The Exchange Administrator shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its responsibilities under this Agreement and that in its opinion may involve it in any expense or liability. The obligations of Issuer under this Section 7(a)(i) shall survive the termination of this Agreement, including any termination of this Agreement pursuant to any applicable bankruptcy or insolvency law.

(ii) Documents. The Exchange Administrator shall be protected and shall incur no liability for or in respect of any action taken, omitted to be taken or anything suffered by it in reliance upon any Exchangeable Note, notice, direction, consent, certificate, affidavit, statement or other paper or document (including facsimile or electronic mail transmission) reasonably believed by it to be genuine and to have been signed or submitted by the proper parties.

The Exchange Administrator may conclusively rely and shall be fully protected in its reliance upon instructions which shall include any instructions given or confirmed in writing by facsimile or through a time-sharing terminal given by a Noteholder or the Issuer pursuant to this Agreement which the Exchange Administrator believes in good faith to have been given by an Authorized Officer.

(iii) No Liability for Invalidity. The representations of Issuer contained herein, in the Debt Agreement and in the Offering Circular shall be taken as the statements of Issuer, and the Exchange Administrator assumes no responsibility for the correctness of the same. The Exchange Administrator makes no representation as to the validity or sufficiency of this Agreement or the Exchangeable Notes except for the Exchange Administrator's due authorization to execute this Agreement.

(iv) No Implied Obligations. The Exchange Administrator shall be obligated to perform such duties and only such duties as are set forth herein, and no implied duties or obligations shall be read into this Agreement or any of the Exchangeable Notes against the Exchange Administrator. The Exchange Administrator shall not be under any obligation to take any action hereunder which may tend to involve it in any expense or liability the payment or indemnification of which within a reasonable time is not, in its reasonable opinion, assured to it. The Exchange Administrator shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

(v) Consultation with Counsel. The Exchange Administrator may consult with counsel satisfactory to it in its reasonable judgment and any action taken, omitted to be taken or suffered by Exchange Administrator in performance of its duties hereunder in accordance with the written advice or opinion of such counsel shall be presumed to be taken in good faith.

(vi) Communication from Issuer. Unless otherwise provided herein, any order, certificate, notice, request, direction or other communication from the Issuer made or given by it under any provisions of this Agreement shall be deemed sufficient if signed by an Authorized Officer of the Issuer.

(vii) Damages. Anything in this Agreement to the contrary notwithstanding, in no event shall the Exchange Administrator be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits).

(viii) Reliance on Reports. Except as expressly provided herein, nothing herein shall be construed to impose an obligation on the part of the Exchange Administrator to recalculate, evaluate or verify any report, certificate or information received by it from the Issuer or to otherwise monitor the activities of the Issuer.

(b) Changes in Exchange Administrator.

(i) Appointment and Termination of Appointment. Issuer may at any time appoint additional or alternative agents to provide the service(s) to be provided by the Exchange Administrator hereunder. Issuer may terminate the appointment of the Exchange Administrator or any part of such agency by giving to the Exchange Administrator at least 30 calendar days' written notice to that effect.

(ii) Resignation. The Exchange Administrator may resign at any time by giving written notice thereof to the Issuer and the Holders of the Exchangeable Notes; provided, however, that in the event of U.S. Bank's resignation or removal as Global Agent pursuant to the Global Agency Agreement such notice shall not be required and such resignation or removal will occur at the same time as the resignation or removal of U.S. Bank as Global Agent.

(iii) Conditions to Resignation and Termination. Subject to paragraph 7(b)(vi) below, no resignation or termination of the appointment of the Exchange Administrator shall take effect until a new exchange administrator has been appointed, and no resignation or termination of the appointment of an agent shall take effect if there would not then be agents as required by the Terms of any Exchangeable Notes. Issuer shall use its best efforts to appoint a new Exchange Administrator not later than 30 calendar days after Issuer's receipt of the notice of resignation delivered by the Exchange Administrator in accordance with paragraph 7(b)(ii) above. Issuer agrees with the Exchange Administrator that if Issuer fails to appoint a successor within such period, the Exchange Administrator may petition a court of competent jurisdiction to appoint a new Exchange Administrator hereunder, and Issuer shall accept the appointment of that bank as the successor to Exchange Administrator.

(iv) Agents. The Exchange Administrator may, with the express written consent of Issuer (which consent shall not be unreasonably withheld or delayed), appoint by an instrument or instruments in writing one or more agents to act hereunder and, upon written notice with such consent, vary or terminate any such appointment. Issuer (by written notice to the Exchange Administrator and any agent whose appointment is to be terminated) may also terminate any such appointment at any time. In its acceptance of such appointment, each such agent shall agree to act as an agent pursuant this Agreement and the Terms of the Exchangeable Notes. With respect to any agent the Exchange Administrator appoints, the Exchange Administrator shall remain obligated and liable to the Issuer and the Holders of Exchangeable Notes for the performance of its obligations under this Agreement.

(v) Change of Office. If the Exchange Administrator changes the address of its specified office, it shall give Issuer at least 60 calendar days' written notice of the change, giving the new address and the date on which the change is to take effect.

(vi) Automatic Termination. The appointment of the Exchange Administrator shall immediately terminate if it becomes incapable of acting, is adjudged bankrupt or insolvent, files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors, consents to the appointment of a receiver, administrator or other similar official of all or a substantial part of its property or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, if a resolution is passed or an order made for the winding up or dissolution of the Exchange Administrator, a receiver, administrator or other similar official is appointed with respect to all or a substantial part of the Exchange Administrator's property, a court order is entered approving a petition filed by or against it under applicable bankruptcy or insolvency law, if a public officer takes charge or control of the Exchange Administrator or its property or affairs for the purpose of rehabilitation, conservation or liquidation, or U.S. Bank resigns or is removed as Global Agent pursuant to the Global Agency Agreement.

(vii) Delivery of Records. If the Exchange Administrator resigns or its appointment is terminated, it shall, on the date on which the resignation or termination takes effect, deliver to such new agent the records kept by it and all Exchangeable Notes and other records necessary for the administration of, and performance of its duties with

respect to this Agreement; *provided, however*, that the Exchange Administrator may retain a copy of such records in order to comply with any applicable law, rule or regulation or its own document retention policies.

(viii) Successor Exchange Administrator. Any successor bank or other entity into which the Exchange Administrator is merged or converted or with which it is consolidated or which results from any merger, conversion or consolidation to which it is a party, or any entity which succeeds to all or substantially all of the corporate trust business of Exchange Administrator, shall, to the extent permitted by applicable law, be deemed the Exchange Administrator under this Agreement. Such Exchange Administrator shall promptly notify Issuer of any such event.

(ix) Written Notices. The Exchange Administrator shall give Holders of Exchangeable Notes at least 30 calendar days' written notice of any proposed appointment, termination, resignation or change under paragraphs (i) through (vii) of this Section 7(b) which it is aware and, as soon as practicable, written notice of any succession under paragraph (viii) above of which it is aware. Issuer shall give Holders of Exchangeable Notes written notice of any termination under paragraph (vi) of which it is aware within 30 calendar days of such termination.

Section 8. Miscellaneous.

(a) Amendments. This Agreement may be amended or supplemented by Issuer and the Exchange Administrator, without the consent of the Holder of any Note, for the purpose of (i) curing any ambiguity or of correcting or supplementing any provision contained herein which may be defective or inconsistent with any other provision contained herein or in any other manner that Issuer may deem necessary or desirable or (ii) to permit the Issuer or the Exchange Administrator to take any necessary or helpful action to maintain the qualification of the MAC Pool as a grantor trust under the Code or to avoid the imposition of any state or U.S. federal tax on the MAC Pool, so long as such amendment or supplement will not, in the reasonable opinion of Issuer, materially adversely affect the interests of the Holders of the Notes. - (3) The original Notional Principal Amount of the Class M-1I, Class M-2I and Class M-3I Notes being exchanged equals the original Class Principal Balance of the Class M-1F, Class M-2F and Class M-3F Notes, respectively, being exchanged.
- (4) The Class MA Notes will bear interest at a per annum rate equal to the weighted average coupon (WAC) rate of the Class M-1, Class M-2 and Class M-3 Notes.
- (5) The Class M-12 Notes will bear interest at a per annum rate equal to the weighted average coupon (WAC) rate of the Class M-1 and Class M-2 Notes.

Exchanges

We permit any exchange of Classes within a Combination, subject to the following constraints:

- The Classes must be exchanged in the applicable “exchange proportions,” if any, shown above. As described below, these are based on the *original* Class Principal Balances (or *original* Notional Principal Amounts, if applicable) of the Original Classes or MAC Classes, as applicable.
- The aggregate Class Principal Balance (rounded to whole dollars) of the Notes received in the exchange, immediately after the exchange, must equal that of the Notes surrendered for exchange immediately before the exchange (for this purpose, the Notional Principal Amount of any Interest Only MAC Note always equals \$0).
- The aggregate “Annual Interest Amount” (rounded to whole dollars) of the Notes received in the exchange must equal that of the Notes surrendered for exchange. The “Annual Interest Amount” for any Note equals its outstanding Class Principal Balance or Notional Principal Amount times its Class Coupon. The Annual Interest Amount for the Classes received and the Classes surrendered must be equal at all levels of LIBOR.

Where “exchange proportions” are shown for Classes that are exchangeable for other Classes, we base those proportions on the *original*, rather than on the *outstanding*, Class Principal Balance or Notional Principal Amount of the Classes.

(b) Incumbency Certificates. From time to time the Issuer shall furnish the Global Agent with a certificate of the Issuer certifying the incumbency and specimen signatures of Authorized Officers of the Issuer (the “Incumbency Certificate”). (c) Form of Notes. The Notes shall be evidenced by one or more certificates, substantially in the form of Exhibit B-1 (for Original Notes) and Exhibit B-2 (for MAC Notes) hereto, signed by an Authorized Officer and delivered to the corporate trust office of the Global Agent. Upon issuance of any Common Depositary Note to be held on deposit by the Global Agent, the Registrar or its duly appointed agent shall record the name of CEDE & CO. as the nominee of the common depositary as the registered Holder of the Common Depositary Note. Upon issuance of any DTC Note to be held on deposit by the Global Agent as custodian for the benefit of DTC, the Registrar or its duly appointed agent shall record Cede & Co. as DTC's nominee as the registered Holder of the DTC Note. Upon issuance of any other Book-Entry Note to be held on deposit by the Global Agent, the Registrar or its duly appointed agent shall record the name of the applicable nominee of the applicable depositary as the registered Holder of such Book-Entry Note.

(e) Early Redemption. The Original Notes are subject to early redemption by the Issuer as set forth in Article III of the Debt Agreement. If the Issuer elects to exercise its early redemption option with respect to the Original Notes, the Issuer shall give written notice by an Authorized Officer of its intention to exercise such option to the Global Agent of the principal amount of the Original Notes to be so redeemed in accordance with the Terms applicable to such Note. At the request of the Issuer, the Global Agent shall cause notice of redemption to be given to the Holders of Original Notes (and MAC Notes representing interests in the Class M Notes) in accordance with the notice requirements set forth in the Debt Agreement in the name of and at the expense of Issuer.

Section 4. Register and Transfer.

(a) Registration of Notes. The Registrar shall cause to be kept a Note Register (the “Note Register”) in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of the Notes and the registration of transfers and exchanges of Notes as herein provided. The Global Agent shall be the “Registrar” for the purpose of registering the Notes and the transfers and exchanges of Notes (other than exchanges of Class M Notes for MAC Notes and vice versa, which will be administered by the Exchange Administrator pursuant to the Exchange Administration Agreement) as herein provided. The Note Register shall contain the name and remittance instructions.

(b) Minimum Denominations. Each Note shall be issued in minimum denominations of not less than the Minimum Denomination. On the Closing Date, (i) the Original Notes shall be issued such that the sum of the denominations of all outstanding Original Notes shall equal the applicable Initial Note Principal Balance, and (ii) the MAC Notes shall be registered in denominations of \$0. On the Closing Date and pursuant to an Issuer Order, the Registrar will execute and authenticate one or more Book-Entry Notes in an aggregate principal amount that shall equal the Initial Note Principal Balance.

(c) DTC Notes; Book-Entry Notes. The DTC Notes shall be delivered by the Issuer to DTC or, pursuant to DTC's instructions, shall be delivered by the Issuer on behalf of DTC to and deposited with the DTC Custodian, and in each case shall be registered in the name of Cede & Co. The Book-Entry Notes may be deposited with such other depositary as the Issuer may from time to time designate, and shall bear such legend as may be appropriate; *provided* that such

successor depository maintains a book-entry system that qualifies to be treated as “registered form” under Section 163(f)(3) of the Code.

(d) Limitation on Obligations of Issuer and Global Agent. With respect to Notes registered in the Note Register in the name of Cede & Co., as nominee of DTC, the Issuer and the Global Agent shall have no responsibility or obligation to Direct or Indirect Participants or Beneficial Owners for which DTC holds Notes from time to time as a depository. Without limiting the immediately preceding sentence, the Issuer and the Global Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Direct or Indirect Participant with respect to the ownership interest in the Notes, (ii) the delivery to any Direct or Indirect Participant or any other Person, other than a registered Holder, of a Note, (iii) the payment to any Direct or Indirect Participant or any other Person, other than a registered Holder of a Note as shown in the Note Register, of any amount with respect to any distribution of principal or interest on the Notes or (iv) the making of book-entry transfers among Participants of DTC with respect to Notes registered in the Note Register in the name of the nominee of DTC. No Person other than a registered Holder of a Note as shown in the Note Register shall receive a physical Note evidencing such Note.

(e) New Nominee of DTC. Upon delivery by DTC to the Global Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of distributions by the mailing of checks or drafts to the registered Holders of Book-Entry Notes appearing as registered owners in the Note Register on a Record Date, the name “Cede & Co.” in this Agreement shall refer to such new nominee of DTC.

(f) Successors to DTC. In the event that DTC advises the Global Agent in writing that DTC is no longer willing or able to discharge properly its responsibilities as nominee and depository with respect to the Book-Entry Notes and the Global Agent is unable to locate a qualified successor in accordance with Section 5(a) hereof, the Book-Entry Notes shall no longer be restricted to being registered in the Note Register in the name of Cede & Co. (or a successor nominee) as nominee of DTC. At that time, the Issuer may determine that the Book-Entry Notes shall be registered in the name of and deposited with a successor depository operating a global book-entry system, as may be acceptable to the Issuer, or such depository’s agent or designee but, if the Issuer does not select such alternative global book-entry system, then upon surrender to the Registrar of the Book-Entry Notes by DTC, accompanied by the registration instructions from DTC for registration, the Global Agent shall at the Issuer’s expense authenticate Definitive Notes in accordance with Section 5 hereof. Neither the Issuer nor the Global Agent shall be liable for any delay in DTC’s delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes, the Global Agent, the Registrar and the Issuer shall recognize the Holders of the Definitive Notes as Noteholders hereunder.

(g) Letter of Representations. Notwithstanding any other provision of this Agreement to the contrary, so long as any Book-Entry Notes are registered in the name of Cede & Co., as nominee of DTC, all distributions of principal and interest on such Book-Entry Notes and all

notices with respect to such Book-Entry Notes shall be made and given, respectively, in the manner provided in the Letter of Representations.

(h) Surrender for Registration of Transfer. Subject to the preceding paragraphs, upon surrender for registration of transfer of any Note at the office of the Registrar and, upon satisfaction of the conditions set forth below, the Issuer shall execute and the Global Agent shall authenticate and deliver, in the name of the designated transferee or transferees, a new Note of the same aggregate percentage interest and dated the date of authentication by the Global Agent. The Registrar shall maintain a record of any such transfer and deliver it to the Issuer upon request.

(i) Treatment of “Holder” as Owner. Except as otherwise provided herein, Issuer and the Global Agent may deem and treat the registered Holder as appears in the Register of any Note as the absolute owner of such Note, in each case for the purpose of receiving payments on such Note and for all other purposes whatsoever. For purposes of any DTC Note deposited with or held on behalf of DTC (or any nominee of DTC), DTC (or such nominee) shall be considered the sole holder of any Notes related thereto. For purposes of any other Book-Entry Note deposited with or held on behalf of the applicable depository (or any nominee of such depository), such depository (or such nominee) shall be considered the sole holder of any Notes related thereto.

(j) Lost, Stolen or Mutilated Notes. In case any Note shall become mutilated, defaced, destroyed, lost or stolen, upon written application of the holder thereof, Issuer will execute and, upon Issuer's written request, the Global Agent shall authenticate and deliver a new Note, having a number not contemporaneously outstanding, of like tenor and equal principal amount or notional amount, as applicable, registered in the same manner, and dated and bearing interest from the date to which interest has been paid on such mutilated, defaced, destroyed, lost or stolen Note, in exchange and substitution for the mutilated or defaced Note (upon surrender and cancellation thereof) or in lieu of and substitution for the Note destroyed, lost or stolen. In the case of a destroyed, lost or stolen Note, the applicant for a substituted Note shall furnish to Issuer and the Global Agent such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft, the applicant shall also furnish to Issuer and the Global Agent satisfactory evidence of the destruction, loss or theft of such Note and of the ownership thereof. Any mutilated or defaced Notes shall be surrendered before replacements will be issued. The Global Agent may authenticate any such substituted Note and deliver or cause the relevant transfer agent to deliver the same upon written request or authorization of any authorized representative of Issuer. Upon the issuance of any substituted Note, Issuer and the Global Agent may require the payment by the Holder thereof of a sum sufficient to cover any taxes and expenses connected therewith. In case any Note which has matured or is about to mature shall become mutilated or defaced or be destroyed, lost or stolen, Issuer may (if the Holder so agrees), instead of issuing a substitute Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated or defaced Note) upon compliance by the Holder with the provisions of this Section 4, as hereinabove set forth.

Section 5. Exchange of Book-Entry Notes for Definitive Notes.

(a) Initial Issuance; Exchanges; Form of Definitive Notes. The Notes will initially be issued as Book-Entry Notes. Interests in a Book-Entry Note shall be exchanged for Definitive Notes only if such exchange is permitted by applicable law and (i) in the case of a DTC Note, DTC or the Issuer advises the Global Agent in writing that DTC is no longer willing, qualified or able to discharge properly its responsibilities as nominee and depositary with respect to the Book-Entry Notes and in each case the Issuer or the Global Agent is unable to locate a successor, (ii) in the case of a particular Book-Entry Note, if all of the systems through which it is cleared or settled are closed for business for a continuous period of 14 calendar days (other than by reason of holidays, statutory or otherwise) or are permanently closed for business or have announced an intention to permanently cease business and in any such situations the Issuer is unable to locate a single successor within 90 calendar days of such closure, or (iii) an Event of Default occurs under the Debt Agreement and Holders of Notes having voting rights aggregating not less than a majority of all voting rights evidenced by the Book-Entry Notes advise the Global Agent and DTC through the Financial Intermediaries and the DTC Participants in writing that the continuation of a book-entry system through DTC (or successor thereto) is no longer in the best interests of such Holders. A person having an interest in a Book-Entry Note issued in global form shall provide Freddie Mac or the Global Agent with a written order containing instructions and such other information as Freddie Mac or the Global Agent may require to complete, execute and deliver such Definitive Notes in authorized denominations. In such circumstances, Freddie Mac shall cause sufficient Definitive Notes to be executed and delivered as soon as practicable (and in any event within 45 calendar days of Freddie Mac receiving notice of the occurrence of such circumstances) to the Global Agent or its agent for completion, authentication and delivery to the relevant registered holders of such Definitive Notes.

The Issuer shall, from time to time, deliver to the Global Agent adequate supplies of Definitive Notes substantially in the form of Exhibit D-1 (for Original Notes) and D-2 (for MAC Notes), executed by the manual or facsimile signature of an Authorized Representative of the Issuer. The Global Agent will acknowledge receipt of any Definitive Notes received from the Issuer and will hold the Definitive Notes in safekeeping for the Issuer.

(b) Exchange Procedures. If interests in any Book-Entry Note are to be exchanged for Definitive Notes pursuant to this Section 5(b), such Book-Entry Note shall be surrendered by DTC, Euroclear and/or Clearstream or such other clearing system in which the Book-Entry Note has been deposited to the Registrar to be so exchanged, without charge, and the Registrar shall authenticate and deliver as soon as practicable upon such exchange of interests in such Book-Entry Note (and in any event within 45 calendar days after the occurrence of such circumstances), an equal aggregate principal amount or notional amount, as applicable, in authorized denominations, of Definitive Notes. The Definitive Notes exchanged pursuant to this Section 5(b) shall be registered by the Registrar in such names as DTC, Euroclear and/or Clearstream or such other clearing system shall direct in writing in accordance with its records. If interests in a Definitive Note are to be exchanged for two or more Definitive Notes of that same Class, or vice versa, such Definitive Note shall be surrendered by the Holder thereof to the Global Agent to be so exchanged, without charge, and the Global Agent shall authenticate and deliver as soon as practicable upon such exchange of interests in such Definitive Notes (and in

any event within 45 calendar days after the occurrence of such circumstances), an equal aggregate principal or notional amount, as applicable, in authorized denominations, of such Class of Definitive Notes. The Definitive Notes received in exchange pursuant to this Section 5(b) shall be subject to all other registration and transfer requirements of the Debt Agreement.

(c) Sale of Notes Within and Outside the United States. In respect of an issue of Notes sold in primary distribution both within and outside the United States, an interest in the Book-Entry Note deposited with DTC or its nominee may be exchanged for an interest in the same or one or more other Book-Entry Notes representing Notes sold outside the United States. Similarly, Book-Entry Notes representing Notes sold outside the United States may be exchanged for an interest in the Book-Entry Note deposited with DTC or its nominee upon the request of a Holder to the Registrar. The Registrar shall record the relevant decrease and increase in the principal amounts in authorized denominations, of such respective Book-Entry Notes in the Note Register.

(d) Wiring Instructions upon Surrender for Transfer or Exchange. Every Note presented or surrendered for transfer or exchange shall be accompanied by wiring instructions, if applicable, in the form of Exhibit E. The preceding provisions of this section notwithstanding, the Issuer shall not be required to make and the Registrar shall not register transfers or exchanges of Notes called for redemption.

(e) Same Benefits. Until exchanged in full, a Book-Entry Note of a particular issue shall in all respects be entitled to the same benefits under this Agreement as Definitive Notes of such issue authenticated and delivered hereunder. If, after any presentation thereof to the Global Agent, the principal or notional amount, as applicable, of Notes represented by any Book-Entry Note of a particular issue is reduced to zero, such Book-Entry Note shall remain outstanding on the records of the Global Agent until the Maturity Date or Early Redemption Date.

(f) Applicable Charges for Transfer or Exchange of Notes. No service charge shall be made for any transfer or exchange of Notes, but prior to transfer the Registrar or Exchange Administrator may require payment by the transferor of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Notes.

(g) Surrender of Notes. All Notes surrendered for payment, transfer and exchange or redemption shall be marked canceled by the Registrar and retained and destroyed in accordance with its policies and procedures.

(h) Restrictions on Transfer or Exchange of Notes. Upon presentation of any Definitive Notes or Book-Entry Notes, accompanied by a written instrument of assignment and transfer in form set forth in the form of the Note, executed by the registered Holder, in person or by attorney thereunto duly authorized, such Note shall be transferred upon the register for the same and a transferred Note shall be authenticated and registered in the name of the transferee. Transfers and exchanges of Notes may be subject to restrictions set forth herein and shall be set forth in the text of the instrument and subject to such reasonable requirements as may be prescribed by the Issuer.

Section 6. Calculations of Payments, Certificate Reports and Tax Reporting.

(a) Monthly Reference Pool File; Monthly P&I Constant File. The Issuer shall provide to the Global Agent no later than the eighth (8th) Business Day in a month the Monthly Reference Pool File and Monthly P&I Constant File for such month, which shall be substantially in the form of Exhibits F and G hereto. In addition, the Issuer shall provide to the Global Agent, on or within two Business Days of the Closing Date, the Issuance Reference Pool File and the P&I Constant File, which shall be in similar format to Exhibits F and G, respectively, as of the Closing Date.

(b) Calculations by Global Agent. The Global Agent shall provide all calculations required in Article III of the Debt Agreement. The Global Agent's determination of any interest rate will, absent manifest error, be binding on the Issuer and the Holders of the relevant Notes. No amendment to the Debt Agreement which may materially or adversely affect the duties or obligations of the Global Agent, as the calculation agent hereunder shall become effective without the prior written consent of the Global Agent.

(c) Payment Date Statement; Bond File; Reference Pool File; Reconciliation Process. As soon as practicable after the principal and interest payments are determined for the Notes, and in no event less than five (5) Business Days prior to the applicable Payment Date, the Global Agent shall forward to the Issuer at mso_multiclass_payment@freddiemac.com, the Payment Date Statement, which shall be substantially in the form of Exhibit H hereto and the Bond File, which shall be substantially in the form of Exhibit I-1 and Exhibit I-2 hereto, as applicable. The Issuer and Global Agent shall reconcile each payment amount no later than two Business Days prior to a Payment Date. The reconciliation method shall be an agreed upon method between Issuer's and the Global Agent's respective operations groups. The Global Agent shall prepare and make the Payment Date Statement (and, at its option, any additional files containing the same information in an alternative format) and the Reference Pool File for each Payment Date available two Business Days prior to such Payment Date to Holders that provide appropriate certification in the form acceptable to the Global Agent (which may be submitted electronically via the Global Agent's Internet site) and to any designee of Freddie Mac via the Global Agent's Internet site. Parties that are unable to use the above distribution options are entitled to have a paper copy mailed to them via first class mail by calling the customer service desk at (800) 934-6802 and indicating such. The Global Agent may change the way the Global Agent's Payment Date Statement is distributed in order to make such distribution more convenient or more accessible to such persons or entities. The Global Agent shall provide timely and adequate notification to all above parties regarding any such changes. The Global Agent will not be liable for the dissemination of information in accordance with this Agreement.

The Global Agent is entitled to rely on but will not be responsible for the content or accuracy of any information provided by third parties for purposes of preparing the Payment Date Statement and may affix thereto any disclaimer it deems appropriate in its reasonable discretion (without suggesting liability on the part of any other party hereto).

(d) Global Agent to Furnish Tax Information. The Global Agent (or its designated agent) shall furnish, with respect to each Class of Notes, to Freddie Mac and each Holder or Beneficial Owner of Notes such information as required by U.S. federal tax law (including any required Form 1099 reporting) or as Freddie Mac deems necessary or desirable to enable Freddie Mac and Holders and Beneficial Owners of Notes to prepare their U.S. federal income tax returns, if applicable. With respect to each of the Class M Notes, the Class B Notes and the MAC Notes, such reporting information shall be in a form substantially similar to, and include the information listed in, the sample forms provided in Exhibit J attached hereto. The information must be furnished in the time and manner specified by applicable law or as reasonably requested by Freddie Mac (including, publishing the monthly tax information on a website at least quarterly within 30 days after the end of each calendar quarter (except with respect to the fair market value information for the Class B Notes, which information is published within 30 days after the end of the calendar year). The Global Agent agrees to prepare such U.S. federal tax reporting information in accordance with the methodology described in “Certain United States Federal Tax Consequences” in the Offering Circular, unless it has been notified otherwise by Freddie Mac.

(e) Preparation of IRS Form 8281 by Global Agent. Additionally, the Global Agent shall prepare Form 8281 to be filed with the IRS for each Class M Note issued with OID. For this purpose, the Class M Notes will not be treated as initially issued with OID. In the event that there is a write down (as described in Section 7(b) of this Agreement) with respect to the Class M-1, Class M-2 or Class M-3 Notes, such Class of Notes will be treated as reissued with OID at that time (i.e., all remaining stated interest on such Class of Notes will no longer be qualified stated interest), and the Global Agent shall prepare Form 8281 with respect to such Class M Notes at such time. The Form 8281 must be completed and sent to the Freddie Mac Tax Department by the 15th day after the applicable Class M Notes are treated as reissued with OID.

(f) Global Agent’s Compliance with Tax Law. The Global Agent (or its designated agent) hereby represents to Freddie Mac and the Exchange Administrator that it will comply with (i) the Foreign Account Tax Compliance Act provisions of Sections 1471 through 1474 of the Code (commonly known as “FATCA”) and (ii) any and all U.S. federal withholding tax requirements and related U.S. federal withholding tax information reporting requirements applicable to any payments made with respect to the Notes, including the collection of any forms, certifications or other statements required to be provided by Holders of Notes to establish any exemption or reduction in U.S. federal withholding tax. In addition, the Global Agent hereby represents to Freddie Mac that, for U.S. federal income tax purposes, it is treated as a U.S. person, and a properly completed Form W-9 (or other appropriate tax form) has been provided to Freddie Mac on or before the Closing Date of the Original Notes.

Section 7. Payments in Respect of Notes.

(a) Payment to Global Agent. Freddie Mac shall wire to the Note Collection Account by 12 P.M. New York City time one (1) Business Day before the Payment Date pursuant to the wiring instructions set forth in Exhibit K hereto, the principal and interest payments due on the Notes for such Payment Date. For purposes of this paragraph (a), the date on which a payment in respect of a Note becomes due means the first date on which the Holder of a Note could claim

the relevant payment under the Terms of the applicable Note. The Global Agent shall retain on deposit, for the benefit of the Noteholders, such amount until the related Payment Date. Funds in the Note Collection Account shall not initially be invested in Permitted Investments. To the extent that the Issuer requests in writing that funds in the Note Collection Account be invested in Permitted Investments for the period from each remittance date to the related Payment Date, the Global Agent shall invest such amounts in Permitted Investments selected by the Issuer, which shall mature not later than the related Payment Date. All such Permitted Investments shall be made in the name of the Global Agent for the benefit of the Issuer. All income and gain realized from any Permitted Investment in the Note Collection Account shall be remitted to the Issuer on each Payment Date. The Issuer shall remit to the Global Agent for deposit in the Note Collection Account the amount of any losses incurred in respect of any such investments out of its own funds, without any right of reimbursement therefor, immediately as realized. All payments made hereunder shall be in accordance with the Terms of the applicable Note and the Debt Agreement. To the extent that amounts in the Note Collection Account are invested in Permitted Investments, the Global Agent shall report the income gain or loss to the Issuer in writing within three (3) Business Days of the date on which the gain or loss accrues on the account and send the amount of any such gain to the account designated in a written instruction by Freddie Mac (which instruction may be a standing instruction).

(b) Write-Ups and Write-Downs. On each Payment Date, the Global Agent shall write up or write down the Class Principal Balance or Notional Principal Amount, as applicable, of each Class of Notes, as applicable, as determined pursuant to the Debt Agreement and agreed to by Issuer and the Global Agent.

(c) Notification of Non-Payment. The Global Agent shall forthwith notify Freddie Mac by facsimile, e-mail or other rapid means of communication if it has not received the full amount for any payment due in respect of the Notes on the date such payment is due. The Global Agent shall have no liability, responsibility, duty or obligation to any holder or beneficial owner of Notes to take any action against Issuer in the event that Issuer fails to make available funds sufficient to pay amounts due and payable and owing to any Holder on any Payment Date. The Global Agent shall give issuance instructions to DTC in accordance with DTC's procedures.

(d) Payments by Global Agent. The Global Agent shall, subject to and in accordance with the Terms of the applicable Note and the Debt Agreement, pay or cause to be paid on behalf of Freddie Mac on and after each due date therefor the amount due in respect of the Notes. If any payment provided for in paragraph (a) is made late but otherwise in accordance with this Agreement the Global Agent will nevertheless make such payments in respect of the Notes. However, unless and until the full amount of any such payment has been made to the Global Agent, the Global Agent shall not be bound to make such payments.

(e) Late Payments. If the Global Agent has not by the due date for any payment in respect of the Notes received the full amount payable on such date but receives it later, it will forthwith give notice on behalf of Freddie Mac to the other agents and the Holders of Notes that it has received such full amount.

(f) Method of Payment to Global Agent. All sums payable to the Global Agent hereunder shall be paid (i) in immediately available or same-day funds to such account with such bank in the principal financial center of the currency in which the Notes are denominated as the Global Agent in a notice to Freddie Mac or (ii) as the Global Agent may from time to time otherwise specify in a notice to Freddie Mac.

(g) Money Held by Global Agent. Money paid by Freddie Mac to the Global Agent for payment of amounts owing with respect to the Notes may be dealt with by the Global Agent in the same manner as other money paid to it as a banker by its customers except that (i) it may not exercise any lien, right of set-off or similar claim in respect of them and (ii) except as otherwise set forth in Section 7(a) above, it shall not be liable to anyone for interest on any sums held by it under this Agreement.

(h) Partial Payments. If in respect of any payment falling due on a Note only part of the amount payable in respect of it is paid, a notation shall be made in the Register of the amount paid and the date of payment.

(i) Cancelled Notes. All Definitive Notes surrendered for payment shall be delivered to the Global Agent. All Notes so delivered shall be promptly cancelled by the Global Agent. All cancelled Notes held by the Global Agent shall be destroyed, and the Global Agent shall furnish to Freddie Mac upon request a certificate with respect to such destruction.

(j) Binding Payments. All payments of principal of, interest on and other amounts owing with respect to any Notes made on any Payment Date shall be binding upon the holder of such Notes and of any Notes issued upon the registration of transfer thereof or in exchange therefore or in lieu thereof.

(k) Maturity or Redemption. On any day when a Note matures or is to be redeemed, the Issuer shall transmit, or cause to be transmitted, to the Global Agent, to the account specified in Exhibit K, or such other account that the Global Agent may specify by written notice to Issuer, prior to 10:00 a.m., New York City time, one Business Day prior to the Payment Date, an amount of immediately available funds sufficient to pay the aggregate amount due on such Note as determined pursuant to the Debt Agreement.

(l) Presentment. The Global Agent shall pay any amounts due on Definitive Notes at the maturity thereof or upon early redemption solely upon presentment. The Global Agent may, without liability to the Issuer, refuse to pay any Note that would result in an overdraft to the account in which the Global Agent holds funds for the payment of the Notes.

Section 8. Representations.

(a) Issuer's Representations and Warranties. The Issuer represents and warrants to the Global Agent that the issuance and delivery of the Notes have been duly and validly authorized by Issuer and that the Notes, when completed, countersigned for authentication and delivered pursuant hereto, will constitute the valid and legally binding obligations of Issuer.

(b) Global Agent's Representations and Warranties.

(i) The Global Agent represents and warrants that it has duly authorized and properly executed this Agreement, is currently in compliance with this Agreement and with the rules and procedures of DTC, is authorized to act as a custodian for DTC for any DTC Note relating to the Notes, and to serve in all capacities set forth in this Agreement.

(ii) The Global Agent represents and warrants that the consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time) a default under, its articles of association or bylaws or any agreement or other instrument to which it is a party or by which it is bound; and to its knowledge, there are no proceedings or investigations pending or threatened before any court, regulatory body, administrative agency or other governmental instrumentality having jurisdiction over it or its properties: (A) asserting the invalidity of this Agreement, (B) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or (C) seeking any determination or ruling that might materially and adversely affect the performance by it of its obligations under, or the validity or enforceability of, this Agreement.

Section 9. Conditions of Global Agent's Obligations and Changes in Agents.

(a) Conditions of Global Agent's Obligations. The Global Agent accepts its obligations herein set forth herein, upon the terms and conditions hereof, including the following, to all of which Issuer agrees. References to the Global Agent in (i)-(vii) below shall include any agent appointed hereunder.

(i) Compensation. Issuer agrees to promptly pay the Global Agent all compensation as set forth in Exhibit L, hereto, or as otherwise agreed upon with Issuer in writing and to reimburse the Global Agent for the reasonable out of pocket expenses (including but not limited to reasonable counsel fees and expenses) incurred by the Global Agent for all services rendered hereunder during the term of the Agreement. The obligations of Issuer under this Section 9(a)(i) shall survive the termination of this Agreement, including any termination of this Agreement pursuant to any applicable bankruptcy or insolvency law.

(ii) Indemnification. Issuer shall indemnify and hold harmless the Global Agent, its directors, officers, employees and agents from and against any and all actions, claims, damages, liabilities, judgments, losses, costs, charges and expenses (including legal fees and expenses) relating to or arising out of actions or omissions from actions in any

capacity as Global Agent under this Agreement, the Debt Agreement and the Notes, except actions, claims, damages, liabilities, judgments, losses, costs, charges and expenses caused by the gross negligence, willful misconduct or bad faith of the Global Agent, its directors, officers, employees or agents. The Global Agent shall incur no liability and shall be indemnified and held harmless by Issuer for any error of judgment made in good faith by the officers and employees of the Global Agent. The Global Agent shall incur no liability and shall be indemnified and held harmless by Issuer for, or in respect of, any actions taken, omitted to be taken or suffered to be taken in good faith by the Global Agent in reliance upon (A) a written advice or opinion of counsel or (B) any instruction from an Authorized Officer of Issuer. The Global Agent shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its responsibilities under this Agreement and that in its opinion may involve it in any expense or liability. The obligations of Issuer under this Section 9(a)(ii) shall survive the termination of this Agreement, including any termination of this Agreement pursuant to any applicable bankruptcy or insolvency law.

(iii) Documents. The Global Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted to be taken or anything suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document (including facsimile or electronic mail transmission) reasonably believed by it to be genuine and to have been signed or submitted by the proper parties.

The Global Agent may conclusively rely and shall be fully protected in its reliance upon instructions which shall include any instructions given or confirmed in writing by facsimile or through a time-sharing terminal given by Issuer or the Exchange Administrator pursuant to this Agreement which the Global Agent believes in good faith to have been given by an Authorized Officer.

(iv) No Liability for Interest. The Global Agent shall not be under any liability for interest on any monies at any time received or held by it pursuant to any of the provisions of this Agreement or of any of the Notes, except as set forth in Section 7.

(v) No Liability for Invalidity. The representations of Issuer contained herein, in the Debt Agreement and in the Offering Circular (except in the Global Agent's certificates of authentication of the Notes) shall be taken as the statements of Issuer, and the Global Agent assumes no responsibility for the correctness of the same. The Global Agent makes no representation as to the validity or sufficiency of this Agreement or the Notes except for the Global Agent's due authorization to execute this Agreement. Neither the Global Agent nor any other agent of Issuer shall be accountable for the use or application by Issuer of the proceeds of any Notes authenticated and delivered by the Global Agent in conformity with the provisions of this Agreement and of the Notes.

(vi) No Implied Obligations. The Global Agent shall be obligated to perform such duties and only such duties as are set forth herein and in the Debt Agreement and no implied duties or obligations shall be read into this Agreement or any of the Notes against the Global Agent. The Global Agent shall not be under any obligation to take any action

hereunder which may tend to involve it in any expense or liability the payment or indemnification of which within a reasonable time is not, in its reasonable opinion, assured to it. The Global Agent shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

(vii) Account of Issuer. The Global Agent, in acting under this Agreement and in connection with the Notes, is acting solely as agent of Issuer and does not assume any obligation or relationship of agency or trust for or with any of the holders of the Notes. All funds held by the Global Agent or any other agent of Issuer for payment of principal of, premium, if any, or interest on the Notes shall be held for the benefit of Holders but need not be segregated from other funds except as required by law and as required in this Agreement or the Notes, and shall be applied as set forth herein and in the Debt Agreement for the Notes; provided, however, that, any funds paid by Issuer and held by the Global Agent in respect of the principal of, or premium, if any, or interest, if any, on any Notes that remain unclaimed at the end of one year after such principal, premium or interest shall have become due and payable shall be repaid to Issuer by the Global Agent; and provided, further, that the Global Agent shall not be required to repay to Issuer any monies claimed by a holder of Notes and paid to such holder prior to the receipt by the Global Agent of express written instructions from Issuer to repay such unclaimed monies. Upon such repayment, Global Agent's obligations with respect to such funds shall terminate and all liability of the Global Agent with respect to such monies shall thereupon cease and the holder of any such Note shall thereafter, as an unsecured general creditor, look only to Issuer for payment thereof.

(viii) Forwarding of Notices. If the Global Agent or any other agent shall receive any notice or demand addressed to Issuer by any holder of a Note, the Global Agent or such other agent shall promptly forward such notice or demand to Issuer in the manner provided under Section 10(d) hereof. The Global Agent shall give notices to holders of Notes to the extent required by the terms of any Notes or the provisions of this Agreement and, in each case, as directed by and pursuant to written instructions of Issuer. Such notices shall be given in the name of and at the expense of Issuer.

(ix) Consultation with Counsel. The Global Agent may consult with counsel satisfactory to it in its reasonable judgment and any action taken, omitted to be taken or suffered by Global Agent in performance of its duties hereunder in accordance with the written advice or opinion of such counsel shall be presumed to be taken in good faith.

(x) Communication from Issuer. Unless otherwise provided herein, any order, certificate, notice, request, direction or other communication from Issuer made or given by it under any provisions of this Agreement shall be deemed sufficient if signed by an Authorized Officer of Issuer.

(xi) Damages. Anything in this Agreement to the contrary notwithstanding, in no event shall the Global Agent be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits).

(xii) Reliance on Reports. Except as expressly provided herein, nothing herein shall be construed to impose an obligation on the part of the Global Agent to recalculate, evaluate or verify any report, certificate or information received by it from the Issuer or to otherwise monitor the activities of the Issuer.

(b) Changes in Agents.

(i) Appointment and Termination of Appointment. Issuer may at any time appoint additional or alternative agents to provide the service(s) to be provided by the Global Agent hereunder. Issuer may terminate the appointment of the Global Agent or any part of such agency or any other agent by giving to the Global Agent or that agent at least 30 calendar days' written notice to that effect. Issuer may replace the Global Agent in any of its roles hereunder and appoint one or more other authenticating agents, paying agents, transfer agents, registrar or calculation agents for any issuance of the Notes as Issuer may determine; *provided, however*, that until all of the Notes have been delivered to the Global Agent for cancellation and destruction, or monies sufficient to pay the principal and interest, if any, on such Notes have been made available for payment and either paid or returned to Issuer as provided herein, Issuer will at all times maintain a paying agent; and, if and for so long as any Notes are listed on any stock exchange, Issuer shall maintain a paying agent for such Notes at any location such stock exchange may require.

(ii) Resignation. The Global Agent may resign at any time by giving written notice thereof to the Issuer and the Noteholders.

(iii) Conditions to Resignation and Termination. Subject to paragraph 9(b)(vi) below, no resignation or termination of the appointment of the Global Agent shall take effect until a new agent has been appointed and no resignation or termination of the appointment of an agent shall take effect if there would not then be agents as required by the Terms of any Notes. Issuer shall use its best efforts to appoint a new agent not later than 30 calendar days after Issuer's receipt of the notice of resignation delivered by the Global Agent in accordance with paragraph 9(b)(ii) above. Issuer agrees with the Global Agent that if Issuer fails to appoint a successor within such period, the Global Agent may petition a court of competent jurisdiction to appoint a new Global Agent hereunder and Issuer shall accept the appointment of that bank as the successor to Global Agent.

(iv) Other Agents. The Global Agent may, with the express written consent of Issuer (which consent shall not be unreasonably withheld or delayed), appoint by an instrument or instruments in writing one or more agents to act hereunder and, upon written notice with such consent, vary or terminate any such appointment. Issuer (by written notice to the Global Agent and any agent whose appointment is to be terminated) may also terminate any such appointment at any time. In its acceptance of such appointment, each such agent shall agree to act as an agent pursuant this Agreement and the Terms of the Notes. With respect to any agent the Global Agent appoints, the Global Agent shall remain obligated and liable to the Issuer and the Noteholders for the performance of its obligations under this Agreement.

(v) Change of Office. If the Global Agent changes the address of its specified office, it shall give Issuer at least sixty (60) calendar days' written notice of the change, giving the new address and the date on which the change is to take effect.

(vi) Automatic Termination. The appointment of the Global Agent shall immediately terminate if it becomes incapable of acting, is adjudged bankrupt or insolvent, files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors, consents to the appointment of a receiver, administrator or other similar official of all or a substantial part of its property or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, if a resolution is passed or an order made for the winding up or dissolution of the Global Agent, a receiver, administrator or other similar official is appointed with respect to all or a substantial part of the Global Agent's property, a court order is entered approving a petition filed by or against it under applicable bankruptcy or insolvency law, or a public officer takes charge or control of the Global Agent or its property or affairs for the purpose of rehabilitation, conservation or liquidation.

(vii) Delivery of Records. If the Global Agent resigns or its appointment is terminated, it shall, on the date on which the resignation or termination takes effect, forward to any new agent any amount held by it for payment in respect of the Notes and deliver to such new agent the records kept by it and all Certificates and other records necessary for the administration of, and performance of its duties with respect to, the Notes held by it pursuant to this Agreement; *provided, however*, that the Global Agent may retain a copy of such records in order to comply with any applicable law, rule or regulation or its own document retention policies.

(viii) Successor Global Agents. Any successor bank or other entity into which the Global Agent is merged or converted or with which it is consolidated or which results from any merger, conversion or consolidation to which it is a party, or any entity which succeeds to all or substantially all of the corporate trust business of Global Agent, shall, to the extent permitted by applicable law, be deemed the Global Agent under this Agreement. Such Global Agent shall promptly notify Issuer of any such event.

(ix) Written Notices. The Global Agent shall give holders of Notes at least thirty (30) calendar days' written notice of any proposed appointment, termination, resignation or change under paragraphs (i) through (viii) of this Section 9(b) which it is aware and, as soon as practicable, written notice of any succession under paragraph (vii) above of which it is aware. Issuer shall give Holders of Notes written notice of any termination under paragraph (vi) of which it is aware within thirty (30) calendar days of such termination.

Section 10. Miscellaneous.

(a) Amendments. This Agreement may be amended or supplemented by Issuer and the Global Agent, without the consent of the holder of any Note, for the purpose of curing any

ambiguity or of correcting or supplementing any provision contained herein which may be defective or inconsistent with any other provision contained herein or in any other manner that Issuer may deem necessary or desirable and that will not, in the reasonable opinion of Issuer, materially adversely affect the interests of the holders of the Notes. The Global Agent, may, but shall have no obligation to, agree to any amendment or supplement which adversely affect the rights, privileges, immunities or obligations of the Global Agent. The Issuer will notify the Rating Agencies of any modification, amendment or supplement of this Agreement (which notification shall be effected pursuant to Section 10(d)).

(b) Execution of Additional Agreements. In executing, or accepting the agencies created by, any additional agreement permitted by this Agreement, or the modifications of the agencies created by this Agreement, the Global Agent shall be entitled conclusively to rely upon a written opinion of counsel stating that the execution of such additional agreement is authorized or permitted by this Agreement, that all conditions precedent to such additional agreement have been satisfied and that such additional agreement constitutes the legal, valid and binding obligation of Issuer enforceable in accordance with its terms and subject to customary exceptions.

(c) Governing Law, Jurisdiction. This Agreement shall be construed in accordance with and governed by the federal laws of the United States. Insofar as there may be no applicable precedent and insofar as to do so would not frustrate the purposes of the Freddie Mac Act or any provision of this Agreement or the transactions governed thereby, the local laws of the State of New York shall be deemed reflective of the laws of the United States. The parties agree that any judicial proceedings in relation to any matter arising under this Agreement may be instituted against any party to this Agreement in the United States federal courts located in the Borough of Manhattan in such manner as may be permitted by applicable law. EACH PARTY HEREBY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING ARISING OUT OF OR RELATING TO ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

(d) Notices. Any notices pursuant to, or communications with respect to, this Agreement shall be deemed to have been given when delivered in person, or by first class registered or certified mail, postage prepaid, or by facsimile or e-mail transmission; provided, however, in the case of any communication by facsimile or e-mail, written confirmation is dispatched within 24 hours by overnight courier,

(k) Waiver. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by each party hereto. No failure or delay on the part of any party in exercising any power or right under this Agreement shall operate as a waiver, nor does any single or partial exercise of any power or right preclude any other or further exercise, or the exercise of any other power or right. Any such waiver shall be effective only in the specific instance and for the purpose for which it is given.

(l) Assignment. Subject to Section 9(b)(viii), neither this Agreement nor any right or obligation hereunder may be assigned or transferred by one party to any third party without the express written consent of the other party to this Agreement. Any purported assignment or transfer not in compliance with this provision shall be void and of no force or effect.

For a non-individual person such as a business entity, a charity, a trust or other legal entity the Global Agent will ask for documentation to verify its formation and existence as a legal entity. The Global Agent may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Senior Reduction Amount: With respect to any Payment Date is either:

(a) with respect to each Payment Date, if any of the Minimum Credit Enhancement Test, the Cumulative Net Credit Event Test or the Delinquency Test is not satisfied, the sum of:

- (i) the Senior Percentage of the Scheduled Principal for such Payment Date,
- (ii) 100% of the Unscheduled Principal for such Payment Date, and
- (iii) 100% of the Recovery Principal for such Payment Date; or

(b) with respect to each Payment Date, if the Minimum Credit Enhancement Test, the Cumulative Net Credit Event Test and the Delinquency Test are satisfied, the sum of:

- (i) the Senior Percentage of the Scheduled Principal for such Payment Date,
- (ii) the Senior Percentage of the Unscheduled Principal for such Payment Date, and
- (iii) 100% of Recovery Principal for such Payment Date.

Subordinate Reduction Amount: With respect to any Payment Date, the sum of the Scheduled Principal, Unscheduled Principal and Recovery Principal for such Payment Date, less the Senior Reduction Amount.

Subordinate Percentage: With respect to any Payment Date, is the percentage equal to 100% *minus* the Senior Percentage for such Payment Date.

Termination Date: The earliest of (i) the Maturity Date, (ii) the Early Redemption Date, and (iii) the Payment Date on which the aggregate Class Principal Balance of all outstanding Classes of Original Notes is reduced to zero (without giving effect to any allocations of Tranche Write-down Amounts or Tranche Write-up Amounts on such Payment Date and all prior Payment Dates) and accrued and unpaid interest due on the Original Notes has been paid in full.

Tranche Write-down Amount: With respect to each Payment Date, the excess, if any, of the Principal Loss Amount for such Payment Date over the Principal Recovery Amount for such Payment Date. With respect to each Payment Date, the Class Notional Amount for the Class A-H Reference Tranche will be increased by the excess, if any, of the Tranche Write-down Amount for such Payment Date over the Credit Event Amount for such Payment Date.

Tranche Write-up Amount: With respect to each Payment Date, the excess, if any, of the Principal Recovery Amount for such Payment Date over the Principal Loss Amount for such Payment Date.

Unconfirmed Servicing Defect: With respect to any Reference Obligation, the existence of the following, as determined by Freddie Mac in its sole discretion, (a) there is a violation of the servicing guidelines and other requirements in the Freddie Mac Single Family Seller/Servicer Guide (the “**Guide**”, as modified by the terms of the related servicer’s contract, including any related terms of business (“**TOBs**”); and (b) Freddie Mac has issued a notice of defect, repurchase letter or a repurchase alternative letter related to the servicing breach. For the avoidance of doubt, Reference Obligations with minor technical violations, which in each case Freddie Mac determines to be acceptable Reference Obligations, may not result in an Unconfirmed Servicing Defect.

Unconfirmed Underwriting Defect: With respect to any Reference Obligation, the existence of the following, as determined by Freddie Mac in its sole discretion: (i) there is a material violation of the underwriting guidelines and other requirements in the Guide (as modified by any related TOBs) with respect to such Reference Obligation, (ii) Freddie Mac determines that as of the origination date such Reference Obligation was secured by collateral that was inadequate or (iii) Freddie Mac determines that as of the origination date repayment in full on such Reference Obligation from the related mortgagor could not be expected. For the avoidance of doubt, any Reference Obligation with minor technical violations or missing documentation, which in each case Freddie Mac determines to be an acceptable Reference Obligation, will not result in an Unconfirmed Underwriting Defect.

Underwriting Defect: With respect to any Payment Date and any Reference Obligation for which Freddie Mac has determined the existence of an Unconfirmed Underwriting Defect, the occurrence of any of the following: (i) such Reference Obligation is repurchased by the related seller or servicer during the related Reporting Period, (ii) in lieu of repurchase, an alternative remedy (such as indemnification) is mutually agreed upon by both Freddie Mac and the related seller or servicer during the related Reporting Period, (iii) Freddie Mac in its sole discretion elects to waive the enforcement of a remedy against the seller or servicer in respect of such Unconfirmed Underwriting Defect during the related Reporting Period or (iv) the party responsible for the representations and warranties and/or servicing obligations or liabilities with respect to the Reference Obligation becomes subject to a bankruptcy, an insolvency proceeding or a receivership.

Unscheduled Principal: With respect to each Payment Date, the sum of:

(a) all partial principal prepayments on the Reference Obligations collected during the related Reporting Period; *plus*

(b) the aggregate unpaid principal balance of all Reference Obligations that become Reference Pool Removals during the related Reporting Period other than Credit Event Reference Obligations or any Reversed Credit Event Reference Obligations, *plus*

(c) negative adjustments in the unpaid principal balance of all Reference Obligations as the result of loan modifications or data corrections, *minus*

(d) positive adjustments in the unpaid principal balance of all Reference Obligations as the result of loan modifications, reinstatements into the Reference Pool or Reference Obligations that were previously removed from the Reference Pool in error, or data corrections.

In the event the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above, the Unscheduled Principal for the applicable Payment Date will be zero, and the Class Notional Amount for the Class A-H Reference Tranche will be increased by the amount that the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above. In the event that Freddie Mac were to ever employ a policy that permitted or required principal forgiveness as a loss mitigation alternative, any principal that may be forgiven with respect to a Reference Obligation will be treated as a negative adjustment in unpaid principal balance of such Reference Obligation pursuant to clause (c) above.

U.S. Bank: U.S. Bank National Association.

Write-up Excess: With respect to each Payment Date, the excess, if any, of the Tranche Write-up Amount for such Payment Date over the Tranche Write-up Amount allocated on such Payment Date pursuant to clauses (i) through (v) of “*Allocation of Tranche Write-up Amounts to the Reference Tranches*” in Section 3.03(c) of this Agreement.

ARTICLE II

Authorization; Certain Terms

Section 2.01. Authorization.

The Notes shall be issued by Freddie Mac in accordance with the authority vested in Freddie Mac by Section 306(a) of the Freddie Mac Act. The indebtedness represented by the Original Notes shall be unsecured general obligations of Freddie Mac.

Section 2.02. Notes Held or Acquired by Freddie Mac.

Freddie Mac shall have the right to purchase and hold for its own account any Note and to otherwise acquire (either for cash or in exchange for newly-issued Notes) all or a portion of the Notes. Notes of any particular Class held or acquired by Freddie Mac shall have an equal and proportionate benefit to Notes of the same Class held by other Holders, without preference, priority or distinction, except that in determining whether the Holders of the required percentage of the outstanding principal amount (or notional principal amount) of the Notes have given any required demand, authorization, notice, consent or waiver under this Agreement, any Notes owned by Freddie Mac or any person directly or indirectly controlling or controlled by or under direct or indirect common control with Freddie Mac shall be disregarded and deemed not to be outstanding for the purpose of such determination.

ARTICLE III

Payments to Holders; Maturity; Early Redemption

Section 3.01. General.

(a) *General.* Payments in respect of Notes shall be made in immediately available funds to DTC, Euroclear, Clearstream or any other applicable clearing system, or their respective nominees, as the case may be, as the Holders thereof. Payments to a Holder of definitive Notes shall be made by electronic transfer of funds not later than the applicable Payment Date to a bank account designated by such Holder. Such payments shall be made in U.S. dollars. All payments to or upon the order of the Holder of a Note shall be valid and effective to discharge the liability of Freddie Mac in respect of an Original Note or a MAC Note representing an interest in Class M Notes. Ownership positions within each system referenced herein shall be determined in accordance with the normal conventions observed by such system. Freddie Mac, the Global Agent, the Exchange Administrator and the Registrar shall not have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a DTC Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Ownership of any Notes will be as indicated in the Register maintained by the Global Agent.

All payments on Notes are subject to any applicable law or regulation. If a payment

outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions, payments in respect of the related Notes shall be made at the office of any paying agent in the United States.

(b) *Business Day Convention.* In any case in which a Payment Date is not a Business Day, payment on the Notes shall not be made on such date but shall be made on the next Business Day with the same force and effect as if made on such Payment Date. No interest on such payment shall accrue for the period from and after such Payment Date to the actual date of such payment.

(c) *Withholding Requirements.* In the event that any jurisdiction imposes any withholding or other tax on any payment made by Freddie Mac (or its agent, the Exchange Administrator, or any other person potentially required to withhold) with respect to a Note, Freddie Mac (or its agent, the Exchange Administrator, or such other person) will deduct the amount required to be withheld from such payment, and Freddie Mac (or its agent, the Exchange Administrator, or such other person) will not be required to pay additional interest or other amounts, or redeem or repay the Notes prior to the Maturity Date, as a result.

(d) *Tax Reporting.* Freddie Mac (or its agent) shall furnish or make available, at such times as required by applicable law, to each Holder or Beneficial Owner of Original Notes such information as Freddie Mac (or its agent) is required or deems necessary or desirable to enable Holders and Beneficial Owners to prepare their U.S. federal income tax returns, if applicable. The Global Agent (or its agent), upon receiving direction from the Exchange Administrator, shall furnish or make available to each Holder or Beneficial Owner of MAC Notes information to facilitate tax reporting by a Holder or Beneficial Owner with respect to the MAC Notes, including tax reporting relating to original issue discount (“OID”), provided that for purposes of information reporting relating to OID, the Exchange Administrator shall calculate the yield to maturity with respect to a MAC Note based on the relevant prepayment assumption used to price the Class M Notes. In addition, for the MAC Notes included in Combinations 1, 2 and 3 set forth in *Appendix II* that pay stated interest at a variable rate, the Exchange Administrator shall assume that the variable rate is a fixed rate equal to the value of the variable rate as of the Initial MAC Notes Issuance Date, and for the MAC Notes included in Combinations 4 and 5 set forth in *Appendix II* that pay stated interest at a variable rate, the Exchange Administrator shall assume that the variable rate is a fixed rate equal to the value of the variable rate as of the Closing Date.

(e) *Determination Final.* The determination by Freddie Mac or the Global Agent of the interest rate on the Notes and the determination of any payment on any Note (or any interim calculation in the determination of any such interest rate, index or payment) shall, absent manifest error, be final and binding on all parties. If a principal or interest payment error occurs, Freddie Mac or the Global Agent may correct it by adjusting payments to be made on later Payment Dates or in any other manner Freddie Mac or the Global Agent considers appropriate. If the source of One-Month LIBOR changes in format, but Freddie Mac or the Global Agent determines that the source continues to disclose the information necessary to determine the related Class Coupon substantially as required, Freddie Mac will amend the procedure for obtaining information from that source to reflect the changed format. All One-Month LIBOR values used to determine interest payments are subject to correction within 30 days from the

applicable payment. The source of a corrected value must be the same source from which the original value was obtained. A correction might result in an adjustment on a later date to the amount paid to the Holder.

Section 3.02. Interest Payments. The amount of interest that will accrue on a given Class of Notes during each Accrual Period is equal to:

- the Class Coupon for such Class of Notes for such Accrual Period (calculated using the Class Coupon Formula for such Class of Notes, if applicable), multiplied by
- the Class Principal Balance (or Notional Principal Amount) of such Class of Notes immediately prior to such Payment Date, multiplied by
- a fraction, the numerator of which is the actual number of days in such Accrual Period and the denominator of which is 360.

Interest shall be payable in arrears. Notwithstanding the foregoing, the amount of interest payable to any Class of Notes may be subject to reduction or increase as set forth under Section 3.03(f) or Section 3.03(g) hereof, as applicable.

Section 3.03. Hypothetical Structure and Reference Tranches.

(a) *General.* Solely for purposes of making the calculations for each Payment Date of any (i) principal write-downs (or write-ups) on the Notes as a result of Credit Events (or reversals thereof) or Modifications Events on the Reference Obligations, (ii) any reduction or increase in interest amounts on the Notes as a result of Modification Events on the Reference Obligations and (iii) principal payments required to be made on the Notes by Freddie Mac, a hypothetical structure of nine (9) classes of Reference Tranches (the Class A-H, Class M-1, Class M-1H, Class M-2, Class M-2H, Class M-3, Class M-3H, Class B and Class B-H Reference Tranches) deemed to be backed by the Reference Pool is hereby established. Each Class of Reference Tranche will have the initial Class Notional Amount set forth in the definition of “Reference Tranches” in Article I (Definitions) in this Agreement, and the aggregate of the initial Class Notional Amounts of all the Reference Tranches will equal the Cut-off Date Balance.

(b) *Allocation of Tranche Write-down Amounts to the Reference Tranches.* On each Payment Date on or prior to the Termination Date, the amount, if any, of the Tranche Write-down Amount for that Payment Date will be allocated, *first*, to reduce any Overcollateralization Amount for such Payment Date, until such Overcollateralization Amount is reduced to zero, and, *second*, to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

- (i) *first*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,
- (ii) *second*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and,

(v) *fifth*, to the Class A-H Reference Tranche.

(c) *Allocation of Tranche Write-up Amounts to the Reference Tranches.* On each Payment Date on or prior to the Termination Date, the Tranche Write-up Amount, if any, for such Payment Date will be allocated to increase the Class Notional Amount of each Class of Reference Tranche in the following order of priority until the cumulative Tranche Write-up Amounts allocated to each such Class of Reference Tranche is equal to the cumulative Tranche Write-down Amounts previously allocated to such Class of Reference Tranche on or prior to such Payment Date:

(i) *first*, to the Class A-H Reference Tranche,

(ii) *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and

(v) *fifth*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date.

(d) *Allocation of Senior Reduction Amount to the Reference Tranches.* On each Payment Date prior to the Termination Date, after allocation of the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date as described above, the Senior Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

(i) *first*, to the Class A-H Reference Tranche,

(ii) *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and

(v) *fifth*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date.

(e) *Allocation of Subordinate Reduction Amount to the Reference Tranches.* On each Payment Date prior to the Termination Date, after allocation of the Senior Reduction Amount and the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date as described above, the Subordinate Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

(i) *first*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(ii) *second*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and

(v) *fifth*, to the Class A-H Reference Tranche.

(f) *Allocation of Modification Loss Amount.* On each Payment Date on or prior to the Termination Date, the Preliminary Principal Loss Amount, the Preliminary Tranche Write-down Amount, the Preliminary Tranche Write-up Amount, and the Preliminary Class Notional Amount will be computed prior to allocating the Modification Loss Amount, as set forth below.

On each Payment Date on or prior to the Termination Date, the Modification Loss Amount, if any, for such Payment Date, will be allocated in the following order of priority:

(i) *first*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class B Reference Tranche is equal to the Class B Notes Interest Accrual Amount;

(ii) *second*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class B and Class B-H Reference Tranches is equal

to the aggregate of the Preliminary Class Notional Amounts of the Class B and Class B-H Reference Tranches for such Payment Date;

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-3 Reference Tranche is equal to the Class M-3 Notes Interest Accrual Amount;

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-3 and Class M-3H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-3 and Class M-3H Reference Tranches for such Payment Date;

(v) *fifth*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-2 Reference Tranche is equal to the Class M-2 Notes Interest Accrual Amount;

(vi) *sixth*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-2 and Class M-2H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-2 and Class M-2H Reference Tranches for such Payment Date;

(vii) *seventh*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-1 Reference Tranche is equal to the Class M-1 Notes Interest Accrual Amount; and

(viii) *eighth*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-1 and Class M-1H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-1 and Class M-1H Reference Tranches for such Payment Date.

Any amounts allocated to the Class M-1, Class M-2, Class M-3 or Class B Reference Tranches in the *seventh*, *fifth*, *third*, or *first* priority above will result in a corresponding reduction of the Interest Payment Amount of the Class M-1, Class M-2, Class M-3 or Class B Notes, as applicable (in each case without regard to any exchanges of Class M Notes for MAC Notes). If the Class M-1 Notes have been exchanged for the Class M-1I and Class M-1F Notes, the Class M-2 Notes have been exchanged for the Class M-2I and Class M-2F Notes, or the Class M-3

Notes have been exchanged for the Class M-3I and Class M-3F Notes, any Modification Loss Amount that is allocable in the *third, fifth, or seventh* priority above on any Payment Date to such exchanged Class M Notes will be allocated to reduce the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date, pro rata, based on their Interest Accrual Amounts. If Class M Notes have been exchanged for any other MAC Notes, any Modification Loss Amount that are allocable in the *third, fifth, or seventh* priority above to such exchanged Class M Notes will be allocated to reduce the Interest Payment Amount, as applicable, of such MAC Notes in accordance with the exchange proportions applicable. Any amounts allocated to any of the Reference Tranches in the *second, fourth, sixth, or eighth* priority above will be included in the Principal Loss Amount for the related Payment Date.

(g) *Allocation of Modification Gain Amount.* On each Payment Date on or prior to the Termination Date, the Modification Gain Amount, if any, for such Payment Date, will be allocated in the following order of priority:

(i) *first*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-1 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-1 Notes on all prior Payment Dates;

(ii) *second*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-2 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-2 Notes on all prior Payment Dates;

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-3 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-3 Notes on all prior Payment Dates;

(iv) *fourth*, to the Class B and Class B-H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class B Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class B Notes on all prior Payment Dates; and

(v) *fifth*, to the most subordinate Classes of pro rata Reference Tranches outstanding, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date.

Any amounts allocated to the Class M-1, Class M-2, Class M-3 or Class B Reference Tranches above on any Payment Date will result in a corresponding increase of the Interest Payment Amount of the Class M-1, Class M-2, Class M-3 or Class B Notes, as applicable (in each case without regard to any exchanges of Class M Notes for MAC Notes for such Payment Date). If the Class M-1 Notes have been exchanged for the Class M-1I and Class M-1F Notes, the Class M-2 Notes have been exchanged for the Class M-2I and Class M-2F Notes, or the Class M-3 Notes have been exchanged for the Class M-3I and Class M-3F Notes, any Modification Gain Amount that is allocable to such exchanged Class M Notes on any Payment Date will be allocated to increase the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date, pro rata, based on their Interest Accrual Amounts. If Class M Notes have been exchanged for any other MAC Notes, any Modification Gain Amount that is allocable to such exchanged Class M Notes on any Payment Date will be allocated to increase the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date in accordance with the exchange proportions applicable to the related Combination.

(h) *Notes Acquired by Freddie Mac.* Freddie Mac may, from time to time, repurchase or otherwise acquire (either for cash or in exchange for newly-issued Notes) some or all of the Notes at any price or prices, in the open market or otherwise. Freddie Mac may hold, sell or cancel any such repurchased Notes. Any Notes Freddie Mac owns shall have an equal and proportionate benefit under the provisions of this Agreement, without preference, priority or distinction as among those Notes. However, in determining whether the required percentage of Holders of the Notes have given any required demand, authorization, notice, consent or waiver, Notes Freddie Mac owns, directly or indirectly, shall be deemed not to be outstanding. For the avoidance of doubt, any Notes repurchased or otherwise acquired by Freddie Mac shall no longer be considered issued and outstanding for any U.S. federal tax purpose. Notwithstanding the foregoing, in the event Freddie Mac cancels any Notes pursuant to this Section 3.03(h), solely for purposes of making calculations with respect to the hypothetical structure and Reference Tranches, such Notes and related Reference Tranches shall be deemed to continue to be outstanding in accordance with the terms set forth in this Agreement. For the avoidance of doubt, no payments shall be made with respect to any such cancelled Notes.

Section 3.04. Principal Payments and Other Allocations on the Notes.

(a) *Reductions in Class Principal Balances of the Notes.* On each Payment Date on or prior to the Termination Date, the Class Principal Balance of each Class of Original Notes will be reduced (in each case without regard to any exchanges of Class M Notes for MAC Notes), without any corresponding payment of principal, by the amount of the reduction, if any, in the Class Notional Amount of the Corresponding Class of Reference Tranche due to the allocation of Tranche Write-down Amounts to such Class of Reference Tranche on such Payment Date pursuant to Section 3.03(b) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes is outstanding, all Tranche Write-down Amounts that are allocable to Class M Notes that were exchanged for such MAC Notes will be allocated to reduce the Class Principal Balances or Notional Principal

Amounts, as applicable, of such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(b) *Increases in Class Principal Balances of the Notes.* On each Payment Date on or prior to the Termination Date, the Class Principal Balance of each Class of Original Notes will be increased (in each case without regard to any exchanges of Class M Notes for MAC Notes) by the amount of the increase, if any, in the Class Notional Amount of the Corresponding Class of Reference Tranche due to the allocation of Tranche Write-up Amounts to such Class of Reference Tranche on such Payment Date pursuant to Section 3.03(c) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes is outstanding, all Tranche Write-up Amounts that are allocable to Class M Notes that were exchanged for such MAC Notes will be allocated to increase the Class Principal Balances or Notional Principal Amounts, as applicable, of such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(c) *Principal Payments on the Notes.* On each Payment Date prior to the Maturity Date or the Early Redemption Date, Freddie Mac (or its agent, the Global Agent) will pay principal on each Class of Original Notes (in each case without regard to any exchanges of Class M Notes for MAC Notes) in reduction of its Class Principal Balance in an amount equal to the portion of the Senior Reduction Amount and/or Subordinate Reduction Amount, as applicable, allocated to reduce the Class Notional Amount of the Corresponding Class of Reference Tranche on such Payment Date pursuant to Sections 3.03 (d) and (e) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination. The Interest Only MAC Notes are not entitled to receive payments of principal.

Section 3.05. Determination of One-Month LIBOR.

Pursuant to the terms of the Global Agency Agreement, the Global Agent shall calculate the Class Coupons for the applicable Classes of Notes (including MAC Notes on which the Exchange Administrator has directed the Global Agent to make payments) for each Accrual Period (after the first Accrual Period) on the applicable LIBOR Adjustment Date.

“One-Month LIBOR” will be determined by using the “Interest Settlement Rate” for U.S. dollar deposits with a maturity of one month set by ICE Benchmark Administration Limited (**“ICE”**) as of 11:00 a.m. (London time) on the LIBOR Adjustment Date (the **“ICE Method”**).

ICE’s Interest Settlement Rates are currently displayed on Bloomberg L.P.’s page “BBAM.” That page, or any other page that may replace page BBAM on that service or any other service that ICE nominates as the information vendor to display the ICE’s Interest Settlement Rates for deposits in U.S. dollars, is a **“Designated Page.”** ICE’s Interest Settlement Rates currently are rounded to five decimal places.

If ICE's Interest Settlement Rate does not appear on the Designated Page as of 11:00 a.m. (London time) on a LIBOR Adjustment Date, or if the Designated Page is not then available, One-Month LIBOR for that date will be the most recently published Interest Settlement Rate. If ICE no longer sets an Interest Settlement Rate, Freddie Mac will designate an alternative index that has performed, or that Freddie Mac (or its agent) expects to perform, in a manner substantially similar to ICE's Interest Settlement Rate.

Section 3.06. Payment Procedures; Record Date.

(a) *Procedures.* Payments of principal and interest due to Holders of Classes maintained on the DTC System shall be paid by Freddie Mac (or the Global Agent, whether taking direction from Freddie Mac or from the Exchange Administrator) to DTC in immediately available funds. DTC shall be responsible for crediting the amount of such payments to the accounts of the applicable DTC Participants in accordance with its normal procedures. Payments with respect to Common Depository Notes shall be credited to Euroclear participants, Clearstream participants or participants of any other applicable clearing system in accordance with the relevant system's rules and procedures.

Payments to a Holder of definitive Notes shall be made by electronic transfer of funds not later than the applicable Payment Date to a bank account designated by such Holder; *provided, however*, that the final payment on any definitive Note shall be made only upon presentation and surrender of the Holder's definitive Note at the office of the Global Agent or other paying agent, as described in Section 4.04.

In the event of a principal or interest payment error, Freddie Mac, in its sole discretion, may effect corrections by the adjustment of payments to be made on future Payment Dates or in such other manner as it deems appropriate.

(b) *Record Date.* Any payment made on a Class on any Payment Date shall be made to the Holders of record of such Class as of the related Record Date.

Section 3.07. Maturity.

(a) *General.* On the Maturity Date, Freddie Mac shall pay 100% of the outstanding Class Principal Balance as of such date to the Holders of each Class of Original Notes (without regard to any exchanges of Class M Notes for MAC Notes), after taking into account any allocations of any Tranche Write-down Amounts and Tranche Write-up Amounts applicable to such Classes for such Payment Date.

(b) *Payments to MAC Notes.* If on the Maturity Date a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination. The Interest Only MAC Notes are not entitled to receive payments of principal.

Section 3.08. Early Redemption Option.

(a) *General.* On any Payment Date at the earlier of (a) on or after the Payment Date on which the aggregate unpaid principal balance of the Reference Obligations is less than or equal to 10% of the Cut-off Date Balance of the Reference Obligations; or (b) on or after the Payment Date in June 2025, Freddie Mac may, at its option, redeem the Original Notes. On such Payment Date, Freddie Mac shall pay an amount equal to the outstanding Class Principal Balance, after allocation of the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date, of each Class of Original Notes (without regard to any exchanges of Class M Notes for MAC Notes), plus accrued and unpaid interest.

(b) *Payments to MAC Notes.* In the case of an early redemption as described in (a) above, if a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(c) *Notice.* Notice of optional redemption shall be given to Holders of the related Notes not less than 5 Business Days nor more than 60 calendar days prior to the Payment Date of the redemption in the manner provided in Section 6.08.

Section 3.09. MAC Notes.

(a) *General.* Pursuant to the procedures and fees set forth in the Exchange Administration Agreement, the Class M Notes may be exchanged, in whole or in part, for MAC Notes at any time on or after the Initial MAC Notes Issuance Date. *Appendix II* describes the characteristics of the MAC Classes and the available Combinations of Class M Notes and MAC Notes. Exchanges of Class M Notes for MAC Notes, and vice versa, may occur repeatedly pursuant to the procedures set forth in the Exchange Administration Agreement.

(b) *Voting and Direction Rights of MAC Notes.* In the event that Class M Notes have been exchanged for MAC Notes, the Holders of such MAC Notes will be entitled to exercise all the voting and direction rights that are allocated to such exchanged Class M Notes and the outstanding balances of such MAC Notes will be used to determine if the requisite percentage of Holders under this Agreement has voted or given direction; provided that with respect to (x) any outstanding MAC Notes exchanged for Class M Notes in Combination 1 set forth on *Appendix II*, the Class M-1I Notes so exchanged will be entitled to exercise 1% of the total voting or direction rights that were allocated to such exchanged Class M Notes and the Class M-1F Notes so exchanged will be entitled to exercise 99% of the total voting or direction rights that were allocated to such exchanged Class M Notes, (y) any outstanding MAC Notes exchanged for Class M Notes in Combination 2 set forth on *Appendix II*, the Class M-2I Notes so exchanged will be entitled to exercise 1% of the total voting or direction rights that were allocated to such exchanged Class M Notes and the Class M-2F Notes so exchanged will be entitled to exercise 99% of the total voting or direction rights that were allocated to such exchanged Class M Notes, and (z) any outstanding MAC Notes exchanged for Class M Notes in Combination 3 set forth on *Appendix II*, the Class M-3I Notes so exchanged will be entitled to exercise 1% of the total

Form; Clearance and Settlement Procedures; Minimum Denominations; Definitive Notes

Section 4.01. Form of Notes.

(a) *General.* Original Notes shall be deposited with (i) the Global Agent as a custodian for, and registered in the name of a nominee of, DTC, or (ii) the Global Agent as a Common Depositary, and registered in the name of such Common Depositary or a nominee of such Common Depositary. In the case of an exchange of a Class M Note and a MAC Note, the Exchange Administrator shall direct the Global Agent to facilitate such exchange with DTC.

(b) *Title.* The person in whose name a Note is registered in the Register shall be the Holder of such Note. Beneficial interests in a Note shall be represented, and transfers thereof shall be effected, only through book-entry accounts of financial institutions acting on behalf of the Beneficial Owners of such Note, as a direct or indirect participant in the applicable clearing system for such Note.

Freddie Mac, the Global Agent, the Exchange Administrator and the Registrar may treat the Holders as the absolute owners of Notes for the purpose of making payments and for all other purposes, whether or not such Notes shall be overdue and notwithstanding any notice to the contrary. Owners of beneficial interests in a Note shall not be considered by Freddie Mac, the Global Agent, the Exchange Administrator or the Registrar as the owner or Holder of such Note and, except as provided in Section 4.04(a), shall not be entitled to have such Notes registered in their names and shall not receive or be entitled to receive definitive Notes. Any Beneficial Owner shall rely on the procedures of the applicable clearing system and, if such Beneficial Owner is not a participant therein, on the procedures of the participant through which such Beneficial Owner holds its interest, to exercise any rights of a Holder of such Notes.

(c) *Global Agent and Exchange Administrator.* The Global Agent acts solely as a fiscal agent of Freddie Mac with respect to the Original Notes (and of the Exchange Administrator with respect to the MAC Notes) and does not assume any obligation or relationship of agency or trust for or with any Holder of an Original Note, except that any moneys held by the Global Agent for payment on an Original Note shall be held in trust for the Holder. The Global Agent does not assume any obligation or relationship of agency or trust for, or with, any Holder of an Original Note.

(d) *Registrar.* In acting under the Global Agency Agreement, the Registrar does not

assume any obligation or relationship of agency or trust for, or with, any Holder of a Note.

Section 4.02. Clearance and Settlement Procedures.

(a) *General.* Notes distributed solely within the United States shall clear and settle through the DTC System, and Notes distributed solely outside of the United States shall clear and settle through the systems operated by Euroclear, Clearstream and/or any other designated clearing system or, in certain cases, DTC.

(b) Primary Distribution.

(i) *General.* On initial issue, the Notes shall be credited through one or more of the systems specified below.

(ii) *DTC.* DTC Participants acting on behalf of investors holding DTC Notes shall follow the delivery practices applicable to securities eligible for DTC's Same-Day Funds Settlement System. DTC Notes shall be credited to DTC Participants' securities accounts following confirmation of receipt of payment to Freddie Mac on the Closing Date.

(iii) *Euroclear and Clearstream.* Investors holding Common Depository Notes through Euroclear, Clearstream or such other clearing system shall follow the settlement procedures applicable to conventional Eurobonds in registered form. Such Common Depository Notes shall be credited to Euroclear, Clearstream or such other clearing system participants' securities accounts either on the Closing Date or on the settlement day following the Closing Date against payment in same-day funds (for value on the Closing Date).

(c) *Secondary Market Transfers.* Transfers of beneficial interests in the Notes within the various systems that may be clearing and settling interests therein shall be made in accordance with the usual rules and operating procedures of the relevant system.

(d) *Limitation on Liability.* None of Freddie Mac, the Global Agent or the Exchange Administrator shall bear responsibility, in connection with the Notes, for the performance by any system or the performance of the system's respective direct or indirect participants or accountholders of the respective obligations of such participants or account holders under the rules and procedures governing such system's operations.

Section 4.03. Minimum Denominations.

The Original Notes shall be issued and maintained in minimum denominations of \$250,000 and additional increments of \$1.

Section 4.04. Definitive Notes.

(a) *Issuance of Definitive Notes.* Beneficial interests in Notes issued in global form shall be subject to exchange for definitive Notes only if such exchange is permitted by applicable law

and (i) in the case of a DTC Note, DTC or Freddie Mac advise the Global Agent in writing that DTC is no longer willing, qualified or able to discharge properly its responsibilities as nominee and depository with respect to the DTC Notes and Freddie Mac (or its agent) is unable to locate a successor; (ii) in the case of a particular DTC Note or Common Depository Note, if all of the systems through which it is cleared or settled are closed for business for a continuous period of 14 calendar days (other than by reason of holidays, statutory or otherwise) or are permanently closed for business or have announced an intention to permanently cease business and in any such situations Freddie Mac is unable to locate a single successor within 90 calendar days of such closure; or (iii) after the occurrence of an Event of Default, Holders of Notes having voting rights aggregating not less than a majority of all voting rights evidenced by the DTC Notes and Common Depository Notes advise the Global Agent and DTC through the Financial Intermediaries and the DTC Participants in writing that the continuation of a book-entry system through DTC (or successor thereto) is no longer in the best interests of such Holders. In such circumstances, Freddie Mac shall cause sufficient definitive Notes to be executed and delivered as soon as practicable (and in any event within 45 calendar days of Freddie Mac receiving notice of the occurrence of such circumstances) to the Global Agent or its agent for completion, authentication and delivery to the relevant registered holders of such definitive Notes. A person having an interest in a DTC Note or Common Depository Note issued in global form shall provide Freddie Mac or the Global Agent with a written order containing instructions and such other information as Freddie Mac or the Global Agent may require to complete, execute and deliver such definitive Notes in authorized denominations.

In the event that definitive Notes are issued in exchange for Notes issued in global form, such definitive Notes shall have terms identical to the Notes for which they were exchanged except as described below.

(b) *Title.* The person in whose name a definitive Note is registered in the Register shall be the “Holder” of such definitive Note.

(c) *Payments.* Payments of principal and interest on a definitive Note shall be made by wire transfer of immediately available funds with a bank designated by such Holder that is acceptable to Freddie Mac; provided, that such bank has appropriate facilities therefor and accepts such transfer and such transfer is permitted by any applicable law or regulation and will not subject Freddie Mac to any liability, requirement or unacceptable charge. In order for a Holder to receive such payments, the relevant paying agent (including the Global Agent) must receive at their offices from such Holder (i) in the case of payments on a Payment Date, a written request therefor not later than the close of business on the related Record Date or (ii) in the case of the final principal payment (on the Maturity Date or any earlier date of redemption or repayment) the related definitive Note not later than two Business Days prior to such Payment Date. Such written request must be delivered to the relevant paying agent (including the Global Agent) by mail, by hand delivery or by any other method acceptable to the relevant paying agent. Any such request shall remain in effect until the relevant paying agent receives written notice to the contrary.

All payments on definitive Notes shall be subject to any applicable law or regulation. If a payment outside the United States is illegal or effectively precluded by exchange controls or

similar restrictions, payments in respect of the related definitive Notes may be made at the office of any paying agent in the United States.

(d) *Transfer and Exchange.* Definitive Notes shall be presented for registration of transfer or exchange (with the form of transfer included thereon properly endorsed, or accompanied by a written instrument of transfer, with such evidence of due authorization and guaranty of signature as may be required by Freddie Mac, duly executed) at the office of the Registrar or any other transfer agent upon payment of any taxes and other governmental charges and other amounts, but without payment of any service charge to the Registrar or such transfer agent for such transfer or exchange. A transfer or exchange shall not be effective unless, and until, recorded in the Register.

A transfer or exchange of a definitive Note shall be effected upon satisfying the Global Agent with regard to the documents and identity of the person making the request and subject to such reasonable regulations as Freddie Mac may from time to time agree with the Global Agent. Such documents may include forms prescribed by U.S. tax authorities to establish the applicability of, or the exemption from, withholding or other taxes regarding the transferee Holder. Definitive Notes may be transferred or exchanged in whole or in part only in the authorized denominations of the DTC Notes or Common Depositary Notes issued in global form for which they were exchanged. In the case of a transfer of a definitive Note in part, a new Note in respect of the balance not transferred shall be issued to the transferor. In addition, replacement of mutilated, destroyed, stolen or lost definitive Notes also is subject to the conditions discussed above with respect to transfers and exchanges generally. Each new definitive Note to be issued upon transfer of such a definitive Note, as well as the definitive Note issued in respect of the balance not transferred, shall be mailed to such address as may be specified in the form or instrument of transfer at the risk of the Holder entitled thereto in accordance with the customary procedures of the Global Agent.

Any definitive Note that becomes mutilated, destroyed, stolen or lost shall be replaced by Freddie Mac at the expense of the Holder upon delivery to Global Agent of evidence of the destruction, theft or loss thereof, and an indemnity satisfactory to Freddie Mac and the Global Agent. Upon the issuance of any substituted definitive Note, Freddie Mac or the Global Agent may require the payment by the Holder of a sum sufficient to cover any taxes and expenses connected therewith.

ARTICLE V

Events of Default and Remedies

Section 5.01. Events of Default.

An “**Event of Default**” with respect to the Notes shall consist of any one of the following cases:

(a) any failure by Freddie Mac (or its agent) to pay to Holders of such Notes any required interest or principal payment that continues unremedied for 30 days;

(b) any failure by Freddie Mac to perform in any material way any other covenant or agreement in this Agreement, which failure continues unremedied for 60 days after the receipt of notice of such failure by Freddie Mac from the Holders of at least 25% of the outstanding Class Principal Balance of the Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes); in the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein.

(c) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of Freddie Mac in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, or sequestrator (or other similar official) of Freddie Mac or for all or substantially all of its property, or order the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(d) Freddie Mac shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, or sequestrator (or other similar official) of Freddie Mac or any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due.

The appointment of a conservator (or other similar official) by a regulator having jurisdiction over Freddie Mac, whether or not Freddie Mac consents to such appointment, will not constitute an Event of Default.

Section 5.02. Rights Upon Event of Default.

(a) As long as an Event of Default under this Agreement remains unremedied, Holders of not less than 50% of the outstanding Class Principal Balance of the Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) to which such Event of Default relates may, by written notice to Freddie Mac, declare such Notes due and payable and accelerate the maturity of such Notes. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. Upon such acceleration, the Class Principal Balance of such Notes and the interest accrued thereon shall be due and payable.

(b) Prior to or after the institution of any action or proceeding relating to the Notes, the Holders of not less than 50% of the outstanding Class Principal Balance of the Original Notes (in

each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) to which such Event of Default relates may waive an Event of Default, whether or not it has resulted in a declaration of an acceleration of the maturity of the Notes, and may rescind and annul any previously declared acceleration. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein.

(c) Whenever in this Agreement it is provided that the Holders of a specified percentage in outstanding Class Principal Balance of the Notes may take any action (including the making of any demand or request, or the giving of any authorization, notice, consent or waiver), the fact that at the time of taking any such action the Holders of such specified percentage have joined therein may be evidenced by a writing, or any number of writings of similar tenor, executed by Holders in person, or by an agent or proxy appointed in writing.

(d) No Holder of a Note has any right in any manner whatsoever by virtue of or by availing itself of any provision of this Agreement to affect, disturb or prejudice the rights of any other such Holder, or to obtain or seek to obtain preference or priority over any other such Holder or to enforce any right under this Agreement, except in the manner provided in this Agreement and for the ratable and common benefit of all such Holders.

ARTICLE VI

Miscellaneous Provisions

Section 6.01. Limitations on Liability of Freddie Mac and Others.

Neither Freddie Mac nor any of its directors, officers, employees or agents shall be under any liability to the Holders or Beneficial Owners for any action taken, or not taken, by them in good faith under this Agreement or for errors in judgment. This provision will not protect Freddie Mac or any other related person against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence or by reason of reckless disregard of obligations and duties under this Agreement. Freddie Mac and such related persons shall have no liability of whatever nature for special, indirect or consequential damages, lost profits or business, or any other liability or claim (other than for direct damages), even if reasonably foreseeable, or Freddie Mac has been advised of the possibility of such loss, damage, liability or claim. Freddie Mac and such related persons may rely in good faith on any document or other communication of any kind properly submitted by any person (in writing or electronically) with respect to any matter arising under this Agreement.

In performing its responsibilities under this Agreement, Freddie Mac may employ agents or independent contractors. Except upon an Event of Default, Freddie Mac shall not be subject to the control of Holders in any manner in the discharge of its responsibilities pursuant to this Agreement.

Freddie Mac shall be under no obligation to appear in, prosecute or defend any legal action that is not incidental to its responsibilities under this Agreement and which in its opinion may involve it in any expense or liability. However, Freddie Mac may in its discretion undertake any such legal action which it may deem necessary or desirable in the interests of the Holders. In such event, the legal expenses and costs of such action shall be expenses and costs of Freddie Mac.

Section 6.02. Binding Effect of this Agreement.

By receiving and accepting a Note, each Holder, Financial Intermediary and Beneficial Owner of such Note unconditionally agrees, without any signature or further manifestation of assent, to be bound by the terms and conditions of this Agreement, as supplemented, modified or amended pursuant to its terms.

This Agreement shall be binding upon and inure to the benefit of any successor to Freddie Mac.

Section 6.03 Tax Treatment of the Notes.

By purchasing the Class M Notes, Holders and Beneficial Owners agree to treat such Notes as indebtedness of Freddie Mac for U.S. federal income tax purposes, unless such Holders or Beneficial Owners are required to treat the Class M Notes in some other manner pursuant to a final determination by the Internal Revenue Service or by a court of competent jurisdiction (each a “**Final Tax Determination**”). By purchasing the Class B Notes, Holders agree to treat such Class B Notes as notional principal contracts for U.S. federal income tax purposes (except for U.S. withholding tax purposes) and, as a result, as (i) a deemed loan and (ii) an on-market swap, each of which is tax accounted for in the manner described in the Offering Circular, unless such Holders are required to treat the Class B Notes in some other manner pursuant to a Final Tax Determination. Holders and Beneficial Owners, as applicable, further agree (a) to prepare their U.S. federal income tax returns on the basis that (i) the Class M Notes will be treated as indebtedness of Freddie Mac and/or (ii) the Class B Notes will be treated as (1) a deemed loan and (2) an on-market swap, and (b) to report items of income, deduction, gain or loss with respect to the Original Notes in a manner consistent with the information reported to them pursuant to Section 3.01(d), unless otherwise required pursuant to a previously-selected method for tax accounting for contingent notional principal contracts or a Final Tax Determination.

Section 6.04. Limitation of Rights of Holders.

The death or incapacity of any person having an interest, beneficial or otherwise, in a Note shall not operate to terminate this Agreement, nor entitle the legal representatives or heirs of such person or any Holder for such person to claim an accounting, take any action or bring any proceeding in any court for a termination of any Notes, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 6.05. Conditions to Payment, Transfer or Exchange.

Freddie Mac, its agent or any other person potentially required to withhold with respect to payments on a Note shall have the right to require a Holder of a Note, as a condition to payment of principal of or interest on such Note, or as a condition to transfer or exchange of such Note, to present at such place as Freddie Mac, its agent or such other person shall designate a certificate in such form as Freddie Mac, its agent or such other person may from time to time prescribe, to enable Freddie Mac, its agent or such other person to determine its duties and liabilities with respect to (i) any taxes, assessments or governmental charges which Freddie Mac, the Global Agent, the Exchange Administrator or such other person, as the case may be, may be required to deduct or withhold from payments in respect of such Note under any present or future law of the United States or jurisdiction therein or any regulation or interpretation of any taxing authority thereof; and (ii) any reporting or other requirements under such laws, regulations or interpretations. Freddie Mac, its agent or such other person shall be entitled to determine its duties and liabilities with respect to such deduction, withholding, reporting or other requirements on the basis of information contained in such certificate or, if no certificate shall be presented, on the basis of any presumption created by any such law, regulation or interpretation, and shall be entitled to act in accordance with such determination.

Section 6.06. Amendment.

(a) Freddie Mac may modify, amend or supplement this Agreement and the terms of the Notes, without the consent of the Holders or Beneficial Owners, (i) to cure any ambiguity, or to correct or supplement any defective provision or to make any other provision with respect to matters or questions arising under this Agreement or the terms of any Note that are not inconsistent with any other provision of this Agreement or the Note; (ii) to add to the covenants of Freddie Mac for the benefit of the Holders or surrender any right or power conferred upon Freddie Mac; (iii) to evidence the succession of another entity to Freddie Mac and its assumption of the covenants of Freddie Mac; (iv) to conform the terms of an issue of Notes or cure any ambiguity or discrepancy resulting from any changes in the Book-Entry Rules or any regulation or document that are applicable to book-entry securities of Freddie Mac or (v) in any other manner that Freddie Mac may determine and that will not adversely affect in any material respect the interests of Holders or Beneficial Owners at the time of such modification, amendment or supplement. Notwithstanding these rights, Freddie Mac will not be permitted to make any amendment to this Agreement and the terms of the Notes unless Freddie Mac has received an opinion of nationally-recognized U.S. federal income tax counsel to the effect that, and subject to customary assumptions, qualifications and exclusions, Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such amendment.

(b) In addition, with the written consent of the Holders of at least 50% of the aggregate then outstanding Class Principal Balance of each Class of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) affected thereby, excluding any such Notes owned by Freddie Mac, Freddie Mac may, from time to time and at any time, modify, amend or supplement the terms of the Notes for the purpose of adding any provisions to or changing in any manner or eliminating any provisions of such Notes or modifying in any manner the rights of the Holders; provided, however, that no such modification, amendment or supplement may, without

the written consent or affirmative vote of each Holder of an affected Note; (A) change the Maturity Date or any monthly Payment Date of such Note; (B) materially modify the redemption or repayment provisions, if any, relating to the redemption or repayment price of, or any redemption or repayment date or period for, such Note; (C) reduce the Class Principal Balance or Notional Principal Amount of (other than as provided for in this Agreement), delay the principal payment of (other than as provided for in this Agreement), or materially modify the rate of interest or the calculation of the rate of interest on, such Note; or (D) reduce the percentage of Holders whose consent or affirmative vote is necessary to modify, amend or supplement the terms of the Notes. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. A quorum at any meeting of Holders called to adopt a resolution shall be Holders entitled to vote a majority of the then aggregate outstanding Class Principal Balance of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) called to such meeting and, at any reconvened meeting adjourned for lack of a quorum, 25% of the then aggregate outstanding Class Principal Balance of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes), in both cases excluding any Notes owned by Freddie Mac. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. It shall not be necessary for the Holders to approve the particular form of any proposed amendment, but it shall be sufficient if such consent or resolution approves the substance of such change.

(c) Freddie Mac may establish a record date for the determination of Holders entitled to grant any consent in respect of Notes and to notify with respect to any such consent.

(d) Any instrument given by or on behalf of any Holder of a Note in connection with any consent to any such modification, amendment or supplement shall be irrevocable once given and shall be conclusive and binding on all subsequent Holders of such Note or any Note issued, directly or indirectly, in exchange or substitution therefor, irrespective of whether or not notation in regard thereto is made thereon. Any modification, amendment or supplement of this Agreement or of the terms of Notes shall be conclusive and binding on all Holders of Notes affected thereby, whether or not they have given such consent (unless by the terms of this Agreement a written consent or an affirmative vote of such Holders is required), and whether or not notation of such modification, amendment or supplement is made upon the Notes.

(e) Freddie Mac will notify the Rating Agencies of any modification, amendment or supplement of this Agreement (which notification shall be effected pursuant to Section 6.08).

Section 6.07. Persons Deemed Owners.

Freddie Mac, the Registrar, DTC and the Common Depositaries (or any agent of any of them), may deem and treat the Holder as the absolute owner of a Note for the purpose of receiving payment of principal or interest and for all other purposes, and none of Freddie Mac,

the Registrar, DTC and the Common Depositories, nor any agent of any of them, shall be affected by any notice to the contrary. All such payments so made to any such Holder or upon such Holder's order shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the duty for monies payable by Freddie Mac upon an Original Note. A Holder is not necessarily the beneficial owner of a Note. The rights of a beneficial owner of a Note with respect to Freddie Mac and the Registrar may be exercised only through the Holder. The rights of a beneficial owner of a DTC Note with respect to DTC and a Common Depository Note with respect to the Common Depositories may be exercised only through the applicable DTC Participant. Neither Freddie Mac nor the Registrar shall have any direct obligation to a beneficial owner that is not also the Holder of a Note. DTC and the Common Depository will have no direct obligation to a beneficial owner that is not also a DTC Participant, with respect to such Note.

Section 6.08. Notice.

(a) Any notice, demand or other communication which by any provision of this Agreement is required or permitted to be given to or served upon any Holder may be given or served in writing by deposit thereof, postage prepaid, in the mail, addressed to such Holder as (i) such Holder's name and address may appear in the Register, (ii) in the case of a Holder of a DTC Note, by transmission to such Holder through the DTC communication system or (iii) in the case of a Common Depository Note, by transmission to such Holder through the Common Depository system. Such notice, demand or other communication to or upon any Holder shall be deemed to have been sufficiently given or made, for all purposes, upon mailing or transmission.

(b) Except as set forth in Section 4.04 of this Agreement, any notice, demand or other communication which by any provision of this Agreement is required or permitted to be given to or served upon Freddie Mac shall be given in writing addressed (until another address is published by Freddie Mac) as follows: Federal Home Loan Mortgage Corporation, 8200 Jones Branch Drive, McLean, Virginia 22102 Attention: General Counsel and Secretary. Such notice, demand or other communication to or upon Freddie Mac shall be deemed to have been sufficiently given or made only upon actual receipt of the writing by Freddie Mac.

(c) To the extent that Freddie Mac is required to provide any information or notification to the Rating Agencies pursuant to this Agreement, Freddie Mac will cause such information or notification to be posted to the Rating Agencies Information Website. None of the Global Agent, Exchange Administrator or Registrar shall provide any information directly to, or communicate with, either orally or in writing, any Rating Agency or any NRSRO regarding the Notes relevant to such Rating Agency's or NRSRO's surveillance of the Notes, including, but not limited to, providing responses to inquiries from a Rating Agency or NRSRO regarding the Notes. Upon the Global Agent, Exchange Administrator or Registrar receiving any communication from any Rating Agency or NRSRO regarding the Notes, it shall promptly forward such communication to Freddie Mac.

Section 6.09. Governing Law.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE HOLDERS

AND FREDDIE MAC WITH RESPECT TO THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE UNITED STATES. INsofar AS THERE MAY BE NO APPLICABLE PRECEDENT, AND INsofar AS TO DO SO WOULD NOT FRUSTRATE THE PURPOSES OF THE FREDDIE MAC ACT OR ANY PROVISION OF THIS AGREEMENT OR THE TRANSACTIONS GOVERNED THEREBY, THE LAWS OF THE STATE OF NEW YORK SHALL BE DEEMED REFLECTIVE OF THE LAWS OF THE UNITED STATES.

Section 6.10. Headings.

The Article, Section and Subsection headings are for convenience only and shall not affect the construction of this Agreement.

Section 6.11. Successors.

This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors, including any successor by operation of law, and permitted assigns.

RECEIPT AND ACCEPTANCE OF AN ORIGINAL NOTE (OR A MAC NOTE ISSUED IN EXCHANGE THEREFOR) ISSUED HEREUNDER BY OR ON BEHALF OF A HOLDER, WITHOUT ANY SIGNATURE OR FURTHER MANIFESTATION OF ASSENT, SHALL CONSTITUTE THE UNCONDITIONAL ACCEPTANCE BY THE HOLDER AND ALL OTHERS HAVING A BENEFICIAL INTEREST IN SUCH NOTE OF ALL THE TERMS AND PROVISIONS OF THIS AGREEMENT AND THE AGREEMENT OF FREDDIE MAC, SUCH HOLDER AND SUCH OTHERS THAT THOSE TERMS AND PROVISIONS SHALL BE BINDING, OPERATIVE AND EFFECTIVE AS BETWEEN FREDDIE MAC AND SUCH HOLDER AND SUCH OTHERS.

such Payment Date occurs to and including the 2nd Business Day of the calendar month in which such Payment Date occurs, and

(c) in the case of determining delinquency status with respect to each Reference Obligation, the last day of the second calendar month preceding such Payment Date.

Reversed Credit Event Reference Obligation: With respect to each Payment Date, a Reference Obligation formerly in the Reference Pool that became a Credit Event Reference Obligation in a prior Reporting Period that is found in the related Reporting Period, through Freddie Mac's quality control process, to have an Underwriting Defect, Major Servicing Defect or a data correction that invalidates the previously determined Credit Event.

Scheduled Principal: With respect to any Payment Date is the sum of all monthly scheduled payments of principal due (whether with respect to the related Reporting Period or any prior Reporting Period) on the Reference Obligations in the Reference Pool and reported to Freddie Mac and collected by the related servicer during the related Reporting Period.

Senior Percentage: With respect to any Payment Date is the percentage equivalent of a fraction, the numerator of which is the Class Notional Amount of the Class A-H Reference Tranche immediately prior to such Payment Date and the denominator of which is the aggregate unpaid principal balance of the Reference Obligations at the end of the previous Reporting Period.

Senior Reduction Amount: With respect to any Payment Date is either:

(a) with respect to each Payment Date, if any of the Minimum Credit Enhancement Test, the Cumulative Net Credit Event Test or the Delinquency Test is not satisfied, the sum of:

- (i) the Senior Percentage of the Scheduled Principal for such Payment Date,
- (ii) 100% of the Unscheduled Principal for such Payment Date, and
- (iii) 100% of the Recovery Principal for such Payment Date; or

(b) with respect to each Payment Date, if the Minimum Credit Enhancement Test, the Cumulative Net Credit Event Test and the Delinquency Test are satisfied, the sum of:

- (i) the Senior Percentage of the Scheduled Principal for such Payment Date,
- (ii) the Senior Percentage of the Unscheduled Principal for such Payment Date, and
- (iii) 100% of Recovery Principal for such Payment Date.

Subordinate Reduction Amount: With respect to any Payment Date, the sum of the Scheduled Principal, Unscheduled Principal and Recovery Principal for such Payment Date, less the Senior Reduction Amount.

Subordinate Percentage: With respect to any Payment Date, is the percentage equal to 100% *minus* the Senior Percentage for such Payment Date.

Termination Date: The earliest of (i) the Maturity Date, (ii) the Early Redemption Date, and (iii) the Payment Date on which the aggregate Class Principal Balance of all outstanding Classes of Original Notes is reduced to zero (without giving effect to any allocations of Tranche Write-down Amounts or Tranche Write-up Amounts on such Payment Date and all prior Payment Dates) and accrued and unpaid interest due on the Original Notes has been paid in full.

Tranche Write-down Amount: With respect to each Payment Date, the excess, if any, of the Principal Loss Amount for such Payment Date over the Principal Recovery Amount for such Payment Date. With respect to each Payment Date, the Class Notional Amount for the Class A-H Reference Tranche will be increased by the excess, if any, of the Tranche Write-down Amount for such Payment Date over the Credit Event Amount for such Payment Date.

Tranche Write-up Amount: With respect to each Payment Date, the excess, if any, of the Principal Recovery Amount for such Payment Date over the Principal Loss Amount for such Payment Date.

Unconfirmed Servicing Defect: With respect to any Reference Obligation, the existence of the following, as determined by Freddie Mac in its sole discretion, (a) there is a violation of the servicing guidelines and other requirements in the Freddie Mac Single Family Seller/Servicer Guide (the “**Guide**”, as modified by the terms of the related servicer’s contract, including any related terms of business (“**TOBs**”); and (b) Freddie Mac has issued a notice of defect, repurchase letter or a repurchase alternative letter related to the servicing breach. For the avoidance of doubt, Reference Obligations with minor technical violations, which in each case Freddie Mac determines to be acceptable Reference Obligations, may not result in an Unconfirmed Servicing Defect.

Unconfirmed Underwriting Defect: With respect to any Reference Obligation, the existence of the following, as determined by Freddie Mac in its sole discretion: (i) there is a material violation of the underwriting guidelines and other requirements in the Guide (as modified by any related TOBs) with respect to such Reference Obligation, (ii) Freddie Mac determines that as of the origination date such Reference Obligation was secured by collateral that was inadequate or (iii) Freddie Mac determines that as of the origination date repayment in full on such Reference Obligation from the related mortgagor could not be expected. For the avoidance of doubt, any Reference Obligation with minor technical violations or missing documentation, which in each case Freddie Mac determines to be an acceptable Reference Obligation, will not result in an Unconfirmed Underwriting Defect.

Underwriting Defect: With respect to any Payment Date and any Reference Obligation for which Freddie Mac has determined the existence of an Unconfirmed Underwriting Defect, the occurrence of any of the following: (i) such Reference Obligation is repurchased by the related seller or servicer during the related Reporting Period, (ii) in lieu of repurchase, an alternative remedy (such as indemnification) is mutually agreed upon by both Freddie Mac and the related seller or servicer during the related Reporting Period, (iii) Freddie Mac in its sole discretion elects to waive the enforcement of a remedy against the seller or servicer in respect of such Unconfirmed Underwriting Defect during the related Reporting Period or (iv) the party responsible for the representations and warranties and/or servicing obligations or liabilities with respect to the Reference Obligation becomes subject to a bankruptcy, an insolvency proceeding or a receivership.

Unscheduled Principal: With respect to each Payment Date, the sum of:

(a) all partial principal prepayments on the Reference Obligations collected during the related Reporting Period; *plus*

(b) the aggregate unpaid principal balance of all Reference Obligations that become Reference Pool Removals during the related Reporting Period other than Credit Event Reference Obligations or any Reversed Credit Event Reference Obligations, *plus*

(c) negative adjustments in the unpaid principal balance of all Reference Obligations as the result of loan modifications or data corrections, *minus*

(d) positive adjustments in the unpaid principal balance of all Reference Obligations as the result of loan modifications, reinstatements into the Reference Pool or Reference Obligations that were previously removed from the Reference Pool in error, or data corrections.

In the event the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above, the Unscheduled Principal for the applicable Payment Date will be zero, and the Class Notional Amount for the Class A-H Reference Tranche will be increased by the amount that the amount in clause (d) above exceeds the sum of the amounts in clauses (a), (b), and (c) above. In the event that Freddie Mac were to ever employ a policy that permitted or required principal forgiveness as a loss mitigation alternative, any principal that may be forgiven with respect to a Reference Obligation will be treated as a negative adjustment in unpaid principal balance of such Reference Obligation pursuant to clause (c) above.

U.S. Bank: U.S. Bank National Association.

Write-up Excess: With respect to each Payment Date, the excess, if any, of the Tranche Write-up Amount for such Payment Date over the Tranche Write-up Amount allocated on such Payment Date pursuant to clauses (i) through (v) of “*Allocation of Tranche Write-up Amounts to the Reference Tranches*” in Section 3.03(c) of this Agreement.

ARTICLE II

Authorization; Certain Terms

Section 2.01. Authorization.

The Notes shall be issued by Freddie Mac in accordance with the authority vested in Freddie Mac by Section 306(a) of the Freddie Mac Act. The indebtedness represented by the Original Notes shall be unsecured general obligations of Freddie Mac.

Section 2.02. Notes Held or Acquired by Freddie Mac.

Freddie Mac shall have the right to purchase and hold for its own account any Note and to otherwise acquire (either for cash or in exchange for newly-issued Notes) all or a portion of the Notes. Notes of any particular Class held or acquired by Freddie Mac shall have an equal and proportionate benefit to Notes of the same Class held by other Holders, without preference, priority or distinction, except that in determining whether the Holders of the required percentage of the outstanding principal amount (or notional principal amount) of the Notes have given any required demand, authorization, notice, consent or waiver under this Agreement, any Notes owned by Freddie Mac or any person directly or indirectly controlling or controlled by or under direct or indirect common control with Freddie Mac shall be disregarded and deemed not to be outstanding for the purpose of such determination.

ARTICLE III

Payments to Holders; Maturity; Early Redemption

Section 3.01. General.

(a) *General.* Payments in respect of Notes shall be made in immediately available funds to DTC, Euroclear, Clearstream or any other applicable clearing system, or their respective nominees, as the case may be, as the Holders thereof. Payments to a Holder of definitive Notes shall be made by electronic transfer of funds not later than the applicable Payment Date to a bank account designated by such Holder. Such payments shall be made in U.S. dollars. All payments to or upon the order of the Holder of a Note shall be valid and effective to discharge the liability of Freddie Mac in respect of an Original Note or a MAC Note representing an interest in Class M Notes. Ownership positions within each system referenced herein shall be determined in accordance with the normal conventions observed by such system. Freddie Mac, the Global Agent, the Exchange Administrator and the Registrar shall not have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a DTC Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Ownership of any Notes will be as indicated in the Register maintained by the Global Agent.

All payments on Notes are subject to any applicable law or regulation. If a payment

outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions, payments in respect of the related Notes shall be made at the office of any paying agent in the United States.

(b) *Business Day Convention.* In any case in which a Payment Date is not a Business Day, payment on the Notes shall not be made on such date but shall be made on the next Business Day with the same force and effect as if made on such Payment Date. No interest on such payment shall accrue for the period from and after such Payment Date to the actual date of such payment.

(c) *Withholding Requirements.* In the event that any jurisdiction imposes any withholding or other tax on any payment made by Freddie Mac (or its agent, the Exchange Administrator, or any other person potentially required to withhold) with respect to a Note, Freddie Mac (or its agent, the Exchange Administrator, or such other person) will deduct the amount required to be withheld from such payment, and Freddie Mac (or its agent, the Exchange Administrator, or such other person) will not be required to pay additional interest or other amounts, or redeem or repay the Notes prior to the Maturity Date, as a result.

(d) *Tax Reporting.* Freddie Mac (or its agent) shall furnish or make available, at such times as required by applicable law, to each Holder or Beneficial Owner of Original Notes such information as Freddie Mac (or its agent) is required or deems necessary or desirable to enable Holders and Beneficial Owners to prepare their U.S. federal income tax returns, if applicable. The Global Agent (or its agent), upon receiving direction from the Exchange Administrator, shall furnish or make available to each Holder or Beneficial Owner of MAC Notes information to facilitate tax reporting by a Holder or Beneficial Owner with respect to the MAC Notes, including tax reporting relating to original issue discount (“OID”), provided that for purposes of information reporting relating to OID, the Exchange Administrator shall calculate the yield to maturity with respect to a MAC Note based on the relevant prepayment assumption used to price the Class M Notes. In addition, for the MAC Notes included in Combinations 1, 2 and 3 set forth in *Appendix II* that pay stated interest at a variable rate, the Exchange Administrator shall assume that the variable rate is a fixed rate equal to the value of the variable rate as of the Initial MAC Notes Issuance Date, and for the MAC Notes included in Combinations 4 and 5 set forth in *Appendix II* that pay stated interest at a variable rate, the Exchange Administrator shall assume that the variable rate is a fixed rate equal to the value of the variable rate as of the Closing Date.

(e) *Determination Final.* The determination by Freddie Mac or the Global Agent of the interest rate on the Notes and the determination of any payment on any Note (or any interim calculation in the determination of any such interest rate, index or payment) shall, absent manifest error, be final and binding on all parties. If a principal or interest payment error occurs, Freddie Mac or the Global Agent may correct it by adjusting payments to be made on later Payment Dates or in any other manner Freddie Mac or the Global Agent considers appropriate. If the source of One-Month LIBOR changes in format, but Freddie Mac or the Global Agent determines that the source continues to disclose the information necessary to determine the related Class Coupon substantially as required, Freddie Mac will amend the procedure for obtaining information from that source to reflect the changed format. All One-Month LIBOR values used to determine interest payments are subject to correction within 30 days from the

applicable payment. The source of a corrected value must be the same source from which the original value was obtained. A correction might result in an adjustment on a later date to the amount paid to the Holder.

Section 3.02. Interest Payments. The amount of interest that will accrue on a given Class of Notes during each Accrual Period is equal to:

- the Class Coupon for such Class of Notes for such Accrual Period (calculated using the Class Coupon Formula for such Class of Notes, if applicable), multiplied by
- the Class Principal Balance (or Notional Principal Amount) of such Class of Notes immediately prior to such Payment Date, multiplied by
- a fraction, the numerator of which is the actual number of days in such Accrual Period and the denominator of which is 360.

Interest shall be payable in arrears. Notwithstanding the foregoing, the amount of interest payable to any Class of Notes may be subject to reduction or increase as set forth under Section 3.03(f) or Section 3.03(g) hereof, as applicable.

Section 3.03. Hypothetical Structure and Reference Tranches.

(a) *General.* Solely for purposes of making the calculations for each Payment Date of any (i) principal write-downs (or write-ups) on the Notes as a result of Credit Events (or reversals thereof) or Modifications Events on the Reference Obligations, (ii) any reduction or increase in interest amounts on the Notes as a result of Modification Events on the Reference Obligations and (iii) principal payments required to be made on the Notes by Freddie Mac, a hypothetical structure of nine (9) classes of Reference Tranches (the Class A-H, Class M-1, Class M-1H, Class M-2, Class M-2H, Class M-3, Class M-3H, Class B and Class B-H Reference Tranches) deemed to be backed by the Reference Pool is hereby established. Each Class of Reference Tranche will have the initial Class Notional Amount set forth in the definition of “Reference Tranches” in Article I (Definitions) in this Agreement, and the aggregate of the initial Class Notional Amounts of all the Reference Tranches will equal the Cut-off Date Balance.

(b) *Allocation of Tranche Write-down Amounts to the Reference Tranches.* On each Payment Date on or prior to the Termination Date, the amount, if any, of the Tranche Write-down Amount for that Payment Date will be allocated, *first*, to reduce any Overcollateralization Amount for such Payment Date, until such Overcollateralization Amount is reduced to zero, and, *second*, to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

- (i) *first*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,
- (ii) *second*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and,

(v) *fifth*, to the Class A-H Reference Tranche.

(c) *Allocation of Tranche Write-up Amounts to the Reference Tranches.* On each Payment Date on or prior to the Termination Date, the Tranche Write-up Amount, if any, for such Payment Date will be allocated to increase the Class Notional Amount of each Class of Reference Tranche in the following order of priority until the cumulative Tranche Write-up Amounts allocated to each such Class of Reference Tranche is equal to the cumulative Tranche Write-down Amounts previously allocated to such Class of Reference Tranche on or prior to such Payment Date:

(i) *first*, to the Class A-H Reference Tranche,

(ii) *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and

(v) *fifth*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date.

(d) *Allocation of Senior Reduction Amount to the Reference Tranches.* On each Payment Date prior to the Termination Date, after allocation of the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date as described above, the Senior Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

(i) *first*, to the Class A-H Reference Tranche,

(ii) *second*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, and

(v) *fifth*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date.

(e) *Allocation of Subordinate Reduction Amount to the Reference Tranches.* On each Payment Date prior to the Termination Date, after allocation of the Senior Reduction Amount and the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date as described above, the Subordinate Reduction Amount will be allocated to reduce the Class Notional Amount of each Class of Reference Tranche in the following order of priority, in each case until its Class Notional Amount is reduced to zero:

(i) *first*, to the Class M-1 and Class M-1H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(ii) *second*, to the Class M-2 and Class M-2H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date,

(v) *fifth*, to the Class A-H Reference Tranche.

(f) *Allocation of Modification Loss Amount.* On each Payment Date on or prior to the Termination Date, the Preliminary Principal Loss Amount, the Preliminary Tranche Write-down Amount, the Preliminary Tranche Write-up Amount, and the Preliminary Class Notional Amount will be computed prior to allocating the Modification Loss Amount, as set forth below.

On each Payment Date on or prior to the Termination Date, the Modification Loss Amount, if any, for such Payment Date, will be allocated in the following order of priority:

(i) *first*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class B Reference Tranche is equal to the Class B Notes Interest Accrual Amount;

(ii) *second*, to the Class B and Class B-H Reference Tranches, *pro rata*, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class B and Class B-H Reference Tranches is equal

to the aggregate of the Preliminary Class Notional Amounts of the Class B and Class B-H Reference Tranches for such Payment Date;

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-3 Reference Tranche is equal to the Class M-3 Notes Interest Accrual Amount;

(iv) *fourth*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-3 and Class M-3H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-3 and Class M-3H Reference Tranches for such Payment Date;

(v) *fifth*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-2 Reference Tranche is equal to the Class M-2 Notes Interest Accrual Amount;

(vi) *sixth*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-2 and Class M-2H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-2 and Class M-2H Reference Tranches for such Payment Date;

(vii) *seventh*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-1 Reference Tranche is equal to the Class M-1 Notes Interest Accrual Amount; and

(viii) *eighth*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Preliminary Class Notional Amounts immediately for such Payment Date until the aggregate amount allocated to the Class M-1 and Class M-1H Reference Tranches is equal to the aggregate of the Preliminary Class Notional Amounts of the Class M-1 and Class M-1H Reference Tranches for such Payment Date.

Any amounts allocated to the Class M-1, Class M-2, Class M-3 or Class B Reference Tranches in the *seventh*, *fifth*, *third*, or *first* priority above will result in a corresponding reduction of the Interest Payment Amount of the Class M-1, Class M-2, Class M-3 or Class B Notes, as applicable (in each case without regard to any exchanges of Class M Notes for MAC Notes). If the Class M-1 Notes have been exchanged for the Class M-1I and Class M-1F Notes, the Class M-2 Notes have been exchanged for the Class M-2I and Class M-2F Notes, or the Class M-3

Notes have been exchanged for the Class M-3I and Class M-3F Notes, any Modification Loss Amount that is allocable in the *third, fifth, or seventh* priority above on any Payment Date to such exchanged Class M Notes will be allocated to reduce the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date, pro rata, based on their Interest Accrual Amounts. If Class M Notes have been exchanged for any other MAC Notes, any Modification Loss Amount that are allocable in the *third, fifth, or seventh* priority above to such exchanged Class M Notes will be allocated to reduce the Interest Payment Amount, as applicable, of such MAC Notes in accordance with the exchange proportions applicable. Any amounts allocated to any of the Reference Tranches in the *second, fourth, sixth, or eighth* priority above will be included in the Principal Loss Amount for the related Payment Date.

(g) *Allocation of Modification Gain Amount.* On each Payment Date on or prior to the Termination Date, the Modification Gain Amount, if any, for such Payment Date, will be allocated in the following order of priority:

(i) *first*, to the Class M-1 and Class M-1H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-1 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-1 Notes on all prior Payment Dates;

(ii) *second*, to the Class M-2 and Class M-2H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-2 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-2 Notes on all prior Payment Dates;

(iii) *third*, to the Class M-3 and Class M-3H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class M-3 Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class M-3 Notes on all prior Payment Dates;

(iv) *fourth*, to the Class B and Class B-H Reference Tranches, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date, until the amount allocated to the Class B Reference Tranche is equal to the cumulative amount of unreimbursed Modification Loss Amount allocated to reduce the Interest Payment Amount on the Class B Notes on all prior Payment Dates; and

(v) *fifth*, to the most subordinate Classes of pro rata Reference Tranches outstanding, pro rata, based on their Class Notional Amounts immediately prior to such Payment Date.

Any amounts allocated to the Class M-1, Class M-2, Class M-3 or Class B Reference Tranches above on any Payment Date will result in a corresponding increase of the Interest Payment Amount of the Class M-1, Class M-2, Class M-3 or Class B Notes, as applicable (in each case without regard to any exchanges of Class M Notes for MAC Notes for such Payment Date). If the Class M-1 Notes have been exchanged for the Class M-1I and Class M-1F Notes, the Class M-2 Notes have been exchanged for the Class M-2I and Class M-2F Notes, or the Class M-3 Notes have been exchanged for the Class M-3I and Class M-3F Notes, any Modification Gain Amount that is allocable to such exchanged Class M Notes on any Payment Date will be allocated to increase the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date, pro rata, based on their Interest Accrual Amounts. If Class M Notes have been exchanged for any other MAC Notes, any Modification Gain Amount that is allocable to such exchanged Class M Notes on any Payment Date will be allocated to increase the Interest Payment Amounts, as applicable, of such MAC Notes for such Payment Date in accordance with the exchange proportions applicable to the related Combination.

(h) *Notes Acquired by Freddie Mac.* Freddie Mac may, from time to time, repurchase or otherwise acquire (either for cash or in exchange for newly-issued Notes) some or all of the Notes at any price or prices, in the open market or otherwise. Freddie Mac may hold, sell or cancel any such repurchased Notes. Any Notes Freddie Mac owns shall have an equal and proportionate benefit under the provisions of this Agreement, without preference, priority or distinction as among those Notes. However, in determining whether the required percentage of Holders of the Notes have given any required demand, authorization, notice, consent or waiver, Notes Freddie Mac owns, directly or indirectly, shall be deemed not to be outstanding. For the avoidance of doubt, any Notes repurchased or otherwise acquired by Freddie Mac shall no longer be considered issued and outstanding for any U.S. federal tax purpose. Notwithstanding the foregoing, in the event Freddie Mac cancels any Notes pursuant to this Section 3.03(h), solely for purposes of making calculations with respect to the hypothetical structure and Reference Tranches, such Notes and related Reference Tranches shall be deemed to continue to be outstanding in accordance with the terms set forth in this Agreement. For the avoidance of doubt, no payments shall be made with respect to any such cancelled Notes.

Section 3.04. Principal Payments and Other Allocations on the Notes.

(a) *Reductions in Class Principal Balances of the Notes.* On each Payment Date on or prior to the Termination Date, the Class Principal Balance of each Class of Original Notes will be reduced (in each case without regard to any exchanges of Class M Notes for MAC Notes), without any corresponding payment of principal, by the amount of the reduction, if any, in the Class Notional Amount of the Corresponding Class of Reference Tranche due to the allocation of Tranche Write-down Amounts to such Class of Reference Tranche on such Payment Date pursuant to Section 3.03(b) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes is outstanding, all Tranche Write-down Amounts that are allocable to Class M Notes that were exchanged for such MAC Notes will be allocated to reduce the Class Principal Balances or Notional Principal

Amounts, as applicable, of such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(b) *Increases in Class Principal Balances of the Notes.* On each Payment Date on or prior to the Termination Date, the Class Principal Balance of each Class of Original Notes will be increased (in each case without regard to any exchanges of Class M Notes for MAC Notes) by the amount of the increase, if any, in the Class Notional Amount of the Corresponding Class of Reference Tranche due to the allocation of Tranche Write-up Amounts to such Class of Reference Tranche on such Payment Date pursuant to Section 3.03(c) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes is outstanding, all Tranche Write-up Amounts that are allocable to Class M Notes that were exchanged for such MAC Notes will be allocated to increase the Class Principal Balances or Notional Principal Amounts, as applicable, of such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(c) *Principal Payments on the Notes.* On each Payment Date prior to the Maturity Date or the Early Redemption Date, Freddie Mac (or its agent, the Global Agent) will pay principal on each Class of Original Notes (in each case without regard to any exchanges of Class M Notes for MAC Notes) in reduction of its Class Principal Balance in an amount equal to the portion of the Senior Reduction Amount and/or Subordinate Reduction Amount, as applicable, allocated to reduce the Class Notional Amount of the Corresponding Class of Reference Tranche on such Payment Date pursuant to Sections 3.03 (d) and (e) above.

If on the Maturity Date or any Payment Date a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination. The Interest Only MAC Notes are not entitled to receive payments of principal.

Section 3.05. Determination of One-Month LIBOR.

Pursuant to the terms of the Global Agency Agreement, the Global Agent shall calculate the Class Coupons for the applicable Classes of Notes (including MAC Notes on which the Exchange Administrator has directed the Global Agent to make payments) for each Accrual Period (after the first Accrual Period) on the applicable LIBOR Adjustment Date.

“One-Month LIBOR” will be determined by using the “Interest Settlement Rate” for U.S. dollar deposits with a maturity of one month set by ICE Benchmark Administration Limited (**“ICE”**) as of 11:00 a.m. (London time) on the LIBOR Adjustment Date (the **“ICE Method”**).

ICE’s Interest Settlement Rates are currently displayed on Bloomberg L.P.’s page “BBAM.” That page, or any other page that may replace page BBAM on that service or any other service that ICE nominates as the information vendor to display the ICE’s Interest Settlement Rates for deposits in U.S. dollars, is a **“Designated Page.”** ICE’s Interest Settlement Rates currently are rounded to five decimal places.

If ICE's Interest Settlement Rate does not appear on the Designated Page as of 11:00 a.m. (London time) on a LIBOR Adjustment Date, or if the Designated Page is not then available, One-Month LIBOR for that date will be the most recently published Interest Settlement Rate. If ICE no longer sets an Interest Settlement Rate, Freddie Mac will designate an alternative index that has performed, or that Freddie Mac (or its agent) expects to perform, in a manner substantially similar to ICE's Interest Settlement Rate.

Section 3.06. Payment Procedures; Record Date.

(a) *Procedures.* Payments of principal and interest due to Holders of Classes maintained on the DTC System shall be paid by Freddie Mac (or the Global Agent, whether taking direction from Freddie Mac or from the Exchange Administrator) to DTC in immediately available funds. DTC shall be responsible for crediting the amount of such payments to the accounts of the applicable DTC Participants in accordance with its normal procedures. Payments with respect to Common Depository Notes shall be credited to Euroclear participants, Clearstream participants or participants of any other applicable clearing system in accordance with the relevant system's rules and procedures.

Payments to a Holder of definitive Notes shall be made by electronic transfer of funds not later than the applicable Payment Date to a bank account designated by such Holder; *provided, however*, that the final payment on any definitive Note shall be made only upon presentation and surrender of the Holder's definitive Note at the office of the Global Agent or other paying agent, as described in Section 4.04.

In the event of a principal or interest payment error, Freddie Mac, in its sole discretion, may effect corrections by the adjustment of payments to be made on future Payment Dates or in such other manner as it deems appropriate.

(b) *Record Date.* Any payment made on a Class on any Payment Date shall be made to the Holders of record of such Class as of the related Record Date.

Section 3.07. Maturity.

(a) *General.* On the Maturity Date, Freddie Mac shall pay 100% of the outstanding Class Principal Balance as of such date to the Holders of each Class of Original Notes (without regard to any exchanges of Class M Notes for MAC Notes), after taking into account any allocations of any Tranche Write-down Amounts and Tranche Write-up Amounts applicable to such Classes for such Payment Date.

(b) *Payments to MAC Notes.* If on the Maturity Date a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination. The Interest Only MAC Notes are not entitled to receive payments of principal.

Section 3.08. Early Redemption Option.

(a) *General.* On any Payment Date at the earlier of (a) on or after the Payment Date on which the aggregate unpaid principal balance of the Reference Obligations is less than or equal to 10% of the Cut-off Date Balance of the Reference Obligations; or (b) on or after the Payment Date in June 2025, Freddie Mac may, at its option, redeem the Original Notes. On such Payment Date, Freddie Mac shall pay an amount equal to the outstanding Class Principal Balance, after allocation of the Tranche Write-down Amount or Tranche Write-up Amount, if any, for such Payment Date, of each Class of Original Notes (without regard to any exchanges of Class M Notes for MAC Notes), plus accrued and unpaid interest.

(b) *Payments to MAC Notes.* In the case of an early redemption as described in (a) above, if a Class of MAC Notes that is entitled to principal is outstanding, all principal amounts that are payable by Freddie Mac on Class M Notes that were exchanged for such MAC Notes will be allocated to and payable on such MAC Notes in accordance with the exchange proportions applicable to the related Combination.

(c) *Notice.* Notice of optional redemption shall be given to Holders of the related Notes not less than 5 Business Days nor more than 60 calendar days prior to the Payment Date of the redemption in the manner provided in Section 6.08.

Section 3.09. MAC Notes.

(a) *General.* Pursuant to the procedures and fees set forth in the Exchange Administration Agreement, the Class M Notes may be exchanged, in whole or in part, for MAC Notes at any time on or after the Initial MAC Notes Issuance Date. *Appendix II* describes the characteristics of the MAC Classes and the available Combinations of Class M Notes and MAC Notes. Exchanges of Class M Notes for MAC Notes, and vice versa, may occur repeatedly pursuant to the procedures set forth in the Exchange Administration Agreement.

(b) *Voting and Direction Rights of MAC Notes.* In the event that Class M Notes have been exchanged for MAC Notes, the Holders of such MAC Notes will be entitled to exercise all the voting and direction rights that are allocated to such exchanged Class M Notes and the outstanding balances of such MAC Notes will be used to determine if the requisite percentage of Holders under this Agreement has voted or given direction; provided that with respect to (x) any outstanding MAC Notes exchanged for Class M Notes in Combination 1 set forth on *Appendix II*, the Class M-1I Notes so exchanged will be entitled to exercise 1% of the total voting or direction rights that were allocated to such exchanged Class M Notes and the Class M-1F Notes so exchanged will be entitled to exercise 99% of the total voting or direction rights that were allocated to such exchanged Class M Notes, (y) any outstanding MAC Notes exchanged for Class M Notes in Combination 2 set forth on *Appendix II*, the Class M-2I Notes so exchanged will be entitled to exercise 1% of the total voting or direction rights that were allocated to such exchanged Class M Notes and the Class M-2F Notes so exchanged will be entitled to exercise 99% of the total voting or direction rights that were allocated to such exchanged Class M Notes, and (z) any outstanding MAC Notes exchanged for Class M Notes in Combination 3 set forth on *Appendix II*, the Class M-3I Notes so exchanged will be entitled to exercise 1% of the total

voting or direction rights that were allocated to such exchanged Class M Notes and the Class M-3F Notes so exchanged will be entitled to exercise 99% of the total voting or direction rights that were allocated to such exchanged Class M Notes.

ARTICLE IV

Form; Clearance and Settlement Procedures; Minimum Denominations; Definitive Notes

Section 4.01. Form of Notes.

(a) *General.* Original Notes shall be deposited with (i) the Global Agent as a custodian for, and registered in the name of a nominee of, DTC, or (ii) the Global Agent as a Common Depositary, and registered in the name of such Common Depositary or a nominee of such Common Depositary. In the case of an exchange of a Class M Note and a MAC Note, the Exchange Administrator shall direct the Global Agent to facilitate such exchange with DTC.

(b) *Title.* The person in whose name a Note is registered in the Register shall be the Holder of such Note. Beneficial interests in a Note shall be represented, and transfers thereof shall be effected, only through book-entry accounts of financial institutions acting on behalf of the Beneficial Owners of such Note, as a direct or indirect participant in the applicable clearing system for such Note.

Freddie Mac, the Global Agent, the Exchange Administrator and the Registrar may treat the Holders as the absolute owners of Notes for the purpose of making payments and for all other purposes, whether or not such Notes shall be overdue and notwithstanding any notice to the contrary. Owners of beneficial interests in a Note shall not be considered by Freddie Mac, the Global Agent, the Exchange Administrator or the Registrar as the owner or Holder of such Note and, except as provided in Section 4.04(a), shall not be entitled to have such Notes registered in their names and shall not receive or be entitled to receive definitive Notes. Any Beneficial Owner shall rely on the procedures of the applicable clearing system and, if such Beneficial Owner is not a participant therein, on the procedures of the participant through which such Beneficial Owner holds its interest, to exercise any rights of a Holder of such Notes.

(c) *Global Agent and Exchange Administrator.* The Global Agent acts solely as a fiscal agent of Freddie Mac with respect to the Original Notes (and of the Exchange Administrator with respect to the MAC Notes) and does not assume any obligation or relationship of agency or trust for or with any Holder of an Original Note, except that any moneys held by the Global Agent for payment on an Original Note shall be held in trust for the Holder. The Global Agent does not assume any obligation or relationship of agency or trust for, or with, any Holder of an Original Note.

(d) *Registrar.* In acting under the Global Agency Agreement, the Registrar does not

assume any obligation or relationship of agency or trust for, or with, any Holder of a Note.

Section 4.02. Clearance and Settlement Procedures.

(a) *General.* Notes distributed solely within the United States shall clear and settle through the DTC System, and Notes distributed solely outside of the United States shall clear and settle through the systems operated by Euroclear, Clearstream and/or any other designated clearing system or, in certain cases, DTC.

(b) Primary Distribution.

(i) *General.* On initial issue, the Notes shall be credited through one or more of the systems specified below.

(ii) *DTC.* DTC Participants acting on behalf of investors holding DTC Notes shall follow the delivery practices applicable to securities eligible for DTC's Same-Day Funds Settlement System. DTC Notes shall be credited to DTC Participants' securities accounts following confirmation of receipt of payment to Freddie Mac on the Closing Date.

(iii) *Euroclear and Clearstream.* Investors holding Common Depository Notes through Euroclear, Clearstream or such other clearing system shall follow the settlement procedures applicable to conventional Eurobonds in registered form. Such Common Depository Notes shall be credited to Euroclear, Clearstream or such other clearing system participants' securities accounts either on the Closing Date or on the settlement day following the Closing Date against payment in same-day funds (for value on the Closing Date).

(c) *Secondary Market Transfers.* Transfers of beneficial interests in the Notes within the various systems that may be clearing and settling interests therein shall be made in accordance with the usual rules and operating procedures of the relevant system.

(d) *Limitation on Liability.* None of Freddie Mac, the Global Agent or the Exchange Administrator shall bear responsibility, in connection with the Notes, for the performance by any system or the performance of the system's respective direct or indirect participants or accountholders of the respective obligations of such participants or account holders under the rules and procedures governing such system's operations.

Section 4.03. Minimum Denominations.

The Original Notes shall be issued and maintained in minimum denominations of \$250,000 and additional increments of \$1.

Section 4.04. Definitive Notes.

(a) *Issuance of Definitive Notes.* Beneficial interests in Notes issued in global form shall be subject to exchange for definitive Notes only if such exchange is permitted by applicable law

and (i) in the case of a DTC Note, DTC or Freddie Mac advise the Global Agent in writing that DTC is no longer willing, qualified or able to discharge properly its responsibilities as nominee and depository with respect to the DTC Notes and Freddie Mac (or its agent) is unable to locate a successor; (ii) in the case of a particular DTC Note or Common Depository Note, if all of the systems through which it is cleared or settled are closed for business for a continuous period of 14 calendar days (other than by reason of holidays, statutory or otherwise) or are permanently closed for business or have announced an intention to permanently cease business and in any such situations Freddie Mac is unable to locate a single successor within 90 calendar days of such closure; or (iii) after the occurrence of an Event of Default, Holders of Notes having voting rights aggregating not less than a majority of all voting rights evidenced by the DTC Notes and Common Depository Notes advise the Global Agent and DTC through the Financial Intermediaries and the DTC Participants in writing that the continuation of a book-entry system through DTC (or successor thereto) is no longer in the best interests of such Holders. In such circumstances, Freddie Mac shall cause sufficient definitive Notes to be executed and delivered as soon as practicable (and in any event within 45 calendar days of Freddie Mac receiving notice of the occurrence of such circumstances) to the Global Agent or its agent for completion, authentication and delivery to the relevant registered holders of such definitive Notes. A person having an interest in a DTC Note or Common Depository Note issued in global form shall provide Freddie Mac or the Global Agent with a written order containing instructions and such other information as Freddie Mac or the Global Agent may require to complete, execute and deliver such definitive Notes in authorized denominations.

In the event that definitive Notes are issued in exchange for Notes issued in global form, such definitive Notes shall have terms identical to the Notes for which they were exchanged except as described below.

(b) *Title.* The person in whose name a definitive Note is registered in the Register shall be the “Holder” of such definitive Note.

(c) *Payments.* Payments of principal and interest on a definitive Note shall be made by wire transfer of immediately available funds with a bank designated by such Holder that is acceptable to Freddie Mac; provided, that such bank has appropriate facilities therefor and accepts such transfer and such transfer is permitted by any applicable law or regulation and will not subject Freddie Mac to any liability, requirement or unacceptable charge. In order for a Holder to receive such payments, the relevant paying agent (including the Global Agent) must receive at their offices from such Holder (i) in the case of payments on a Payment Date, a written request therefor not later than the close of business on the related Record Date or (ii) in the case of the final principal payment (on the Maturity Date or any earlier date of redemption or repayment) the related definitive Note not later than two Business Days prior to such Payment Date. Such written request must be delivered to the relevant paying agent (including the Global Agent) by mail, by hand delivery or by any other method acceptable to the relevant paying agent. Any such request shall remain in effect until the relevant paying agent receives written notice to the contrary.

All payments on definitive Notes shall be subject to any applicable law or regulation. If a payment outside the United States is illegal or effectively precluded by exchange controls or

similar restrictions, payments in respect of the related definitive Notes may be made at the office of any paying agent in the United States.

(d) *Transfer and Exchange.* Definitive Notes shall be presented for registration of transfer or exchange (with the form of transfer included thereon properly endorsed, or accompanied by a written instrument of transfer, with such evidence of due authorization and guaranty of signature as may be required by Freddie Mac, duly executed) at the office of the Registrar or any other transfer agent upon payment of any taxes and other governmental charges and other amounts, but without payment of any service charge to the Registrar or such transfer agent for such transfer or exchange. A transfer or exchange shall not be effective unless, and until, recorded in the Register.

A transfer or exchange of a definitive Note shall be effected upon satisfying the Global Agent with regard to the documents and identity of the person making the request and subject to such reasonable regulations as Freddie Mac may from time to time agree with the Global Agent. Such documents may include forms prescribed by U.S. tax authorities to establish the applicability of, or the exemption from, withholding or other taxes regarding the transferee Holder. Definitive Notes may be transferred or exchanged in whole or in part only in the authorized denominations of the DTC Notes or Common Depositary Notes issued in global form for which they were exchanged. In the case of a transfer of a definitive Note in part, a new Note in respect of the balance not transferred shall be issued to the transferor. In addition, replacement of mutilated, destroyed, stolen or lost definitive Notes also is subject to the conditions discussed above with respect to transfers and exchanges generally. Each new definitive Note to be issued upon transfer of such a definitive Note, as well as the definitive Note issued in respect of the balance not transferred, shall be mailed to such address as may be specified in the form or instrument of transfer at the risk of the Holder entitled thereto in accordance with the customary procedures of the Global Agent.

Any definitive Note that becomes mutilated, destroyed, stolen or lost shall be replaced by Freddie Mac at the expense of the Holder upon delivery to Global Agent of evidence of the destruction, theft or loss thereof, and an indemnity satisfactory to Freddie Mac and the Global Agent. Upon the issuance of any substituted definitive Note, Freddie Mac or the Global Agent may require the payment by the Holder of a sum sufficient to cover any taxes and expenses connected therewith.

ARTICLE V

Events of Default and Remedies

Section 5.01. Events of Default.

An “**Event of Default**” with respect to the Notes shall consist of any one of the following cases:

(a) any failure by Freddie Mac (or its agent) to pay to Holders of such Notes any required interest or principal payment that continues unremedied for 30 days;

(b) any failure by Freddie Mac to perform in any material way any other covenant or agreement in this Agreement, which failure continues unremedied for 60 days after the receipt of notice of such failure by Freddie Mac from the Holders of at least 25% of the outstanding Class Principal Balance of the Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes); in the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein.

(c) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of Freddie Mac in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, or sequestrator (or other similar official) of Freddie Mac or for all or substantially all of its property, or order the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(d) Freddie Mac shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, or sequestrator (or other similar official) of Freddie Mac or any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due.

The appointment of a conservator (or other similar official) by a regulator having jurisdiction over Freddie Mac, whether or not Freddie Mac consents to such appointment, will not constitute an Event of Default.

Section 5.02. Rights Upon Event of Default.

(a) As long as an Event of Default under this Agreement remains unremedied, Holders of not less than 50% of the outstanding Class Principal Balance of the Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) to which such Event of Default relates may, by written notice to Freddie Mac, declare such Notes due and payable and accelerate the maturity of such Notes. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. Upon such acceleration, the Class Principal Balance of such Notes and the interest accrued thereon shall be due and payable.

(b) Prior to or after the institution of any action or proceeding relating to the Notes, the Holders of not less than 50% of the outstanding Class Principal Balance of the Original Notes (in

each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) to which such Event of Default relates may waive an Event of Default, whether or not it has resulted in a declaration of an acceleration of the maturity of the Notes, and may rescind and annul any previously declared acceleration. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein.

(c) Whenever in this Agreement it is provided that the Holders of a specified percentage in outstanding Class Principal Balance of the Notes may take any action (including the making of any demand or request, or the giving of any authorization, notice, consent or waiver), the fact that at the time of taking any such action the Holders of such specified percentage have joined therein may be evidenced by a writing, or any number of writings of similar tenor, executed by Holders in person, or by an agent or proxy appointed in writing.

(d) No Holder of a Note has any right in any manner whatsoever by virtue of or by availing itself of any provision of this Agreement to affect, disturb or prejudice the rights of any other such Holder, or to obtain or seek to obtain preference or priority over any other such Holder or to enforce any right under this Agreement, except in the manner provided in this Agreement and for the ratable and common benefit of all such Holders.

ARTICLE VI

Miscellaneous Provisions

Section 6.01. Limitations on Liability of Freddie Mac and Others.

Neither Freddie Mac nor any of its directors, officers, employees or agents shall be under any liability to the Holders or Beneficial Owners for any action taken, or not taken, by them in good faith under this Agreement or for errors in judgment. This provision will not protect Freddie Mac or any other related person against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence or by reason of reckless disregard of obligations and duties under this Agreement. Freddie Mac and such related persons shall have no liability of whatever nature for special, indirect or consequential damages, lost profits or business, or any other liability or claim (other than for direct damages), even if reasonably foreseeable, or Freddie Mac has been advised of the possibility of such loss, damage, liability or claim. Freddie Mac and such related persons may rely in good faith on any document or other communication of any kind properly submitted by any person (in writing or electronically) with respect to any matter arising under this Agreement.

In performing its responsibilities under this Agreement, Freddie Mac may employ agents or independent contractors. Except upon an Event of Default, Freddie Mac shall not be subject to the control of Holders in any manner in the discharge of its responsibilities pursuant to this Agreement.

Freddie Mac shall be under no obligation to appear in, prosecute or defend any legal action that is not incidental to its responsibilities under this Agreement and which in its opinion may involve it in any expense or liability. However, Freddie Mac may in its discretion undertake any such legal action which it may deem necessary or desirable in the interests of the Holders. In such event, the legal expenses and costs of such action shall be expenses and costs of Freddie Mac.

Section 6.02. Binding Effect of this Agreement.

By receiving and accepting a Note, each Holder, Financial Intermediary and Beneficial Owner of such Note unconditionally agrees, without any signature or further manifestation of assent, to be bound by the terms and conditions of this Agreement, as supplemented, modified or amended pursuant to its terms.

This Agreement shall be binding upon and inure to the benefit of any successor to Freddie Mac.

Section 6.03 Tax Treatment of the Notes.

By purchasing the Class M Notes, Holders and Beneficial Owners agree to treat such Notes as indebtedness of Freddie Mac for U.S. federal income tax purposes, unless such Holders or Beneficial Owners are required to treat the Class M Notes in some other manner pursuant to a final determination by the Internal Revenue Service or by a court of competent jurisdiction (each a “**Final Tax Determination**”). By purchasing the Class B Notes, Holders agree to treat such Class B Notes as notional principal contracts for U.S. federal income tax purposes (except for U.S. withholding tax purposes) and, as a result, as (i) a deemed loan and (ii) an on-market swap, each of which is tax accounted for in the manner described in the Offering Circular, unless such Holders are required to treat the Class B Notes in some other manner pursuant to a Final Tax Determination. Holders and Beneficial Owners, as applicable, further agree (a) to prepare their U.S. federal income tax returns on the basis that (i) the Class M Notes will be treated as indebtedness of Freddie Mac and/or (ii) the Class B Notes will be treated as (1) a deemed loan and (2) an on-market swap, and (b) to report items of income, deduction, gain or loss with respect to the Original Notes in a manner consistent with the information reported to them pursuant to Section 3.01(d), unless otherwise required pursuant to a previously-selected method for tax accounting for contingent notional principal contracts or a Final Tax Determination.

Section 6.04. Limitation of Rights of Holders.

The death or incapacity of any person having an interest, beneficial or otherwise, in a Note shall not operate to terminate this Agreement, nor entitle the legal representatives or heirs of such person or any Holder for such person to claim an accounting, take any action or bring any proceeding in any court for a termination of any Notes, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 6.05. Conditions to Payment, Transfer or Exchange.

Freddie Mac, its agent or any other person potentially required to withhold with respect to payments on a Note shall have the right to require a Holder of a Note, as a condition to payment of principal of or interest on such Note, or as a condition to transfer or exchange of such Note, to present at such place as Freddie Mac, its agent or such other person shall designate a certificate in such form as Freddie Mac, its agent or such other person may from time to time prescribe, to enable Freddie Mac, its agent or such other person to determine its duties and liabilities with respect to (i) any taxes, assessments or governmental charges which Freddie Mac, the Global Agent, the Exchange Administrator or such other person, as the case may be, may be required to deduct or withhold from payments in respect of such Note under any present or future law of the United States or jurisdiction therein or any regulation or interpretation of any taxing authority thereof; and (ii) any reporting or other requirements under such laws, regulations or interpretations. Freddie Mac, its agent or such other person shall be entitled to determine its duties and liabilities with respect to such deduction, withholding, reporting or other requirements on the basis of information contained in such certificate or, if no certificate shall be presented, on the basis of any presumption created by any such law, regulation or interpretation, and shall be entitled to act in accordance with such determination.

Section 6.06. Amendment.

(a) Freddie Mac may modify, amend or supplement this Agreement and the terms of the Notes, without the consent of the Holders or Beneficial Owners, (i) to cure any ambiguity, or to correct or supplement any defective provision or to make any other provision with respect to matters or questions arising under this Agreement or the terms of any Note that are not inconsistent with any other provision of this Agreement or the Note; (ii) to add to the covenants of Freddie Mac for the benefit of the Holders or surrender any right or power conferred upon Freddie Mac; (iii) to evidence the succession of another entity to Freddie Mac and its assumption of the covenants of Freddie Mac; (iv) to conform the terms of an issue of Notes or cure any ambiguity or discrepancy resulting from any changes in the Book-Entry Rules or any regulation or document that are applicable to book-entry securities of Freddie Mac or (v) in any other manner that Freddie Mac may determine and that will not adversely affect in any material respect the interests of Holders or Beneficial Owners at the time of such modification, amendment or supplement. Notwithstanding these rights, Freddie Mac will not be permitted to make any amendment to this Agreement and the terms of the Notes unless Freddie Mac has received an opinion of nationally-recognized U.S. federal income tax counsel to the effect that, and subject to customary assumptions, qualifications and exclusions, Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such amendment.

(b) In addition, with the written consent of the Holders of at least 50% of the aggregate then outstanding Class Principal Balance of each Class of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) affected thereby, excluding any such Notes owned by Freddie Mac, Freddie Mac may, from time to time and at any time, modify, amend or supplement the terms of the Notes for the purpose of adding any provisions to or changing in any manner or eliminating any provisions of such Notes or modifying in any manner the rights of the Holders; provided, however, that no such modification, amendment or supplement may, without

the written consent or affirmative vote of each Holder of an affected Note; (A) change the Maturity Date or any monthly Payment Date of such Note; (B) materially modify the redemption or repayment provisions, if any, relating to the redemption or repayment price of, or any redemption or repayment date or period for, such Note; (C) reduce the Class Principal Balance or Notional Principal Amount of (other than as provided for in this Agreement), delay the principal payment of (other than as provided for in this Agreement), or materially modify the rate of interest or the calculation of the rate of interest on, such Note; or (D) reduce the percentage of Holders whose consent or affirmative vote is necessary to modify, amend or supplement the terms of the Notes. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. A quorum at any meeting of Holders called to adopt a resolution shall be Holders entitled to vote a majority of the then aggregate outstanding Class Principal Balance of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes) called to such meeting and, at any reconvened meeting adjourned for lack of a quorum, 25% of the then aggregate outstanding Class Principal Balance of Original Notes (in each case the outstanding Class Principal Balance of the Original Notes will be determined without regard to any exchanges of Class M Notes for MAC Notes), in both cases excluding any Notes owned by Freddie Mac. In the event that Class M Notes have been exchanged for MAC Notes, Holders of such MAC Notes will be entitled to exercise all the voting or direction rights that are allocated to such exchanged Class M Notes as described herein. It shall not be necessary for the Holders to approve the particular form of any proposed amendment, but it shall be sufficient if such consent or resolution approves the substance of such change.

(c) Freddie Mac may establish a record date for the determination of Holders entitled to grant any consent in respect of Notes and to notify with respect to any such consent.

(d) Any instrument given by or on behalf of any Holder of a Note in connection with any consent to any such modification, amendment or supplement shall be irrevocable once given and shall be conclusive and binding on all subsequent Holders of such Note or any Note issued, directly or indirectly, in exchange or substitution therefor, irrespective of whether or not notation in regard thereto is made thereon. Any modification, amendment or supplement of this Agreement or of the terms of Notes shall be conclusive and binding on all Holders of Notes affected thereby, whether or not they have given such consent (unless by the terms of this Agreement a written consent or an affirmative vote of such Holders is required), and whether or not notation of such modification, amendment or supplement is made upon the Notes.

(e) Freddie Mac will notify the Rating Agencies of any modification, amendment or supplement of this Agreement (which notification shall be effected pursuant to Section 6.08).

Section 6.07. Persons Deemed Owners.

Freddie Mac, the Registrar, DTC and the Common Depositaries (or any agent of any of them), may deem and treat the Holder as the absolute owner of a Note for the purpose of receiving payment of principal or interest and for all other purposes, and none of Freddie Mac,

the Registrar, DTC and the Common Depositories, nor any agent of any of them, shall be affected by any notice to the contrary. All such payments so made to any such Holder or upon such Holder's order shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the duty for monies payable by Freddie Mac upon an Original Note. A Holder is not necessarily the beneficial owner of a Note. The rights of a beneficial owner of a Note with respect to Freddie Mac and the Registrar may be exercised only through the Holder. The rights of a beneficial owner of a DTC Note with respect to DTC and a Common Depository Note with respect to the Common Depositories may be exercised only through the applicable DTC Participant. Neither Freddie Mac nor the Registrar shall have any direct obligation to a beneficial owner that is not also the Holder of a Note. DTC and the Common Depository will have no direct obligation to a beneficial owner that is not also a DTC Participant, with respect to such Note.

Section 6.08. Notice.

(a) Any notice, demand or other communication which by any provision of this Agreement is required or permitted to be given to or served upon any Holder may be given or served in writing by deposit thereof, postage prepaid, in the mail, addressed to such Holder as (i) such Holder's name and address may appear in the Register, (ii) in the case of a Holder of a DTC Note, by transmission to such Holder through the DTC communication system or (iii) in the case of a Common Depository Note, by transmission to such Holder through the Common Depository system. Such notice, demand or other communication to or upon any Holder shall be deemed to have been sufficiently given or made, for all purposes, upon mailing or transmission.

(b) Except as set forth in Section 4.04 of this Agreement, any notice, demand or other communication which by any provision of this Agreement is required or permitted to be given to or served upon Freddie Mac shall be given in writing addressed (until another address is published by Freddie Mac) as follows: Federal Home Loan Mortgage Corporation, 8200 Jones Branch Drive, McLean, Virginia 22102 Attention: General Counsel and Secretary. Such notice, demand or other communication to or upon Freddie Mac shall be deemed to have been sufficiently given or made only upon actual receipt of the writing by Freddie Mac.

(c) To the extent that Freddie Mac is required to provide any information or notification to the Rating Agencies pursuant to this Agreement, Freddie Mac will cause such information or notification to be posted to the Rating Agencies Information Website. None of the Global Agent, Exchange Administrator or Registrar shall provide any information directly to, or communicate with, either orally or in writing, any Rating Agency or any NRSRO regarding the Notes relevant to such Rating Agency's or NRSRO's surveillance of the Notes, including, but not limited to, providing responses to inquiries from a Rating Agency or NRSRO regarding the Notes.
