The Insured shall give written notice to the Insurer stating the grounds for such action and when the cancellation shall be effective.
2. Without derogating from the generality of Article VII(C)(1), the Insured may also cancel this Policy in its entirety if it determines at any time that the Insurer, any of its Principal Shareholders or its direct or indirect subsidiaries, any director or officer of the Insurer or any of its Principal Shareholders or any of their direct or indirect subsidiaries, or any employee, agent, or affiliate of the Insurer or any of its Principal Shareholders or its direct or indirect subsidiaries is a Person that is, or is owned or controlled by a Person that is, (i) the target of any Sanctions, or (ii) located, organized, or resident in any country or territory that is, or whose government is, the target of Sanctions (currently, Cuba, Iran, North Korea, Sudan and Syria). The Insured shall give written notice to the Insurer stating the grounds for such action and when the cancellation shall be effective.

The Insured may also cancel this Policy in its entirety at any time in its sole discretion on any Premium Payment Date on or after the Premium Payment Date on which the aggregate unpaid balance of the Reference Obligations is less than or equal to ten percent (10%) of the Cut-off Date Balance of the Reference Obligations. Termination shall be effective as of the Premium Payment Date when the Insured delivers to the Insurer written notice of such termination election.
4. In addition, this Policy shall cancel automatically as of the Premium Payment Date on which the initial Class Balance (without giving effect to any allocations of Calculated Tranche Write-down Amounts or Calculated Tranche Write-up Amounts on such Premium Payment Date and all prior Premium Payment Dates) and accrued and unpaid interest due on the Class M-1, Class M-2 and Class M-3 Notes have been paid in full. In the event that the initial Class Balance (without giving effect to any allocations of Calculated Tranche Write-down Amounts or Calculated Tranche Write-up Amounts on such Premium Payment Date and all prior Premium Payment Dates) and accrued and unpaid interest due on the Class M-1, Class M-2, and Class M-3 Notes have been paid in full only with respect to either the Class M-1 Notes or Class M-2 Notes or Class M-3 Notes, then the coverage under the Policy shall only be canceled with respect to either the Class M-1H Reference Tranche or the Class M-2H Reference Tranche or the Class M-3H Reference Tranche, as applicable, but the coverage shall remain in place for the other Insured Tranche(s).
5. 6. This Policy may be cancelled by the Insurer in accordance with Article VII(C)(5) by sending written notice to the Insured stating when, not less than thirty (30) days thereafter, the cancellation shall be effective. Confirmation by the relevant courier of delivery of such notice shall be sufficient proof of notice and the effective date of cancellation stated in the notice shall become the Expiry Date, unless payment of the Premium is received by the Insurer prior to this specified date of cancellation, in which case the Policy shall continue in full force and effect.
7. Cancellation in accordance with this Article VII(C) shall not prejudice any rights of or remedies available at law or in equity to the Insured or the Insurer existing prior to or on the effective date of such cancellation, including the Insured's right to withhold Premium payment once it forms a reasonable belief that any Insurer representation or warranty has been breached.

No insolvency of the Insured and no act of any conservator, liquidator, receiver, administrator, trustee in bankruptcy or other Person administering the estate of the Insured as a consequence of an insolvency, or of any statutory successor, shall cause any liability of the Insurer hereunder to become due earlier or for a higher amount than would have been the case if such insolvency had not occurred or if such act had not been committed.
- E. Changes. After issuance of the Policy, the Insured and the Insurer agree not to change any terms of this Policy or the Exhibits thereto, unless agreed to by the Insured and the Insurer and attached to the Policy by written endorsement thereto.

No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Policy shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

The Insurer's indemnification obligation hereunder shall include any related liability for interest and shall include any related liability for penalties.
- 3. Any representation or warranty made by the Insurer with respect to any withholding or deduction being or not being applicable to Premium payments hereunder shall be

For the avoidance of doubt, Reference Obligations with minor technical violations or missing documentation, which in each case the Insured determines to be acceptable Reference Obligations, will not result in an Unconfirmed Underwriting Defect.
91. "Underwriting Defect" means with respect to any Premium Payment Date and any Reference Obligation for which the Insured has determined the existence of an Unconfirmed Underwriting Defect, the occurrence of any of the following: (i) such Reference Obligation is repurchased by the related seller or servicer during the related Reporting Period, (ii) in lieu of repurchase, an alternative remedy (such as indemnification) is mutually agreed upon by both the Insured and the seller or servicer during the related Reporting Period, (iii) the Insured in its sole discretion elects to waive the enforcement of a remedy against the seller or servicer in respect of such Unconfirmed Underwriting Defect during the related Reporting Period, or (iv) the party responsible for the representations and warranties and/or servicing obligations or liabilities with respect to the Reference Obligation becomes subject to a bankruptcy, insolvency proceeding or a receivership. For the avoidance of doubt, if, through the Insured's quality control process, a loan were discovered to have an Underwriting Defect and the seller of the loan were declared insolvent or bankrupt; then one of the two things will happen depending upon whether or not the loan has suffered a Credit Event: (a) should the loan have suffered a Credit Event, then such Credit Event will be reversed through the Claim Refund process set forth in Article II(J); or (b) Should the loan have not suffered a Credit Event, then it will be

- (d) positive adjustments in the unpaid principal balance of all Reference Obligations as the result of loan modification, reinstatements into the Reference Pool of Reference Obligations that were previously removed from the Reference Pool in error, or data corrections.

In the event the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above, the Unscheduled Principal for the applicable Premium Payment Date will be zero, and the Class Notional Amount for the Class A-H Reference Tranche will be increased by the amount that the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above. In the event that the Class Notional Amount for the Class A-H Reference Tranche is so increased as described in the prior sentence, this would have the effect of increasing the Senior Percentage and correspondingly reducing the Subordinate Percentage, which would have a negative impact on the Notes in respect of the calculations of the Senior Reduction Amount and the Subordinate Reduction Amount, as described above. In the event that the Insured were to ever employ a policy that permitted or required principal forgiveness as a loss mitigation alternative, any principal that may be forgiven with respect to a Reference Obligation will be treated as a negative adjustment in unpaid principal balance of such Reference Obligation pursuant to clause (c) above.

IN WITNESS HEREOF, each of the Insurer and Insured has caused this Policy to be executed on its behalf and signed in the Declarations by its duly authorized representative.
