

Freddie Mac Releases Mission Index Criteria Attribution (MICA) Resources

January 16, 2025

Today, Freddie Mac released version 1.0 of the Mission Index Criteria Attribution (MICA), a social impact estimation methodology for our Single-Family mortgage-backed securities. The MICA disclosure supplement and accompanying tool provide impact investors with enhanced insights into the estimated representation of specific populations of Mission borrowers in their portfolios.

The MICA disclosure supplement is available in Security Lookup, in addition to an Excel-based tool on our [website](#) that automates the estimation methodology. Additionally, a MICA user guide is also available on our website.

The initial release of the MICA v1.0 disclosure supplement (for Level 1 securities and MultiLenders) precedes publication of the MICA v1.1 disclosure supplement, which we anticipate publishing in Q1 2025 and updating regularly thereafter.
