Freddie Mac Prices Approximately \$809 Million SLST Securitization

McLean, Va. - Freddie Mac (OTCQB: FMCC) today announced pricing of the first Seasoned Loans Structured Transaction Trust (SLST) offering of 2021—a securitization of approximately \$809 million including both guaranteed senior and non-guaranteed subordinate securities backed by a pool of seasoned re-performing loans (RPLs). The SLST program is a fundamental part of Freddie Mac's seasoned loan offerings which reduce less-liquid assets in its mortgage-related investments portfolio and shed credit and market risk via economically reasonable transactions.

Freddie Mac SLST Series 2021-1 includes approximately \$744 million in guaranteed senior certificates and approximately \$65 million in non-guaranteed subordinate certificates. The right to purchase the subordinate certificates was awarded on May 17 via an auction. The transaction is expected to settle on May 27, 2021.

The underlying collateral backing the certificates consists of 8,927 fixed-, adjustable-, and step-rate, seasoned RPLs, the majority of which were previously modified to assist borrowers.

The loans are currently serviced by Specialized Loan Servicing LLC (SLS) in accordance with [requirements](#) that prioritize borrower retention options in the event of default and promote neighborhood stability.

Advisors to this transaction are BofA Securities, Inc., and J.P. Morgan Securities, LLC as co-lead managers and joint bookrunners, and Citigroup Global Markets Inc., Nomura

Securities International, Inc., Oppenheimer & Co., Inc., Wells Fargo Securities, LLC, and R. Seelaus & Co., LLC (a woman-owned business) as the co-managers.

To date, Freddie Mac has sold almost \$9 billion of Non-Performing Loans (NPLs) and securitized approximately \$71 billion of RPLs consisting of \$30 billion of fully guaranteed PCs, \$31 billion of SCRT senior/sub securitizations, and \$10 billion of Seasoned Loans Structured Transaction (SLST) offerings. Additional information about the company's seasoned loan offerings can be found at:
