INSURANCE POLICY

Various provisions in this Policy restrict coverage. Read the entire Policy carefully to determine rights, duties and what is and is not covered.

In consideration of the Insured paying the Premium to the Insurer and in reliance upon the statements in the Declarations made a part hereof and subject to all of the terms of this Policy, the Insurer hereby agrees, subject to the Policy Limit of Liability, to pay the Covered Amounts to the Insured to the extent and in the manner set forth herein.

I. INSURING AGREEMENT; REINSURANCE & SECURITY

- A. In accordance with the provisions of this Policy, and in the event that, as of any Premium Payment Date during the Policy Period, the then-applicable Class Notional Amount associated with an Insured Tranche has been reduced since the prior Premium Payment Date by a Tranche Write-down Amount (in each instance, a "Loss"), the Insurer will pay or cause to be paid to the Insured an amount equal to the product of (i) such Loss, and (ii) the corresponding Insured Percentage (such product, the "Covered Amount"), which obligation of the Insurer shall be performed strictly in accordance with the terms of this Policy under all circumstances. In no event shall the Insurer's maximum liability under this Policy exceed the Policy Limit of Liability.
- B. The Insurer shall enter into the Quota Share Contract contemporaneously with the issuance of this Policy. To secure claims payment obligations under this Policy and the Quota Share Contract, the Quota Share Contract shall require the Reinsurer to, among other things, deposit Eligible Assets in the Trust Account within thirty (30) calendar days after the Effective Date and maintain Eligible Assets in an amount as determined under and pursuant to the Quota Share Contract and the Trust Agreement.
- C. The Quota Share Contract shall be reviewed and approved by the Insured, as an express intended third-party beneficiary thereunder, and the Insurer hereby agrees that the Quota Share Contract and each I&L Agreement may not be amended without the prior written consent of the Insured. The Trust Agreement shall be in the form mutually agreed between the parties and the Reinsurer as of the Effective Date, and shall be subject only to changes that may be requested by the trustee. The parties agree to act reasonably and in good faith with respect to such requests in order to ensure that the Reinsurer is able to satisfy its obligations under the Quota Share Contract and the Trust Agreement to deposit Eligible Assets in the Trust Account.

II. WARRANTIES AND CERTAIN COVENANTS AND AGREEMENTS OF THE INSURED

In accepting this Policy, the Insured hereby covenants and agrees to, or represents and warrants, the following to the Insurer and the Reinsurer, as applicable:

- A. Information in the statements and information provided to the Insurer and the Reinsurer in the Insurance Application are true and correct in all Material respects as of the Effective Date.
- B. The Insured has not withheld any information from the Insurer or the Reinsurer that would reasonably affect the decision of an insurer or reinsurer of risks similar to the risk under this Policy, and as of the Effective Date, the Insured has no Knowledge of any circumstance which could give rise to or increase the likelihood of a Covered Amount becoming due at any time during the Policy Period.
- C. The Insured is duly organized, validly existing and in good standing under the laws of the United States.

- D. The Insured has taken all corporate action required to authorize the execution, delivery and performance of this Policy.
- E. The Insured is accepting delivery of this Policy in the location set forth in Item 10 of the Declarations.
- F. This Policy, when executed and delivered, will constitute a legal, valid and binding obligation of the Insured, enforceable except to the extent that enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting creditors' rights generally and subject to the application of equitable principles and the availability of equitable remedies.
- G. The execution and delivery by the Insured of this Policy, and the performance by the Insured under this Policy, do not and will not require the Insured to possess, obtain, make, provide or deliver any consent, waiver, approval, license, permit, order, designation or authorization of, notice to, or registration, filing, qualification or declaration with, any Governmental Entity or other Person, other than (i) any of which have been unconditionally obtained or effected (as appropriate) and are in full force and effect or (ii) any of which the failure to possess, obtain, make, provide or deliver do not or will not, individually or together with any one or more such other failures, result in the Insurer or the Reinsurer incurring any liability, or have a material adverse effect on (a) the ability of the Insured to perform and comply with its respective obligations under this Policy, or (b) the consummation of the transactions contemplated under this Policy.
- H. At all times during the Policy Period, the Insured shall retain a percentage of the credit loss exposure to the Reference Tranches that is no less than the Minimum Retention Percentage set forth in Annex 1, except that the Insured shall retain one-hundred percent (100%) of the credit loss exposure to the Class B-3 Reference Tranche.
- I. In the event that, as of any Premium Payment Date during the Policy Period, an Insured Tranche has been increased since the prior Premium Payment Date by a Tranche Write-up Amount, then the Insured shall refund to the Insurer an amount equal to the product of (i) such Tranche Write-up Amount, and (ii) the corresponding Insured Percentage (in each instance, a "Claim Refund"), pursuant to and in accordance with the terms of, and conditions set forth in this Policy, but only up to the sum of all Covered Amounts previously paid by the Insurer hereunder. Such Claim Refund shall be paid within ten (10) Business Days following such Premium Payment Date by immediately available funds transmitted by means of the U.S. Fedwire funds service to the Insurer from the Insured in accordance with wiring instructions provided by the Insurer to the Insured. In no event shall the sum of all Claim Refunds exceed the payment of all Covered Amounts paid by the Insurer under this Policy, including Covered Amounts associated with a Tranche Write-down Amount applied to any Overcollateralization Amount pursuant to Article VI(B)(5).
- J. With regard to any Covered Amount owed to the Insured by the Insurer, in the event that the Insured is paid directly by the Insurer or the Reinsurer, or if the Insured were to withdraw Assets from the Trust Account, then, only and solely to the extent of any such Covered Amount so received by the Insured, the Insurer is relieved of all corresponding responsibilities and liability to the Insured under this Policy for the payment of such Covered Amount.
- K. The Insured acknowledges and agrees that the Insurer and the Reinsurer are relying upon the representations and warranties of the Insured set forth above.

III. WARRANTIES AND CERTAIN COVENANTS AND AGREEMENTS OF THE INSURER

Any act or omission by the Managing Agent (whether or not related to a duty or obligation outsourced or delegated to it by the Insurer) shall be deemed to be an act or omission of the Insurer, and the Insurer shall be liable to the Insured for the Managing Agent's performance or failure to perform its and the Insurer's obligations hereunder. For the avoidance of doubt, (1) a term of this Policy shall control over any conflicting term of any agreement between the Insurer and any third-party, including, but not limited to, the Managing Agent, regarding the timing and payment of claims, (2) any dispute between the Insurer and any third-party, including, but not limited to, the Managing Agent, whether subject to arbitration, litigation, any other legal proceeding, or any alternative dispute resolution (including any related settlement) will not supersede or result in delays to the timing and payment of claims as set forth in Article V, and (3) payments by the Insurer to and through the Managing Agent shall be deemed payment to the Insured only to the extent that such payments are actually received by the Insured.

- G. This Policy, when executed and delivered, will constitute a legal, valid and binding obligation of the Insurer, enforceable except to the extent that enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting creditors' rights generally and subject to the application of equitable principles and the availability of equitable remedies.
- H. The execution and delivery by the Insurer of this Policy, and the performance by the Insurer under this Policy, do not and will not require the Insurer to possess, obtain, make, provide or deliver any consent, waiver, approval, license, permit, order, designation or authorization of, notice to, or registration, filing, qualification or declaration with, any Governmental Entity or other Person, other than (i) any of which have been unconditionally obtained or effected (as appropriate) and are in full force and effect or (ii) any of which the failure to possess, obtain, make, provide or deliver do not or will not, individually or together with any one or more such other failures, result in the Insured incurring any liability, or have a material adverse effect on (a) the ability of the Insurer to perform and comply with its respective obligations under this Policy, or (b) the consummation of the transactions contemplated under this Policy.
- I. The Insurer is, and will use its best efforts to remain, in compliance at all times and in all material respects with all Applicable Law, including, but not limited to, to the extent applicable, the conditions attached to its license or with any directions to the Insurer issued by the insurance regulator in the Insurer's Jurisdiction under Applicable Law. The Insurer has not made any reductions of capital or paid any dividends or distributions in the past two (2) years that have not complied with Applicable Law in the Insurer's Jurisdiction.
- J. The Insurer is currently in compliance with the requirement applicable to the Insurer to provide to the insurance regulator in the Insurer's Jurisdiction statutory financial statements and audited financial statements in respect of its insurance business and is currently in compliance in all material respects with Applicable Law in the Insurer's Jurisdiction. The Insurer shall provide to the Insured copies of any such financial statements and any declarations required to be filed with the insurance regulator in the Insurer's Jurisdiction pursuant to Applicable Law in the Insurer's Jurisdiction within five (5) Business Days following any request by the Insured therefor.

- M. Without derogating from the generality of Article III(I), none of the Insurer, any of its direct or indirect subsidiaries, any shareholder that holds ten percent (10%) or more of the outstanding voting securities of the Insurer (directly or, to the Knowledge of the Insurer, indirectly) ("Principal Shareholder"), any director or officer of the Insurer or any of its Principal Shareholders or any of their direct or indirect subsidiaries, or, to the Knowledge of the Insurer, any employee, agent, or affiliate of the Insurer or any of its Principal Shareholders or its direct or indirect subsidiaries is an individual or entity ("Covered Person") that is, or is owned or controlled by a Covered Person that is, (i) the target of any sanctions administered or enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control or the U.S. Department of State (collectively, "Sanctions"), or (ii)

located, organized, or resident in any country or territory that is, or whose government is, the target of Sanctions.

- N. The Insurer has such Knowledge and experience in financial, business and insurance matters that it is capable of evaluating the merits and risks of this transaction. The Insurer has conducted its own independent review and analysis of the underwriting risk and acknowledges and agrees that the Insured has provided, and the Insurer has received, sufficient information for this purpose. In entering into this Policy, the Insurer further represents and warrants that it had such information as it deemed necessary and sufficient to enter into this Policy. In entering into this Policy, the Insurer is not relying on any representation as to any past or present fact or circumstance, or on any representation, prediction or estimation as to any future fact or circumstance, whatsoever made by or on behalf of the Insured, except for the representations and warranties made by the Insured in Article II. Prior to the Insurer's execution and delivery of this Policy, the Insurer has (i) been given the opportunity to ask questions of, and receive answers from, the Insured concerning the terms and conditions of this Policy and the subject matter of this Policy and (ii) been given the opportunity to review all the information, as identified in this Policy, which represents all the information necessary to evaluate the risks and merits of entering into and performing this Policy. The Insurer has relied solely upon its own investigation and analysis, and the Insurer acknowledges and agrees that, except for representations or warranties of the Insured expressly contained herein, (a) the Insured makes no, and has made no, representation or warranty, either express or implied, with respect to this Policy or as to the accuracy or completeness of any of the information (including, but not limited to, projections, estimates or any other forward looking forecasts) provided or otherwise made available to the Insurer, and (b) to the fullest extent permitted by Applicable Law, the Insured shall have no liability whatsoever to Insurer on any basis based upon such information provided or made available, or statements made or omissions therefrom in the underwriting process.
- O. Without derogating from the generality of Article III(I), the Insurer is compliant with the U.S. Foreign Account Tax Compliance Act.
- P. The Insurer will at all times, in good faith and fair dealing, pursue and facilitate Claim payments as they are due from the Reinsurer(s) to the Insured.
- Q. The Quota Share Contract shall include written representations and warranties substantially similar to those set forth in this Article III(A) and (D) through (P).
- R. The Insurer acknowledges and agrees that the Insured is relying upon the representations and warranties of the Insurer set forth above.

IV. LIMITATIONS OF LIABILITY

The Insurer's total liability for all Covered Amounts under this Policy shall not exceed the Policy Limit of Liability. Each payment made by or on behalf of the Insurer in discharge of its obligations under this Policy (including any payment made from the Trust Account): (i) shall be deemed to have been made by the Insurer and (ii) shall reduce by the same amount the Policy Limit of Liability.

V. CLAIMS AND REPORTING

- A. The Insurer shall have the right to receive copies of all reports to be provided by the Calculation Agent under Schedule I of the Calculation Reporting Agreement, and may do so by accessing the Calculation Agent's internet site at "www.usbank.com/abs" or any other website that may be established by the Calculation Agent, provided the Insurer has agreed to the Calculation Agent's requirements for such access. In the event that the Calculation

Agent ceases to make such reports publicly available, including by means of any such website, the Insured shall designate the Insurer as a designee within the meaning of the Calculation Reporting Agreement for the purpose of receiving such reports. The Insurer does not have a right to request or access any reports or records of the Insured other than those produced by the Calculation Agent.

- B. Following the occurrence of a Loss, the Insured shall submit to the Insurer a Proof of Loss within thirty (30) calendar days following the publication of the corresponding Payment Date Statement. In connection therewith, the Insured shall provide a copy of the Payment Date Statement and such other information required under the Proof of Loss form attached as Exhibit B. The Insured's failure to provide the Payment Date Statement or Proof of Loss within the foregoing period shall not relieve the (i) Insurer of its obligations under this Policy, or (ii) the Reinsurer of any of its obligations under the Quota Share Contract. Within five (5) Business Days following the date of such filing, the Insurer shall verify that the Class Notional Amount, the Tranche Write-down Amount and the Loss set forth therein are in accordance with the Payment Date Statement and the corresponding Insured Percentage calculation set forth in the Proof of Loss.
- C. The determination by the Calculation Agent of the Class Notional Amount, the Tranche Write-down Amount or the Tranche Write-up Amount shall, absent manifest error, be binding on the Insurer and the Insured. Absent manifest error, the Insurer shall accept the Proof of Loss unless it has formed a reasonable good faith belief that the Insured has made material misrepresentations or committed other wrongful and dishonest acts or omissions directly relating to a calculation by the Insured set forth in a Proof of Loss. Within five (5) Business Days following the Insurer's receipt of a Proof of Loss from the Insured, the Insurer shall either (i) provide written notice of its acceptance of such Proof of Loss to the Insured and the Reinsurer, clearly stating that such Proof of Loss has been accepted in full by the Insurer, or (ii) send to the Insured a notice of its rejection of the Proof of Loss. In the absence of such notice of acceptance or rejection within that period, the Proof of Loss shall be deemed accepted by the Insurer on such fifth (5th) Business Day for all purposes under this Policy without any further action on the part of the Insurer or any other Person. Any rejection of a Proof of Loss shall be subject to dispute resolution as set forth in Article VII(A). Nothing contained herein shall be deemed to be a waiver of or prejudice in any way any claim that the Insurer may have relating to a Proof of Loss or payment of any amount under this Policy; provided, however, that any such claim shall be pursued by the Insurer within the period set by the applicable statute of limitations.
- D. Within five (5) Business Days following acceptance (including deemed acceptance) of a Proof of Loss by the Insurer, the Insurer shall pay, or cause the Reinsurer to pay, to the Insured the Covered Amount set forth in such Proof of Loss in immediately available funds by means of the U.S. Fedwire funds service in accordance with wiring instructions provided by the Insured to the Insurer. Any such payments not received by the Insured within five (5) Business Days following acceptance (including deemed acceptance) of the Proof of Loss by the Insurer shall be subject to a late payment fee calculated based on the amount due but not received by the Insured. The amount of such late payment fee shall be calculated as follows: (amount due and owing under the unpaid Proof of Loss) multiplied by (prime rate + 1.000%) divided by 365, multiplied by the number of calendar days for which the payment is due but unpaid. The prime rate shall be determined by reference to the highest quoted prime rate published in the "Money Rates" section or other comparable section of The Wall Street Journal on the first Business Day of the calendar month in which the payment is due.
- E. As of any date, the Insurer and the Insured shall have the right to offset any balance or amounts due from one party to the other under the terms of this Policy. The party asserting the right of offset may, with the concurrence of the other party, exercise such right any time,

whether the balances due are on account of Premiums, Covered Amounts or late payment fees.

VI. REFERENCE POOL AND REFERENCE TRANCHES; PREMIUM PAYMENTS

A. Reference Pool

1. The "Reference Pool" consists of the Reference Obligations, which are Mortgage Loans that were acquired by the Insured during the period specified in Item 3 of the Declarations Page (and more particularly identified at http://www.freddiemac.com/creditriskofferings/security_data.html as of the Effective Date) and which meet the Eligibility Criteria and have no Underwriting Defects, Major Servicing Defects or Minor Servicing Defects as of November 30, 2018 that were Known to the Insured or that were subsequently discovered up to the Cut-off Date.
2. The "Eligibility Criteria" to be satisfied with respect to each Reference Obligation in the Reference Pool are as follows:
 - a. is a fully amortizing, fixed rate, one- to four-unit, first lien Mortgage Loan, which has an original term of 180 to 240 months;
 - b. was acquired by the Insured between March 1, 2018 and November 30, 2018, and was originated on or after October 1, 2017;
 - c. has not been prepaid in full as of November 30, 2018;
 - d. as of November 30, 2018, the servicer has not reported that the borrower of such Reference Obligation has filed for bankruptcy;
 - e. has not been repurchased by the applicable seller or servicer as of November 30, 2018;
 - f. has no Underwriting Defects, Major Servicing Defects or Minor Servicing Defects found in the Insured's internal quality control process as of January 4, 2019;
 - g. as of November 30, 2018, has never been reported to be thirty (30) days or more delinquent since purchase by the Insured;
 - h. was originated with documentation as described in Exhibit C;
 - i. is not covered by pool insurance;
 - j. has an original loan-to-value ratio that is (i) greater than or equal to 65% and (ii) less than or equal to 97%;
 - k. has an original combined loan-to-value ratio that is less than or equal to 97%;
 - l. subject to any applicable TOBs or certain pilot programs, is not subject to recourse or other credit enhancement;
 - m. was not originated under the Insured's relief refinance program (including the Home Affordable Refinance Program which is the Federal Housing Finance Agency's name for Freddie Mac's relief refinance program for Mortgage Loans with a loan-to-value ratio greater than 80%);
 - n. was not associated with a mortgage revenue bond purchased by the Insured;

- o. had an original principal balance greater than or equal to \$5,000; and
 - p. was not originated under a government program (e.g., FHA, VA or Guaranteed Rural Housing loans).
3. The characteristics of the Reference Pool will change from time to time to reflect subsequent payments, prepayments and Credit Events with respect to the Reference Obligations. In addition, the characteristics of the Reference Pool may change because after the Cut-off Date, Reference Obligations will be removed (any such removal, a "Reference Pool Removal") from the Reference Pool because:
- a. the Reference Obligation becomes a Credit Event Reference Obligation;
 - b. the Reference Obligation is paid in full;
 - c. of the identification and final determination, through the Insured's quality control process, of an Underwriting Defect or Major Servicing Defect relating to the Reference Obligation;
 - d. of the discovery of a violation of the Eligibility Criteria for such Reference Obligation;
 - e. the Reference Obligation is seized pursuant to any special eminent domain proceeding brought by any federal, state or local government instrumentality with the intent to provide relief to financially-distressed borrowers with negative equity in the underlying Mortgage Loan. For the avoidance of doubt, if a property were seized through any eminent domain proceedings brought by any state, federal, or local government entity, such seizure will not be treated as a Credit Event. Instead, the UPB of the loan at the time of seizure will be treated as Unscheduled Principal and the loan will be removed pursuant to Reference Pool Removal; or
 - f. the related Mortgaged Property is located in an area declared by FEMA to be a major disaster area and in which FEMA had authorized individual assistance to homeowners in such area as a result of Hurricane Florence, Hurricane Michael or any other hurricane that impacts such related Mortgaged Property prior to the Closing Date and such Reference Obligation becomes delinquent and the related servicer reports that such Reference Obligation is in disaster forbearance before or in the Reporting Period related to the Premium Payment Date in April 2019.

Reference Obligations will not be removed from the Reference Pool if they undergo a temporary or permanent modification and they do not meet any other criteria above to be removed.

Each Reference Obligation required to be removed from the Reference Pool shall so be removed:

- (i) in the case of any Reference Obligation required to be removed pursuant to subitem (a) or (b) above, as of the Premium Payment Date related to the Reporting Period during which (a) or (b) above occurred with respect to such Reference Obligation, after giving effect to the payment of all Credit Protection Payments required to be paid on such Premium Payment Date; or
- (ii) in the case of any Reference Obligation required to be removed pursuant to subitem (c), (d), (e) or (f) above, as of the date in the related Reporting Period on which (c), (d), (e) or (f) above occurred with respect to such Reference Obligation.

No Reference Obligation will be removed from the Reference Pool solely as a result of the determination of a Minor Servicing Defect, and any such Reference Obligation will remain eligible to become subject to an Underwriting Defect or Major Servicing Defect

In the event that a Reference Obligation that was previously removed from the Reference Pool is discovered to have been removed in error, such Reference Obligation will be reinstated into the Reference Pool.

B. Reference Tranches

1. For purposes of this Policy, a hypothetical structure of six (6) Classes of Reference Tranches (the Class A, Class M-1, Class M-2, Class B-1, Class B-2 and Class B-3) (each, a "Reference Tranche") deemed to be backed by the Reference Pool, as set forth below, is used for calculations including for each Premium Payment Date any write-downs (or write-ups) on the Reference Tranches as a result of Credit Events (or reversals thereof) or Modification Events on the Reference Obligations. Pursuant to the hypothetical structure, the Class A Reference Tranche is senior to all the other Reference Tranches and therefore does not provide any credit enhancement to the other Reference Tranches. The Class M-1 Reference Tranche is subordinate to the Class A Reference Tranche and is senior to the Class M-2, Class B-1, Class B-2 and Class B-3 Reference Tranches. The Class M-2 Reference Tranche is subordinate to the Class A and Class M-1 Reference Tranches and is senior to the Class B-1, Class B-2 and Class B-3 Reference Tranches. The Class B-1 Reference Tranche is subordinate to the Class A, Class M-1, and Class M-2 Reference Tranches and is senior to the Class B-2 and Class B-3 Reference Tranches. The Class B-2 Reference Tranche is subordinate to the Class A, Class M-1, Class M-2 and Class B-1 Reference Tranches and is senior to the Class B-3 Reference Tranche. The Class B-3 Reference Tranche is subordinate to all the other Reference Tranches and therefore does not benefit from any credit enhancement. Each Class of Reference Tranche has a Class Notional Amount as of the Cut-off Date (*i.e.*, the "Initial Class Notional Amount") as indicated in its respective definition herein.
2. The "Class Notional Amount" of each Class of Reference Tranche as of any Premium Payment Date is a notional principal amount equal to:
 - a. the Initial Class Notional Amount of such Class of Reference Tranche, *minus*
 - b. the aggregate amount of Senior Reduction Amounts and/or Subordinate Reduction Amounts allocated to such Class of Reference Tranche on such Premium Payment Date and all prior Premium Payment Dates, *minus*
 - c. the aggregate amount of Tranche Write-down Amounts allocated to reduce the Class Notional Amount of such Class of Reference Tranche on such Premium Payment Date and on all prior Premium Payment Dates, *plus*
 - d. the aggregate amount of Tranche Write-up Amounts allocated to increase the Class Notional Amount of such Class of Reference Tranche on such Premium Payment Date and on all prior Premium Payment Dates.
 - e. For the avoidance of doubt, no Tranche Write-up Amount or Tranche Write-down Amount will be applied twice on the same Premium Payment Date.

3. For any Premium Payment Date and for purposes of making calculations with respect to the hypothetical structure and the Reference Tranches, the reporting periods (each, a "Reporting Period") will be:
 - a. in the case of all principal collections, other than full prepayments, on the Reference Obligations, the period from and including the 16th day of the second calendar month preceding the calendar month in which such Premium Payment Date occurs to and including the 15th day of the calendar month immediately preceding the calendar month in which such Premium Payment Date occurs;
 - b. in the case of full principal prepayments on the Reference Obligations, in the case of determining loan modifications, Underwriting Defects or Major Servicing Defects, and in the case of determining Credit Events resulting from short sales being settled, from charge-offs, from a seriously delinquent Mortgage Note being sold prior to foreclosure, from the Mortgaged Property that secured the related Mortgage Note being sold to a third-party at a foreclosure sale, or from an REO disposition, the period from but excluding the 2nd Business Day of the calendar month immediately preceding the calendar month in which such Premium Payment Date occurs to and including the 2nd Business Day of the calendar month in which such Premium Payment Date occurs; and
 - c. in the case of determining delinquency status with respect to each Reference Obligation, the last day of the second calendar month preceding the calendar month in which such Premium Payment Date occurs.
4. Allocation of Tranche Write-down Amounts to the Reference Tranches

On each Premium Payment Date on or prior to the Termination Date, the Tranche Write-down Amount, if any, for that Premium Payment Date, will be allocated, *first*, to reduce any Overcollateralization Amount for such Premium Payment Date, until such Overcollateralization Amount is reduced to zero, and, *second*, to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

- a. *first*, to the Class B-3 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- b. *second*, to the Class B-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- c. *third*, to the Class B-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date
- d. *fourth*, to the Class M-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- e. *fifth*, to the Class M-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date, and
- f. *sixth*, to the Class A Reference Tranche.

With respect to each Premium Payment Date, the Class Notional Amount for the Class A Reference Tranche will be increased by the excess, if any, of the Tranche Write-down Amount for such Premium Payment Date over the Credit Event Amount for such Premium Payment Date

5. Allocation of Tranche Write-up Amounts to the Reference Tranches

On each Premium Payment Date on or prior to the Termination Date, the Tranche Write-up Amount, if any, for such Premium Payment Date will be allocated to increase the Class Notional Amount of each Class of Reference Tranche in the following order of priority until the cumulative Tranche Write-up Amounts allocated to each such Class of Reference Tranche is equal to the cumulative Tranche Write-down Amounts previously allocated to such Class of Reference Tranche on or prior to such Premium Payment Date:

- a. *first*, to the Class A Reference Tranche,
- b. *second*, to the Class M-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- c. *third*, to the Class M-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- d. *fourth*, to the Class B-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
- e. *fifth*, to the Class B-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date, and
- f. *sixth*, to the Class B-3 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date.

To the extent that the Tranche Write-up Amount on any Premium Payment Date exceeds the Tranche Write-up Amount allocated on such Premium Payment Date pursuant to Articles VI(B)(5)(a) through (f), such excess (the "Write-up Excess") will be available as overcollateralization to offset any Tranche Write-down Amounts on future Premium Payment Dates prior to such Tranche Write-down Amounts being allocated to reduce the Class Notional Amounts of the Reference Tranches. On each Premium Payment Date, the "Overcollateralization Amount" equals (i) the aggregate amount of Write-up Excesses for such Premium Payment Date and all prior Premium Payment Dates, *minus* (ii) the aggregate amount of Write-up Excesses used to offset Tranche Write-down Amounts on all prior Premium Payment Dates. For the avoidance of doubt, the Overcollateralization Amount is intended to preserve a Tranche Write-up Amount that would result in the increase of a Reference Tranche above its Initial Class Notional Amount, but for the sole purpose of offsetting subsequent Tranche Write-down Amounts for that Reference Tranche. The Insured does not anticipate that Overcollateralization Amounts, if any, in this transaction will be significant.

6. Allocation of Senior Reduction Amount and Subordinate Reduction Amount to the Reference Tranches

- a. On each Premium Payment Date on or prior to the Termination Date, after allocation of the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Premium Payment Date as described above, the Senior Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:
 - i. *first*, to the Class A Reference Tranche,

- ii. *second*, to the Class M-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - iii. *third*, to the Class M-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - iv. *fourth*, to the Class B-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - v. *fifth*, to the Class B-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date, and
 - vi. *sixth*, to the Class B-3 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date.
- b. On each Premium Payment Date on or prior to the Termination Date, after allocation of the Senior Reduction Amount and the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Premium Payment Date as described above, the Subordinate Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:
- i. *first*, to the Class M-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - ii. *second*, to the Class M-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - iii. *third*, to the Class B-1 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - iv. *fourth*, to the Class B-2 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date,
 - v. *fifth*, to the Class B-3 Reference Tranche, based on its Class Notional Amount immediately prior to such Premium Payment Date, and
 - vi. *sixth*, to the Class A Reference Tranche.

C. Premium Payments and Catch-up Payment

2. With respect to the first Premium Payment Date and each Premium Payment Date thereafter, the Insured shall pay the Insurer a Premium in an amount that shall be calculated as the sum of subsections a. through c. as follows:

- a. For the Class M-1 Reference Tranche, the product of (i) the Class M-1 Reference Tranche Insured Percentage, (ii) the Class M-1 Annual Premium Rate, (iii) the Class Notional Amount of the Class M-1 Reference Tranche as of the immediately prior Premium Payment Date and (iv) the number of full calendar months between that Premium Payment Date and the immediately prior Premium Payment Date - divided by 12;
 - b. For the Class M-2 Reference Tranche, the product of (i) the Class M-2 Reference Tranche Insured Percentage, (ii) the Class M-2 Annual Premium Rate, (iii) the Class Notional Amount of the Class M-2 Reference Tranche as of the immediately prior Premium Payment Date and (iv) the number of full calendar months between that Premium Payment Date and the immediately prior Premium Payment Date divided by 12;
 - c. For the Class B-1 Reference Tranche, the product of (i) the Class B-1 Reference Tranche Insured Percentage, (ii) the Class B-1 Annual Premium Rate, (iii) the Class Notional Amount of the Class B-1 Reference Tranche as of the immediately prior Premium Payment Date and (iv) the number of full calendar months between that Premium Payment Date and the immediately prior Premium Payment Date divided by 12; and
 - d. For the Class B-2 Reference Tranche, the product of (i) the Class B-2 Reference Tranche Insured Percentage, (ii) the Class B-2 Annual Premium Rate, (iii) the Class Notional Amount of the Class B-2 Reference Tranche as of the immediately prior Premium Payment Date and (iv) the number of full calendar months between that Premium Payment Date and the immediately prior Premium Payment Date divided by 12.
3. The Insured shall pay the Premium to the Insurer within twenty (20) Business Days following the Premium Payment Date of each month beginning in February 25, 2019.

VII. GENERAL CONDITIONS

- A. Dispute Resolution; Venue. Any dispute arising out of or in connection with this Policy shall be settled in a proceeding brought in the United States District Court for the Eastern District of Virginia. Each of the Insurer and the Insured irrevocably submits to the personal and in rem jurisdiction and venue of that Court for the Eastern District of Virginia for the purposes thereof and expressly waives any claim of lack of personal jurisdiction and improper venue and any claim that any such court is an inconvenient forum. The Insured and the Insurer hereby irrevocably consent to the service of process in such court in any such suit, action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to the address provided to the parties in accordance with the Declarations Page of this Policy, such service to become effective ten (10) calendar days after such mailing. It is further agreed that service of process in any suit instituted against the Insurer or the Insured will be made upon the other party and that in any such suit the parties will abide by the final decision of such Virginia court, including any appellate court in the event of an appeal. Any award of money damages in such proceeding shall be consistent with the Policy Limit of Liability.
- B. Assignment, Novation, or Transfer. This Policy will be binding upon and inure to the benefit of the Insured and the Insurer and their respective successors and assigns; provided, however, that, subject to Article VII(D), this Policy may not be assigned, novated, or transferred, including any attempted transfer of rights and/or obligations under any U.S. or non-U.S. statute, legislation, or jurisprudence, by either the Insured or the Insurer, or as the result of the actions of a parent company or an affiliated entity of either, without the prior written consent of the other party and the Reinsurer. In the event of any assignment or transfer, the assignor or transferor will remain

liable under this Policy and further guarantees the performance of all obligations of any assignee or transferee under this Policy. Notwithstanding the foregoing, neither the Insurer's nor the Reinsurer's consent shall be required with respect to any merger, acquisition, consolidation or other similar transaction undertaken by any Governmental Entity involving the Insured, and any such transaction shall not impact the coverage provided to the Insured under this Policy.

C. Cancellation.

1. The Insured may cancel this Policy on a cut-off basis, effective as of the Premium Payment Date of the month in which the cancellation notice is sent, upon the occurrence of any of the following:
 - a. an insurance regulatory authority of a state of the United States or any other Governmental Entity (other than the Federal Housing Finance Agency) orders the Insurer to cease writing business or has imposed upon it any other restrictions on or conditions relating to the Insurer's license or conduct of business in any jurisdiction, and such restriction or condition applies to the business covered under this Policy;
 - b. the Insurer is placed into receivership or liquidation (whether voluntary or involuntary), or there are instituted against it proceedings for the appointment of a receiver, liquidator, rehabilitator, conservator, trustee in bankruptcy, or other agent known by whatever name, to take possession of its assets or control of its operations, or is declared insolvent by a regulatory authority with jurisdiction over the Insurer;
 - c. the Insurer announces intentions to cease all underwriting operations;
 - d. the Insurer voluntarily ceases all underwriting operations;
 - e. following any assignment, novation, or transfer of the Insurer's rights and/or obligations under this Policy without the consent of the Insured, including any such assignment, novation, or transfer imposed by any court or by any U.S. or non-U.S. statute, legislation, or jurisprudence;
 - f. the Insurer, directly or through the actions of a parent company or an affiliated entity, invokes any U.S. or non-U.S. statute, legislation, or jurisprudence which purports to enable the Insurer to require the Insured to settle its liabilities, including any estimated or undetermined claims liabilities under this Policy, on an accelerated basis; provided, however, that this condition does not apply to any attempt to enforce a settlement of liabilities under a commutation process to which the parties have agreed;
 - g. the Insurer has hired an unaffiliated run-off claims manager for the business covered hereunder that is compensated on a contingent basis or is otherwise provided with financial incentives based on the quantum of claims paid; or
 - h. upon a breach by the Insurer of any representations and warranties provided to the Insured in this Policy or a breach by the Insurer of any of its material obligations under this Policy.

The Insured shall give written notice to the Insurer stating the grounds for such action and when the cancellation shall be effective; provided, however, that in the event that the Insured intends to cancel this Policy pursuant to Article VII(C)(1)(h) based upon a breach by the Insurer of any representations and warranties provided to the Insured in this Policy or a breach by the Insurer of any of its material obligations under this Policy, (x) the Insured shall notify the Insurer in writing, and (y) the Insurer shall have thirty (30) calendar days following the date on which the Insurer receives such notice to cure such breach, and if the Insurer fails to cure such breach within such thirty (30) day period, then this Policy shall terminate effective as of the end of such thirty (30) day period; provided, further, that in the event that the Insured intends to cancel this Policy pursuant to Article VII(C)(1), prior to such cancellation taking effect, the Insured and the Insurer shall cooperate in good faith and use

reasonable efforts to novate this Policy from the Insurer to another insurer selected by the Insured.

For the avoidance of doubt, pursuant to a cut-off cancellation, the Insurer shall receive Premium and will process any Claim filed for a Loss that is attributed to the Payment Date Statement associated with the Premium Payment Date in the month in which the Insured submits a cancellation notice to the Insurer, and the Insurer shall have no additional or outstanding obligations to the Insured following satisfaction of all Claims for Losses attributable to such Premium Payment Date.

2. Without derogating from the generality of Article VII(C)(1), the Insured may also cancel this Policy in its entirety if it determines at any time that the Insurer, any of its Principal Shareholders or its direct or indirect subsidiaries, any director or officer of the Insurer or any of its Principal Shareholders or any of their direct or indirect subsidiaries, or any employee, agent, or affiliate of the Insurer or any of its Principal Shareholders or its direct or indirect subsidiaries is a Covered Person that is, or is owned or controlled by a Covered Person that is, (i) the target of any Sanctions, or (ii) located, organized, or resident in any country or territory that is, or whose government is, the target of Sanctions. The Insured shall give written notice to the Insurer stating the grounds for such action and when the cancellation shall be effective.
3. The Insured may also cancel this Policy in its entirety at any time in its sole discretion by its exercise of the Early Call Option upon the provision of sixty (60) days' prior written notice to the Insurer, in which event the Insured shall pay the Insurer the Early Call Option Fee within twenty (20) Business Days of its exercise of the Early Call Option. Once the Insured provides written notice in accordance with the Early Call Option in the preceding sentence, the Insured shall not be permitted to revoke its election to exercise the Early Call Option. Cancellation shall be effective as of the Premium Payment Date that is forty-eight (48) months after the Effective Date. The Insured may also cancel this Policy in its entirety, in its sole discretion, by providing written notice to the Insurer in the event that, at any time, the sum of the Class Notional Amounts of the Class A Reference Tranche, the Class M-1 Reference Tranche, the Class M-2 Reference Tranche, the Class B-1 Reference Tranche, the Class B-2 Reference Tranche and the Class B-3 Reference Tranche is less than 10% of the sum of the Initial Class Notional Amounts of the Class A Reference Tranche, the Class M-1 Reference Tranche, the Class M-2 Reference Tranche, the Class B-1 Reference Tranche, the Class B-2 Reference Tranche and the Class B-3 Reference Tranche. Such cancellation shall be effective as of the next Premium Payment Date following such notice.
4. In the event that the Class Notional Amount (without giving effect to any allocations of Tranche Write-down Amounts or Tranche Write-up Amounts on such Premium Payment Date and all prior Premium Payment Dates) on the Class M-1, Class M-2, Class B-1 or Class B-2 Reference Tranches becomes zero (\$0) only with respect to either the Class M-1 or Class M-2 or Class B-1 or Class B-2 Reference Tranche, then the coverage under the Policy shall only be canceled with respect to that Reference Tranche with respect to which the Class Notional Amount becomes zero (\$0) as of that Premium Payment Date, as applicable, but the coverage shall remain in place for the other Insured Tranche(s).
5. No cancellation of this Policy is permitted by the Insurer, except in the event of non-payment of Premium, without prejudice to the Insurer's right to retain the Premium earned to the date of such termination or the parties' rights under Article V(E).
6. This Policy may be cancelled by the Insurer in the event of non-payment of Premium by the Insured by sending written notice to the Insured stating when, not less than thirty (30) days thereafter, the cancellation shall be effective. Confirmation by the relevant courier of delivery of such notice shall be sufficient proof of notice and the effective date of cancellation stated in the notice shall become the Termination Date, unless payment of the Premium is received by

the Insurer prior to this specified date of cancellation, in which case this Policy shall continue in full force and effect.

7. This Policy shall cancel automatically in the event the Quota Share Contract is terminated with respect to all Reinsurers, effective as of the termination date of the Quota Share Contract.
 8. Cancellation in accordance with this Article VII(C) shall not prejudice any rights of or remedies available at law or in equity to the Insured or the Insurer existing prior to or on the effective date of such cancellation, including, but not limited to, the Insured's right to withhold Premium payment once it forms a reasonable belief that any Insurer representation or warranty has been breached.
 9. The Insurer shall notify the Insured in writing within five (5) days following the occurrence of any of the circumstances described in Article VII(C)(1) or (2).
- D. Insolvency of Insured. In the event of an insolvency of the Insured, and the appointment of a receiver, liquidator, administrator, trustee in bankruptcy or other Person to administer the estate of the Insured as a consequence of an insolvency, or appointment of a statutory successor to the Insured, the coverage afforded by this Policy shall be payable by the Insurer directly to such receiver, liquidator, administrator, trustee in bankruptcy or other Person appointed to administer the estate of the Insured as a consequence of insolvency, or such statutory successor, on the basis of the liability of the Insurer as provided in this Policy and without diminution because of the insolvency. No insolvency of the Insured and no act of any conservator, receiver, liquidator, administrator, trustee in bankruptcy or other Person administering the estate of the Insured as a consequence of an insolvency, or of any statutory successor, shall cause any liability of the Insurer hereunder to become due earlier or for a higher amount than would have been the case if such insolvency had not occurred or if such act had not been committed.
- E. Changes. After issuance of this Policy, the Insured and the Insurer agree not to change any terms of this Policy or the exhibits and schedules thereto, unless agreed to by the Insured and the Insurer and attached to this Policy by written endorsement thereto.
- F. Acceleration. The Insurer's liability to pay, or cause the Reinsurer to pay, a Covered Amount to the Insured shall be based only on the original Premium Payment Dates as set forth in this Policy. Any acceleration of the Premium Payment Dates shall not give rise to a corresponding acceleration of the Insurer's obligation to pay, or cause the Reinsurer to pay, Covered Amounts hereunder, except as provided in Article VII(U).
- G. Interpretation. All headings in this Policy are for convenience only and shall not be used in interpreting the language of this Policy.
- H. Notice and Communications. All notices to the Insurer under any provision of this Policy shall be sent by electronic mail to the e-mail address indicated in Item 2 of the Declarations, with a copy of each such notice sent in writing and given by prepaid express courier, certified mail or fax, to the place and/or fax number indicated in Item 2 of the Declarations.

All notices to the Insured under any provision of this Policy shall be in writing and given by prepaid express courier, certified mail or fax, to the place and/or the fax number indicated in Item 1 of the Declarations.

Notice given as described above shall be deemed to be received and effective upon actual receipt thereof by the addressee or any Business Day following the date such notice is sent, whichever is earlier.

Notwithstanding the above, Proofs of Loss under this Policy shall be sent by electronic mail, prepaid express courier, certified mail or fax to the Insurer at the above address.

- I. Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Policy shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.
- J. Other Insurance. If the Insured has any bond or policy of insurance which would cover a Loss in whole or in part in the absence of this Policy, then such other coverage shall be primary to that afforded under this Policy, which shall apply according to its terms after the limit for that bond or policy for that Claim has been exhausted. For the avoidance of doubt, coverage under this Policy does not constitute duplicate insurance with respect to any mortgage guaranty or hazard insurance, but this excess coverage provision shall apply in the event that it is ever so construed.
- K. Premium and Tax Reporting; Early Call Option Fee; U.S. Foreign Account Tax Compliance Act ("FATCA"). The Premium and any Early Call Option Fee amount(s) specified in Items 9 and 12 of the Declarations respectively are due and payable as specified in Items 9 and 12 of the Declarations. The Premium payable upon issuance of this Policy and payable upon each Premium Payment Date is non-refundable.

The Insurer shall be responsible for filing any excise tax returns and paying any excise taxes due on any Premiums and on any Early Call Option Fee. Notwithstanding any provision in this Policy to the contrary:

- 1. All Premium and any Early Call Option Fee paid shall be subject to any withholding or deduction imposed on such Premium and any Early Call Option Fee payment pursuant to or on account of FATCA, and no additional payment shall be required from the Insured, nor any Premium and any Early Call Option Fee payment be increased on account of any such withholding or deduction. Except as provided in Article VII(K)(2), the Insured shall not be required to indemnify the Insurer or any Reinsurer on account of any loss, liability or cost imposed as a result of or otherwise arising from such withholding or deduction relating to FATCA.
- 2. If the Insured is required to make any deduction or withholding pursuant to or on account of FATCA and the Insured does not so deduct or withhold and a liability resulting from such failure to withhold or deduct is assessed directly against the Insured, then the Insurer will indemnify the Insured therefor and promptly pay to the Insured the amount of such liability. The Insurer's indemnification obligation hereunder shall include any related liability for interest and shall include any related liability for penalties.
- 3. Any representation or warranty made by the Insurer with respect to any withholding or deduction being or not being applicable to Premium payments and the Early Call Option Fee hereunder shall be deemed not to be made in respect of any withholding or deduction imposed pursuant to or on account of FATCA.
- 4. Upon execution of this Policy, the Insurer agrees to deliver to the Insured IRS Form W-9 or applicable IRS Form W-8. In addition, the Insurer agrees to deliver any forms or documentation or information reasonably requested in writing by the Insured in order for the Insured to comply with its obligations under FATCA with respect to this Policy, including, for the avoidance of doubt, any document establishing the Insurer's status under FATCA and any waiver that may be required to permit reporting of any "financial account" as defined under FATCA. The Insurer agrees to provide an updated and applicable IRS Form W-9 or W-8 upon (a) a reasonable demand by the Insured, (b) a

change in circumstances or (c) learning that any such form or document previously provided has become obsolete, incorrect or ineffective.

5. The Insurer will provide to the Insured, as applicable, U.S. IRS tax forms W-9 and/or W-8 from each Reinsurer upon (a) execution of this Policy, (b) a reasonable demand by the Insured, (c) a change in circumstances or (d) learning that any such form or document previously provided has become obsolete, incorrect or ineffective.
- L. No Confidentiality. Either party may (1) disclose, publish or otherwise make a redacted version of this Policy publicly available without the consent of the other party; provided, however, that the Insured shall determine, in its sole discretion, which information must be redacted from this Policy prior to this Policy being made publicly available, and (2) disclose, without limitation of any kind, the tax treatment and tax structure relating to this Policy, any fact that may be relevant to understanding the tax treatment or structure of this Policy, and all materials of any kind relating to such tax treatment or structure that may be relevant to understanding such tax treatment or structure.
- M. Public Announcements. The party drafting any news release or other public announcement or communication shall provide the other party reasonable advance notice and reasonable time to review and comment upon a draft of such news release or other public announcement or communication; provided, however, that prior to disclosure of this Policy as permitted under Article VII(L), this Article VII(M) shall not apply to a news release or other public announcement or communication that refers to this Policy in an incidental manner and does not include any material details regarding this Policy or the parties hereto.
- N. Governing Law. This Policy and any dispute, controversy or claim arising out of or relating to this Policy (except with respect to the Trust Agreement or insolvency of the Insurer), shall be governed by Delaware law. The parties (i) acknowledge that they have selected Delaware law to promote the parties' mutual commercial goals and (ii) waive the application of non-Delaware law notwithstanding that the effect of provisions of this Policy under Delaware law may be inconsistent with the effect of such provisions under the law or public policy of another jurisdiction. For the avoidance of doubt, (a) any dispute, controversy or claim directly related to the Trust Agreement shall be governed by the terms and conditions of the Trust Agreement, including the choice of law provision set forth therein, and (b) the insolvency of the Insurer will be governed by the Applicable Law in the Insurer's Jurisdiction.
- O. Severability. Each of the provisions of this Policy are severable and distinct from the others, and if at any time one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Policy shall not in any way be affected or impaired thereby.
- P. Remedies Cumulative. All rights and remedies with respect to this Policy are cumulative and not exclusive, and the exercise by any party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the parties or otherwise.
- Q. Counterparts. This Policy may be in any number of counterparts and signed by each party on separate counterparts, each of which, when so executed shall be deemed to be an original, and all such counterparts shall constitute but one and the same instrument. The exchange of copies of this Policy and of signature pages by facsimile transmission or electronic mail shall constitute effective execution and delivery of this Policy as to the parties and may be used in lieu of the original for all purposes. Signatures of parties transmitted by facsimile or electronic mail shall be deemed to be their original signatures for any purpose whatsoever.
- R. Third Party Beneficiaries. The Reinsurer is the only express intended third-party beneficiary of this Policy solely for purposes of enforcing its rights under Article II and Articles VII(B) and (U).

Except as expressly provided herein, this Policy is made solely for the benefit of the Parties hereto. Subject to the foregoing, no provision of this Policy, whether express or implied, is intended to or shall confer on any Person other than the Parties any right, benefit, interest or remedy of any nature whatsoever under or by reason of this Policy. For the avoidance of doubt, no primary mortgage insurer shall under any circumstances be a third party beneficiary under this Policy.

- S. Entire Agreement. This Policy (including all exhibits and schedules hereto) constitutes the entire agreement between the Insured and the Insurer, and supersedes all prior agreements and understandings, both written and oral, among the Insured and the Insurer with respect to the subject matter of this Policy and the coverage provided hereunder.
- T. Quota Share Contract. The Quota Share Contract shall include provisions substantially similar to the provisions of this Article VII (A), (B), (C)(1), (D), (E), (I), (M), (N), (O), (P) and (Q).
- U. Reinsurer Insolvency.

1. In the event any Reinsurer is placed into receivership or liquidation (whether voluntary or involuntary), or there are instituted against it proceedings for the appointment of a receiver, liquidator, rehabilitator, conservator, trustee in bankruptcy, or other agent known by whatever name, to take possession of its assets or control of its operations, or is declared insolvent by a regulatory authority with jurisdiction over such Reinsurer (any such event, an "Insolvency Event"), and such Reinsurer's quota share participation under the Quota Share Contract is cancelled pursuant to the terms of the Quota Share Contract or is otherwise cancelled or rejected following such Insolvency Event, then the Insured shall calculate the Terminal Settlement Amount with respect to such Reinsurer in accordance with Schedule 1 and provide notice of such Terminal Settlement Amount to the Insurer and such Reinsurer. If such Terminal Settlement Amount is positive, then the Insurer shall pay, or cause such Reinsurer to pay, to the Insured such Terminal Settlement Amount. If such Terminal Settlement Amount is negative, then the Insured shall pay to the Insurer an amount equal to the absolute value of such Terminal Settlement Amount. Such Terminal Settlement Amount (or the absolute value thereof, as applicable) shall be paid by the applicable party to the other party on the later of (i) the Premium Payment Date of the month in which such Insolvency Event occurred and (ii) ten (10) Business Days following the Insurer's receipt of notice of such Terminal Settlement Amount. The parties hereby agree that (a) such Terminal Settlement Amount is a fair and reasonable estimate of the difference in payments each party would have been entitled to receive in a stress scenario during the period from but excluding the date on which such Reinsurer's quota share participation in the Quota Share Contract is terminated through and including the Maturity Date had such Reinsurer's quota share participation in the Quota Share Contract not been cancelled or rejected following the occurrence of an Insolvency Event, (b) such Terminal Settlement Amount is based on estimates derived from methodologies mutually agreed to by the parties, and in recognition that the Insured may not be able to obtain insurance coverage substantially similar to the coverage provided by such Reinsurer under the Quota Share Contract or the same amount of Premiums paid to such Reinsurer under the Quota Share Contract in the event an Insolvency Event occurs prior to the Maturity Date and such Reinsurer's quota share participation in the Quota Share Contract is cancelled or rejected, (c) such Terminal Settlement Amount is not intended to act as a penalty on any party and (d) the right of the applicable party to receive such Terminal Settlement Amount (or the absolute value thereof, as applicable) shall be vested and fully matured on the date on which the Insolvency Event occurred. If such Terminal Settlement Amount is positive, then the Insured shall have the right to withdraw Assets from the Trust Account established by such Reinsurer to pay the Insured such Terminal Settlement Amount to the extent the Insured does not receive the Terminal Settlement Amount when due under this Article

VII(U). For the avoidance of doubt, if the Terminal Settlement Amount is zero, then no payment shall be made by either the Insured or the Insurer.

2. If a Terminal Settlement Amount (or the absolute value thereof, as applicable) becomes payable pursuant to subparagraph (1) above, then the Insured shall calculate the True-Up Amount in accordance with Schedule 2 and provide notice of the True-Up Amount to the Insurer and the applicable Reinsurer within ten (10) Business Days following the Maturity Date. If the True-Up Amount is positive, then the Insured shall pay to the Insurer an amount equal to such True-Up Amount within ten (10) Business Days following the delivery by the Insured of notice of the True-Up Amount. If the True-Up Amount is negative, then the Insurer shall pay, or cause the applicable Reinsurer (or the Reinsurer's estate) to pay, to the Insured an amount equal to the absolute value of such True-Up Amount within ten (10) Business Days following the Insurer's receipt of notice of the True-Up Amount.
3. Article VII(U) shall survive the termination of this Policy until the obligations of the applicable party hereunder are satisfied.
4. If a Reinsurer's participation under the Quota Share Contract is automatically cancelled or is otherwise cancelled or rejected following an Insolvency Event with respect to such Reinsurer and (i) the Terminal Settlement Amount related to such Insolvency Event is positive and the Insured receives such Terminal Settlement Amount and is permitted to retain such Terminal Settlement Amount or (ii) such Terminal Settlement Amount is negative, then (a) the Policy Limit of Liability under this Policy shall be reduced by an amount equal to such Reinsurer's quota share of such Policy Limit of Liability under the Contract and (b) the Premium payable by the Insured under this Policy shall be reduced by an amount equal to such Reinsurer's quota share of such Premium under the Contract, both in accordance with Schedule 3.
5. If a Reinsurer's participation under the Quota Share Contract is automatically cancelled or is otherwise cancelled or rejected following an Insolvency Event with respect to such Reinsurer and the Terminal Settlement Amount related to such Insolvency Event is positive and the Insured does not receive such Terminal Settlement Amount or is not permitted to retain such Terminal Settlement Amount, then (i) no change shall be made to the Policy Limit of Liability in this Policy, (ii) the collateral in the Trust Account established by such Reinsurer shall remain available to pay actual future Covered Amounts of the Insurer payable to the Insured as they arise hereunder and (iii) such Reinsurer's quota share of the Premium payable under this Policy shall be recalculated to reflect coverage up to only the value of the assets then-remaining in the Trust Account established by such Reinsurer.

With respect to each Premium Payment Date, the Class Notional Amount for the Class A Reference Tranche will be increased by the excess, if any, of the Tranche Write-down Amount for such Premium Payment Date over the Credit Event Amount for such Premium Payment Date.
120. "Tranche Write-up Amount" means, with respect to each Premium Payment Date, the excess, if any, of the Principal Recovery Amount for such Premium Payment Date over the Principal Loss Amount for such Premium Payment Date.
121. "True-Up Amount" has the meaning set forth in Schedule 2.
122. "Trust Account" means the trust account established and maintained for the sole benefit of the beneficiary thereunder in order to secure performance of Reinsurers' obligations hereunder, pursuant to the terms of the Trust Agreement.
123. "Trust Agreement" means the trust agreement, which is comprised of the base trust agreement and its respective Trust Supplement, to be established with Eligible Assets within thirty (30) calendar days after the Effective Date among the Reinsurer, as the grantor, the Insured, as the beneficiary, and the Bank of New York, as the trustee.
124. "Trust Supplement" has the meaning set forth in the base trust agreement.
125. "Unconfirmed Servicing Defect" means with respect to any Reference Obligation, the existence of the following, as determined by the Insured in its sole discretion:
- a. there is a violation of the servicing guidelines and other requirements in the Guide (as modified by the terms of the related servicer's contract, including any related TOBs); and

- b. the Insured has issued a notice of defect, repurchase letter or a repurchase alternative letter related to the servicing breach.

For the avoidance of doubt, Reference Obligations with minor technical violations, which in each case the Insured determines to be acceptable Reference Obligations, may not result in an Unconfirmed Servicing Defect.

126. "Unconfirmed Underwriting Defect" means with respect to any Reference Obligation, the existence of the following, as determined by the Insured in its sole discretion: (i) there is a material violation of the underwriting guidelines and other requirements in the Guide (as modified by the terms of the related seller's contract, including any related TOBs) with respect to such Reference Obligation, (ii) as of the origination date such Reference Obligation was secured by collateral that was inadequate or (iii) as of the origination date repayment in full on such Reference Obligation from the related Mortgagor could not be expected. For the avoidance of doubt, any Reference Obligation with minor technical violations or missing documentation, which in each case the Insured determines to be an acceptable Reference Obligation, will not result in an Unconfirmed Underwriting Defect.

127. "Underwriting Defect" means with respect to any Premium Payment Date and any Reference Obligation for which the Insured has determined the existence of an Unconfirmed Underwriting Defect, the occurrence of any of the following: (i) such Reference Obligation is repurchased by the related seller or servicer during the related Reporting Period, (ii) in lieu of repurchase, an alternative remedy (such as indemnification) is mutually agreed upon by both the Insured and the related seller or servicer during the related Reporting Period, (iii) the Insured in its sole discretion elects to waive the enforcement of a remedy against the seller or servicer in respect of such Unconfirmed Underwriting Defect during the related Reporting Period, or (iv) the party responsible for the representations and warranties and/or servicing obligations or liabilities with respect to the Reference Obligation becomes subject to a bankruptcy, insolvency proceeding or a receivership. For the avoidance of doubt, if, through the Insured's quality control process, a loan were discovered to have an Underwriting Defect and the seller of the loan were declared insolvent or bankrupt; then one of the two things will happen depending upon whether or not the loan has suffered a Credit Event: (a) should the loan have suffered a Credit Event, then such Credit Event will be reversed through the Claim Refund process set forth in Article II(H); or (b) should the loan have not suffered a Credit Event, then it will be removed pursuant to Reference Pool Removal and the UPB of the loan will be treated as Unscheduled Principal.

128. "Unscheduled Principal" means, with respect to any Premium Payment Date, the sum of:

- a. all partial principal prepayments on the Reference Obligations collected during the related Reporting Period, *plus*
- b. the aggregate UPB of all Reference Obligations that became Reference Pool Removals during the related Reporting Period other than Credit Event Reference Obligations or any Reversed Credit Event Reference Obligations, *plus*
- c. the absolute value of any negative adjustments in the UPB of all Reference Obligations as the result of loan modifications or data corrections, *minus*
- d. the value of any positive adjustments in the UPB of all Reference Obligations as the result of loan modifications, reinstatements into the Reference Pool of Reference Obligations that were previously removed from the Reference Pool in error, or data corrections.

In the event the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above, the Unscheduled Principal for the applicable Premium Payment Date will be zero, and the Class Notional Amount for the Class A Reference Tranche will be increased by the amount that the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above. In the event that the Class Notional Amount for the Class A Reference Tranche is so increased as described in the prior sentence, this would have the effect of

increasing the Senior Percentage and correspondingly reducing the Subordinate Percentage, which would have a negative impact on the Reference Tranches in respect of the calculations of the Senior Reduction Amount and the Subordinate Reduction Amount, as described above. In the event that the Insured were to ever employ a policy that permitted or required principal forgiveness as a loss mitigation alternative that would be applicable to the Reference Obligations, any principal that may be forgiven with respect to a Reference Obligation will be treated as a negative adjustment in UPB of such Reference Obligation pursuant to clause (c) above. In addition, while principal modifications that result in a negative adjustment in the UPB of a Reference Obligation will initially result in an unscheduled principal payment being made to the Reference Tranches, if such Reference Obligation subsequently becomes a Credit Event Reference Obligation, such principal reduction will be allocated as a loss and possibly result in a Tranche Write-down Amount.

129. "UPB" means, with respect to any Mortgage Loan and as of any date, the unpaid principal balance of such Mortgage Loan as of such date.

130. "Write-up Excess" has the meaning set forth in Article VI(B)(5).

IN WITNESS HEREOF, each of the Insurer and Insured has caused this Policy to be executed on its behalf and signed in the Declarations by its duly authorized representative.

SCHEDULE 1

TERMINAL SETTLEMENT AMOUNT CALCULATION

The "Terminal Settlement Amount" shall be an amount calculated as follows:

1. Future Modeled Loss Amount calculation
 - a. Evaluate the delinquency profile of the Reference Pool based on the Payment Date Statement as of the month in which the Insolvency Event occurred, such that all Reference Obligations' status (Current, Delinquent up to 90 days, Delinquent 91 to 180 days, Delinquent 181 to 360 days, Delinquent more than 360 days) (the "Reference Pool Status") are identified and the respective UPB of each category of Reference Pool Status is aggregated respectively (the "Reference Pool Status UPB").
 - b. Obtain the probability of default (the "Default Probability") value from the Schedule 1A table for each category of Reference Pool Status.
 - c. Obtain the loss given default multiplier (the "Loss Given Default") that applies to each category of Reference Pool Status based on Schedule 1A.
 - d. Calculate the "Gross Future Modeled Loss Amount," which is the sum of the following product for each of the five (5) categories of Reference Pool Status: (i) the applicable Reference Pool Status UPB, (ii) the applicable Default Probability and (iii) the applicable Loss Given Default.
 - e. Allocate the Gross Future Modeled Loss Amount to the then-remaining Class Notional Amount as of such date for each Reference Tranche (up to the outstanding UPB of each such Reference Tranche), starting with the most subordinate Reference Tranche until the Gross Future Modeled Loss Amount is reduced to zero (0) (with respect to each Reference Tranche, the "Gross Insured Tranche Modeled Loss").
 - f. Calculate the "Future Modeled Loss Amount," which is the sum of the following product for each Reference Tranche: (i) the applicable Gross Insured Tranche Modeled Loss, (ii) the applicable Insured Percentage of the Insurer and (iii) the applicable Reinsurer's Insured Percentage from the applicable I&L Agreement.
2. Future Premium calculation
 - a. For each Insured Tranche, obtain the "Future Premium Multiplier" from Schedule 1A.
 - b. For each Insured Tranche, obtain the Premium paid to the applicable Reinsurer on the Premium Payment Date as of the month in which the Insolvency Event occurred and multiply it by the applicable Future Premium Multiplier to generate the "Tranche Future Premium."
 - c. Add the Tranche Future Premium with respect to each respective Insured Tranche together to generate the "Future Premium."
3. Terminal Settlement Amount calculation
 - a. Obtain the "Terminal Settlement Amount" by subtracting the Future Premium from the Future Modeled Loss Amount.

SCHEDULE 2

TRUE-UP AMOUNT CALCULATION

The "True-Up Amount" shall be an amount equal to:

- (i) if the Terminal Settlement Amount is zero or positive, (x) the Terminal Settlement Amount actually paid by the applicable Reinsurer (or such Reinsurer's estate) and permitted to be retained by the Insured, minus (y) the result of the actual Losses that would have been payable by such Reinsurer under the Quota Share Contract during the period from but excluding the date on which such Reinsurer's quota share participation in the Quota Share Contract terminated through and including the Maturity Date, minus the actual Premium that would have been payable to such Reinsurer under the Quota Share Contract during the period from but excluding the date on which such Reinsurer's quota share participation in the Quota Share Contract terminated through and including the Maturity Date, in each case, assuming such Reinsurer's quota share participation in the Quota Share Contract was not terminated prior to the Maturity Date (the result of the calculation in clause (y), the "Actual Net Loss"); or
- (ii) if the Terminal Settlement Amount is negative, (x) the Terminal Settlement Amount, minus (y) the Actual Net Loss.

For the avoidance of doubt, and purely as examples:

- a. if the Terminal Settlement Amount paid by the Reinsurer (or the Reinsurer's estate) and permitted to be retained by the Insured was \$20 million, and the Actual Net Loss amount is \$35 million, then the Reinsurer (or the Reinsurer's estate) shall pay the Insured \$15 million;
- b. if the Terminal Settlement Amount paid by the Reinsurer (or the Reinsurer's estate) and permitted to be retained by the Insured was \$20 million, and the Actual Net Loss amount is \$5 million, then the Insured shall pay the Reinsurer (or the Reinsurer's estate) \$15 million;
- c. if the Terminal Settlement Amount was -\$20 million, and the Actual Net Loss amount is -\$35 million, then the Insured shall pay the Reinsurer (or the Reinsurer's estate) \$15 million; or
- d. if the Terminal Settlement Amount was -\$20 million, and the Actual Net Loss amount is -\$5 million, then the Reinsurer (or the Reinsurer's estate) shall pay the Insured \$15 million.

SCHEDULE 3

POLICY LIMIT OF LIABILITY RECALCULATION

For the avoidance of doubt, and purely as an example of the Policy Limit of Liability reduction for each Reference Tranche, if the Policy Limit of Liability for a Reference Tranche is \$120 million, the Insured Percentage is 60.00%, and there are four (4) Reinsurers with the following allocations: Reinsurer A has a 20% allocation, Reinsurer B has a 30% allocation, Reinsurer C has a 40% allocation, and Reinsurer D has a 10% allocation, and Reinsurer A suffers an Insolvency Event, and if the Terminal Settlement Amount is either (i) positive and is received and permitted to be retained by the Insured or (ii) negative, then the revision to the Policy Limit of Liability and the impacted attributes shall be calculated as follows:

1. Calculate the product of the Reference Tranche Policy Limit of Liability and the Insured Percentage ($\$120M \times 60.00\% = \$72M$) (the "Insurer's Reference Tranche Limit");
2. Calculate the product of the Insurer's Reference Tranche Limit and the Reinsurer A allocation ($\$72M \times 20.00\% = \$14.4M$) (the "Reinsurer's Reference Tranche Limit"). The reduction in the Policy Limit of Liability will be equal to the Reinsurer's Reference Tranche Limit (\$14.4M);
3. Subtract the Reinsurer's Reference Tranche Limit from the Insurer's Reference Tranche Limit ($\$72M - \$14.4M = \$57.6M$) (the "Revised Insurer's Reference Tranche Limit");
4. Calculate the quotient of the Revised Insurer's Reference Tranche Limit and the Reference Tranche Policy Limit of Liability ($\$57.6M / \$120M = 48.00\%$) (the "Revised Insured Percentage"); and
5. For the remaining Reinsurers, calculate the quotient of (i) the product of the Insurer's Reference Tranche Limit and the applicable Reinsurer's allocation (e.g. for Reinsurer B, $\$72M \times 30.00\% = \$21.6M$) and (ii) the Revised Insurer's Reference Tranche Limit ($\$21.6M / \$57.6M = 37.5\%$) (such quotient, the "Revised Reinsurer Allocation")

For future Premium Payment Dates following the Insolvency Event, the Insured will use the Revised Insurer's Reference Tranche Limit, the Revised Insured Percentage, and the Revised Reinsurer Allocation for the allocation of all Covered Amounts and Premiums. The recalculated numbers will be set forth on a schedule substantially in the form of Schedule 4 (the "Revised Annex 1") as prepared by the Insured for the Insurer to distribute to each Reinsurer on the Premium Payment Date following the Insolvency Event, and a Revised Reinsurer Allocation(s) will be set forth on Exhibit D of the I&L Agreement for each Reinsurer, which will be provided on the Premium Payment Date following the Insolvency Event to amend and accordingly reflect each Reinsurer's revised percentage share(s).
